SEBI/LAD-NRO/GN/2021/39 DATED 9 AUGUST 2021 AS AMENDED FROM TIME TO TIME.**

**NEITHER THE ISSUER NOR ANY OF ITS MEMBERS HAVE BEEN DECLARED AS A WILFUL DEFAULTER.**

This Information Memorandum contains relevant information and disclosures required for issue of the Debentures. The issue of the Debentures comprised in the Issue and described under this Information Memorandum has been authorised by the Issuer through the resolutions passed by the members of the board of the Issuer on September 2, 2023, and the investment management committee of the Issuer on November 30, 2023.

### **GENERAL RISKS**

Investment in debt and debt related securities involves a degree of risk and Investors should not invest any funds in the debt instruments, unless they understand the terms and conditions and can afford to take the risks attached to such investments. For taking an investment decision, potential Investors must rely on their own examination of the Issuer, the Issue, this Information Memorandum including the risks involved. As the issue is being made on a private placement basis, the Debentures have not been recommended or approved by SEBI nor does SEBI guarantee the accuracy or adequacy of this document. Investment in debt and debt related securities involves a degree of risk and Investors are advised to take an informed decision and consider with their advisers, of the suitability of the Debentures in the light of their particular financial circumstances and investment objectives and risk profile, and of all information set forth in this Information Memorandum, including the Part 4 (*Risk Factors*), before investing.

### **CREDIT RATING**

The Debentures have been rated:

- (a) “Provisional IND AA (CE)/Stable” with stable outlook by India Ratings and Research Private Limited for an amount up to INR 1,499,98,00,000 (Indian Rupees One Thousand Four Hundred Ninety Nine Crore Ninety Eight Lakh only) *vide* its rating letter dated November 10, 2023.

## **PART 1: DISCLAIMERS**

### **ISSUER’S DISCLAIMER**

The distribution of this Information Memorandum and the Issue, to be initially listed on the WDM segment of the BSE, is being made strictly on a private placement basis. This Information Memorandum is not intended to be circulated to any person other than eligible Investors. Multiple copies hereof or of any Information Memorandum given to the same entity shall be deemed to be given to the same person and shall be treated as such. It does not constitute and shall not be deemed to constitute an offer or an invitation to subscribe to the Debentures to the public of India in general. This Information Memorandum should not be construed to be a prospectus or a statement in lieu of prospectus under applicable law. Apart from this Information Memorandum, no offer document or prospectus has been or will be prepared in connection with the offering of the Debentures or in relation to the Issuer nor is such a prospectus required to be registered under applicable laws.

This Information Memorandum has been prepared in conformity with the SEBI NCS Regulations and the rules thereunder.

This Information Memorandum has been prepared to provide general information about the Issuer to potential Investors to whom it is addressed and who are willing and eligible to subscribe to the Debentures. This Information Memorandum does not purport to contain all the information that any potential eligible Investor may require. Neither this Information Memorandum nor any other information supplied in connection with the Debentures is intended to provide the basis of any credit or other evaluation and any recipient of this Information Memorandum should not consider such receipt a recommendation to purchase any Debentures. Each eligible Investor contemplating purchasing any Debentures should make its own independent investigation of the financial condition and affairs of the Issuer, and its own appraisal of the creditworthiness of the Issuer as well as the structure of the Issue. Potential Investors should consult their own financial, legal, tax and other professional advisors as to the risks and investment considerations arising from an investment in the Debentures and should possess the appropriate resources to analyse such investment and the suitability of such investment to such Investor’s particular circumstances. It is the responsibility of the potential Investors to also ensure that they will sell these Debentures in strict accordance with this Information Memorandum, the Debenture Trust Deed and applicable laws, so that the sale does not constitute an offer to the public in terms of applicable law. Neither the intermediaries nor their agents nor advisors associated with the Issue undertake to review the financial condition nor affairs of the Issuer during the life of the arrangements contemplated by this Information Memorandum or have any responsibility to advise any eligible Investor or potential eligible Investors on the Debentures of any information coming to the attention of any other intermediary.

The Issuer, having made all reasonable inquiries, accepts responsibility for, and confirms that this Information Memorandum contains all information with regard to the Issuer and the Issue, that the information contained in this Information Memorandum is true and correct in all material aspects and is not misleading in any material respect, that the opinions and intentions expressed herein are honestly held and that there are no other facts, the omission of which make this Information Memorandum as a whole or any of such information or the expression of any such opinions or intentions misleading in any material respect. The Issuer has no side letter with any debt securities holder except the ones disclosed in this Information Memorandum. Any covenants later added shall be disclosed on the stock exchange website where the Debentures are listed. No person has been authorised to give any information or to make any representation not contained or incorporated by reference in this Information

Memorandum or in any material made available by the Issuer to any potential Eligible Investor pursuant hereto and, if given or made, such information or representation must not be relied upon as having been authorised by the Issuer. The legal advisors to the Issuer and any other intermediaries and their agents or advisors associated with the Issue have not separately verified the information contained herein. Accordingly, no representation, warranty or undertaking, express or implied, is made and no responsibility is accepted by any such legal advisors or intermediary as to the accuracy or completeness of the information contained in this Information Memorandum or any other information provided by the Issuer. Accordingly, the legal advisors to the Issuer and other intermediaries associated with the Issue shall have no liability in relation to the information contained in this Information Memorandum or any other information provided by the Issuer in connection with the Issue.

The Issuer does not undertake to update the Information Memorandum to reflect subsequent events after the date of the Information Memorandum and thus it should not be relied upon with respect to such subsequent events without first confirming its accuracy with the Issuer.

Neither the delivery of this Information Memorandum nor any Issue made hereunder shall, under any circumstances, constitute a representation or create any implication that there has been no change in the affairs of the Issuer since the date hereof.

Recipients shall not be entitled to use any of the information otherwise than for the purpose of deciding whether or not to invest in the Debentures.

**This Information Memorandum and the contents hereof and thereof are restricted only for the intended recipient(s) who have been addressed directly and specifically through a communication by the or on behalf of the Issuer and only such recipients are eligible to apply for the Debentures. All Investors are required to comply with the relevant regulations/guidelines applicable to them for investing in this Issue. The contents of this Information Memorandum and any other information supplied in connection with this Information Memorandum or the Debentures are intended to be used only by those potential Investors to whom it is distributed. It is not intended for distribution to any other person and should not be reproduced by them or the disseminated recipient.**

Invitations, offers and allotment of the Debentures shall only be made pursuant to this Information Memorandum. You may not be and are not authorised to (1) deliver this Information Memorandum or any other information supplied in connection with this Information Memorandum or the Debentures to any other person; or (2) reproduce this Information Memorandum or any other information supplied in connection with this Information Memorandum or the Debentures in any manner whatsoever. Any distribution or reproduction of this Information Memorandum in whole or in part or any public announcement or any announcement to third parties regarding the contents of this Information Memorandum or any other information supplied in connection with this Information Memorandum or the Debentures. Failure to comply with this instruction may result in a violation of the SEBI NCS Regulations or other applicable laws of India and other jurisdictions. This Information Memorandum has been prepared by the Issuer for providing information in connection with the proposed Issue described in this Information Memorandum.

Each person receiving this Information Memorandum acknowledges that such person has been afforded an opportunity to request and to review and has received all additional information considered by it to be necessary to verify the accuracy of or to supplement the information herein and such person has not relied on any intermediary associated with the Issue in connection with its investigation of the accuracy

of such information or its investment decision. Each person in possession of this Information Memorandum should carefully read and retain this Information Memorandum. However, each such person in possession of this Information Memorandum is not to construe the contents of this Information Memorandum as investment, legal, accounting, regulatory or tax advice, and such persons in possession of this Information Memorandum should consult with their own advisors as to all legal, accounting, regulatory, tax, financial and related matters concerning an investment in the Debentures.

Investors are advised to read the risk factors carefully before taking an investment decision in this Issue. For taking an investment decision, investors must rely on their own examination of the Issuer and the offer including the risks involved. The Debentures have not been recommended or approved by any regulatory authority in India, including the SEBI nor does SEBI guarantee the accuracy or adequacy of this Information Memorandum. Specific attention of investors is invited to the statement of ‘Risk factors’ under the Part 4 (*Risk Factors*) of this Information Memorandum.

The Issue will be a domestic issue restricted to India and no steps have been taken or will be taken to facilitate the Issue in any jurisdictions other than India. This Information Memorandum is not intended for distribution to, or use by, any person or entity in any jurisdiction or country where distribution or use of such information would be contrary to law or regulation. This Information Memorandum does not constitute, nor may it be used for or in connection with, an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised or to any person to whom it is unlawful to make such an offer or solicitation. Persons into whose possession this Information Memorandum comes are required to inform themselves about and to observe any such restrictions. This Information Memorandum is made available to Investors in the Issue on the strict understanding that it is confidential and may not be transmitted to others, whether in electronic form or otherwise.

#### **DISCLAIMER IN RESPECT OF JURISDICTION**

The Issue will be made to the Investors as specified under “Eligible Investors” of this Information Memorandum, who shall be specifically approached by the Issuer. This Information Memorandum does not constitute an offer to sell or an invitation to subscribe to the Debentures offered hereby to any person to whom it is not specifically addressed. Any disputes arising out of this Issue will be subject to the jurisdiction of the courts of Thiruvananthapuram. This Information Memorandum does not constitute an offer to sell or an invitation to subscribe to the Debentures herein, in any jurisdiction and to any person to whom it is unlawful to make an offer or invitation in such jurisdiction.

#### **DISCLAIMER CLAUSE OF SEBI**

As per the provisions of the SEBI NCS Regulations, it is not stipulated that a copy of this Information Memorandum has to be filed with or submitted to the SEBI for its review/approval. It is to be distinctly understood that this Information Memorandum should not in any way be deemed or construed to have been approved or vetted by SEBI and that this Issue is not recommended or approved by SEBI. SEBI does not take any responsibility either for the financial soundness of any proposal for which the Debentures are issued/ proposed to be issued, or for the correctness of the statements made or opinions expressed in this Information Memorandum.

#### **DISCLAIMER CLAUSE OF THE BSE**

As required, a copy of this Information Memorandum has been submitted to BSE Limited. It is to be distinctly understood that the aforesaid submission or hosting the same on the website of BSE in terms of the SEBI NCS Regulations, should not in any way be deemed or construed to mean that this

Information Memorandum has been cleared or approved by BSE; nor does it in any manner warrant, certify or endorse the correctness or completeness of any of the contents of this Information Memorandum; nor does it warrant that the Issuer's Debentures will be listed or will continue to be listed on the BSE; nor does it take any responsibility for the financial or other soundness of the Issuer, its members, its management or any scheme or project of the Issuer.

Every person who desires to apply for or otherwise acquire any securities of the Issuer may do so pursuant to independent inquiry, investigation and analysis and shall not have any claim against BSE whatsoever by reason of any loss which may be suffered by such person consequent to or in connection with such subscription/acquisition whether by reason of anything stated or omitted to be stated herein or any other reason whatsoever.

#### **DISCLAIMER CLAUSE OF THE CREDIT RATING AGENCIES**

All credit ratings assigned are subject to certain limitations and disclaimers. Please read these limitations and disclaimers on the website of the Credit Rating Agencies. In addition, rating definitions and the terms of use of such ratings are available on the public website of the Credit Rating Agencies. Published ratings, criteria, and methodologies are available from this site at all times. ### **PART 3: FORWARD LOOKING STATEMENTS**

Certain statements in this Information Memorandum are not historical facts but are “forward-looking” in nature. Forward-looking statements appear throughout this Information Memorandum, including, without limitation, under Part 4 (*Risk Factors*). Forward-looking statements include statements concerning the Issuer’s plans or financial performance, capital expenditure, etc. If any, the Issuer’s competitive strengths and weaknesses and the trends the Issuer anticipates in the industry, along with the political and legal environment, and geographical locations, in which the Issuer operates, and other information that is not historical information.

Words such as “aims”, “anticipate”, “believe”, “could”, “continue”, “estimate”, “expect”, “future”, “goal”, “intend”, “is likely to”, “may”, “plan”, “predict”, “project”, “seek”, “should”, “targets”, “would” and similar expressions, or variations of such expressions, are intended to identify and may be deemed to be forward-looking statements but are not the exclusive means of identifying such statements.

By their nature, forward-looking statements involve inherent risks and uncertainties, both general and specific, and assumptions about the Issuer, and risks exist that the predictions, forecasts, projections and other forward-looking statements will not be achieved.

These risks, uncertainties and other factors include, among other things, those listed under the Part 4 (*Risk Factors*) of this Information Memorandum, as well as those included elsewhere in this Information Memorandum. Prospective Investors should be aware that a number of important factors could cause actual results to differ materially from the plans, objectives, expectations, estimates and intentions expressed in such forward-looking statements. These factors include, but are not limited, to:

- General, political, economic, social and business conditions in Indian and other global markets;
- The Issuer’s ability to successfully implement its strategy, growth and expansion plans;
- Competition in the Indian markets;
- Adverse rulings against the Issuer by courts or tribunals in the legal proceedings;
- Inability of the Issuer to employ substantial number of qualified personnel for operating its business and project operations;
- Occurrence of strikes, work stoppages and/or increased wage demands by the employees/labour employed for the Issuer’s business operations, resulting in a material adverse effect on the business of the Issuer, results of operations and cash flows;
- Availability of adequate debt financing at reasonable terms;
- Inability of the Issuer to obtain or maintain adequate insurance cover for its projects;
- Performance of the Indian debt and equity markets; and
- Changes in laws and regulations applicable to body corporates in India, including foreign exchange control regulations in India.

For a further discussion of factors that could cause the Issuer's actual results to differ, please refer to the Part 4 (*Risk Factors*) of this Information Memorandum. By their nature, certain market risk disclosures are only estimates and could be materially different from what actually occurs in the future. Although the Issuer believes that the expectations reflected in such forward-looking statements are reasonable at this time, the Issuer cannot assure Investors that such expectations will prove to be correct. Given these uncertainties, the Investors are cautioned not to place undue reliance on such forward-looking statements. If any of these risks and uncertainties materialise, or if any of the Issuer's underlying assumptions prove to be incorrect, the Issuer's actual results of operations or financial condition could differ materially from that described herein as anticipated, believed, estimated or expected. All subsequent forward-looking statements attributable to the Issuer are expressly qualified in their entirety by reference to these cautionary statements. As a result, actual future gains or losses could materially differ from those that have been estimated. The Issuer undertakes no obligation to update forward-looking statements to reflect events or circumstances after the date hereof.

Forward looking statements speak only as of the date of this Information Memorandum. None of the Issuer, its members, its officers or any of their respective affiliates or associates has any obligation to update or otherwise revise any statement reflecting circumstances arising after the date hereof or to reflect the occurrence of underlying events, even if the underlying assumptions do not come to fruition.

## **PART 4: RISK FACTORS**

*The Issuer believes that the following factors may affect its ability to fulfill its obligations under the Debentures. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. These risks may include, among others, business aspects, equity market, bond market, interest rate, market volatility and economic, political and regulatory risks and any combination of these and other risks. Prospective Investors should carefully consider all the information in this Information Memorandum, including the risks and uncertainties described below, before making an investment in the Debentures. To obtain a complete understanding, prospective Investors should read this section in conjunction with the remaining sections of this Information Memorandum, as well as the other financial and statistical information contained in this Information Memorandum. If any of the following risks, or other risks that are not currently known or are now deemed immaterial, actually occur, the Issuer's business, results of operations and financial condition could suffer, the price of the Debentures could decline, and the eligible Investor may lose all or part of their investment. More than one risk factor may have simultaneous effect with regard to the Debentures such that the effect of a particular risk factor may not be predictable. In addition, more than one risk factor may have a compounding effect which may not be predictable. No assurance can be given as to the effect that any combination of risk factors may have on the value of the Debentures. The inability of the Issuer to pay interest, principal or other amounts on or in connection with the Debentures may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to them or which they may not currently be able to anticipate. You must rely on your own examination of the Issuer and this Issue, including the risks and uncertainties involved. The ordering of the risk factors is intended to facilitate ease of reading and reference and does not in any manner indicate the importance of one risk factor over another.*

### **GENERAL RISKS**

The Issuer's cash inflows from GoK pursuant to KIIF Act are primarily based on previous years collections of (1) cess levied on petroleum products pursuant to the additional sales tax levied on petroleum products under the Kerala General Sales Tax Act, 1963 (“Cess”) and (2) motor vehicles tax receipts of the State of Kerala (“**Motor Vehicles Tax**”).

The Issuer is incorporated for the purpose of funding infrastructure projects in Kerala and to engage in activities incidental to or related to the funding of infrastructure projects in Kerala, including ensuring the quality of infrastructure projects being financed by the Issuer. The ability of the Issuer to successfully carry out its funding operations and to fulfill its financial obligations will be partly dependent upon receiving its cash inflows from GoK pursuant to Section 7 of KIIF Act which provides for a share of the Motor Vehicles Tax and Cess collected by the Kerala State Government in the previous year to be allocated to the Issuer.

As of 14 December 2023, the Issuer had received a sum of INR 18,060.21 Crores (including initial corpus fund) from the Kerala State Government which comprised of INR 3783.31 Crore on account of Cess, INR 11,134.34 Crore on account of Motor Vehicles Tax, INR 2498.42 Crore on account of initial corpus fund and INR 322.07 Crore as an additional grant from the Kerala State Government. Any material decrease in the amount of Motor Vehicles Tax or Cess collected by the Kerala State Government may have a significant adverse impact on the Issuer's cash inflows.

The amount of Cess and Motor Vehicles Tax collected may be affected by a number of factors including:

- actual sales volume of motor vehicles;
- petrol and diesel consumption in Kerala;
- global crude prices and consequent fuel prices in India;
- affordability and efficiency of automobiles;
- increasing popularity and availability of alternative fuel powered options for automobile users;
- availability of alternative means of transportation, including rail networks and air transport;
- growth of the Indian economy and that of State of Kerala;
- adverse weather conditions; and
- seasonal holidays.

For instance, any material decrease in the actual motor vehicle sales volume compared to the forecasted motor vehicle sales volume on account of inaccurate forecasting or (any other reason) may have an adverse effect on the amount of Motor Vehicles Tax collected and consequently on the Issuer's cash inflows. Similarly, in the case of Cess, should there be a decrease in the consumption of petroleum products by consumers, there may be a significant impact on the Issuer's cash inflows.

The factors which determine Cess and Motor Vehicles Tax receipts are therefore beyond the Issuer's control. Further, any change in the applicable policies or other applicable laws which affect the category of vehicle or fuel, may lead to an increase or a decrease in the Cess and Motor Vehicles Tax collected and may affect the Issuer's cash inflows. In the event of a significant decrease in sales volumes and/or consumption of petrol and diesel, the Issuer may experience a corresponding decrease in the cash inflows received from the Kerala State Government from these sources. Such a situation, if it arises may impact the Issuer's ability to fulfill its financial obligations, unless the Kerala State Government makes appropriate alternative budgetary allocations to the Issuer as provided for in the KIIF Act.

During Covid-19 period, when the collections of Motor Vehicle Tax and Cess in the State of Kerala were impacted due to lockdowns in 2020-21, GoK provided an additional grant of INR 322.07 Crore to the Issuer for financial year 2021-22 so that the Issuer's cash inflows (pegged to collections of Motor Vehicle Tax and Cess in 2020-21) were not impacted.

Kerala has a revenue deficit and a fiscal deficit, both of which are not expected to turn into a surplus in the near future. Any material adverse impact on Kerala's economy may have an impact on its financial operations and its ability to fulfill its obligations under the KIIF Act and as a guarantor to the Issue. Kerala's economy could be impacted by adverse economic and financial conditions.

Kerala's primary revenues are from its own tax and non-tax resources. In addition to these, Kerala receives a share of taxes levied by the Central Government and also receives grants and other financial aid from the Central Government. Although there has been an increase in the tax revenue by 22.41% in financial year 2021-22 as against negative growth of 5.29% in financial year 2020-21 and increase in

non-tax revenue by 42.79% in financial year 2021-22 as against a negative growth of 40.26% in financial year 2020-21, Kerala has a revenue deficit and fiscal deficit at 2.29% and 4.11% respectively as against 2.57% and 4.17% of MTFP target and actual of 2.60% and 4.57% of FY 2020-21. The improvement in revenue deficit and fiscal deficit is due to the buoyancy in tax collections on account of the recovery after the COVID – 19 pandemic. The share of central taxes grew by 54.15 % in FY 2021-22 as against a negative growth of 29.52 % in FY 2020-21. Total revenue receipts increased by 19.49% in financial year 2021-22 as against 8.19% in financial year 2020-21. Revenue expenditure increased by 18% whereas capital Expenditure increased by 10% due to high base effect.

Kerala's gross state domestic product is largely driven by the services sector which includes trade, tourism, real estate, transport and communication, while agriculture, traditional small-scale industries, mining and utilities form the other contributors. Kerala has also been characterised by a dynamic and sustained emigration pattern particularly to the Gulf Arab states and other western countries which is a result of historic, cultural, demographic and political factors. Consequently, Kerala receives a large share of the overall remittance flows to India. Therefore remittances, amongst others have played and continue to play a key role in the socio-economic development of Kerala.

During the past several years, Kerala economy had to face a series of challenges from demonetization in 2016, the Ockhi cyclone in 2017, the floods in 2018 and extreme rainfall event of 2019 and the COVID-19 pandemic.

The Kerala State initiated a series of measures to combat the adverse impact of natural disasters and COVID-19. These measures include huge investment through the Issuer and Rebuild Kerala Initiative in infrastructure projects, two packages of INR 20000 crore each to rejuvenate the economy during COVID-19, disbursement of welfare pensions, support to micro, small & medium enterprises, loan assistance schemes with the support of Kerala Finance Corporation, commercial banks and co-operative banks etc. With these measures, the economy rebounded to a growth trajectory. Kerala economy has clocked a growth rate of 17% in gross state domestic product on nominal basis and 12% in real basis for the year 2021-22. The per capita gross state domestic product is higher by 30 % as compared to the national level for the year 2021-22.

Health scares due to the outbreak of any infectious disease in Asia, India or Kerala or any other serious public health concerns relating to the region could have a negative impact on the tourism inflows.

There can be no assurance that factors such as those described above, or any other events not currently anticipated, will not negatively affect the economy and the financial condition of GoK and its ability to fulfil its obligations under the guarantee or its obligations under the KIIF Act.

The Issuer's projects are exposed to various implementation and other risks, including risks of time and cost overruns, and uncertainties, which may adversely affect our business, financial condition, results of operations, and prospects.

The Issuer is a nodal agency in the State of Kerala for financing various Infrastructure Projects as identified by GoK and approved by the Issuer. The Issuer undertakes financing of these projects under special purpose vehicle route where the responsibility of implementation and execution of these projects remain with the concerned special purpose vehicle. The Issuer only provides the financing of these projects and also undertakes the project inspection and monitoring related work and the Issuer ensures that these projects get completed as per estimated / budgeted time and cost schedule.

However, the construction or development of these projects involves various implementation risks including construction delays, delay or disruption in supply of raw materials, delays in acquisition of land, unanticipated cost increases, force majeure events, delays in securing required licenses etc.

There is no cost over run apart from what is caused due to the change in Delhi schedule of rates amounts and goods and service tax rate changes because the projects are implemented basis the approved amount.

There are time over runs mainly due to the delay in land acquisition which is inherent in execution of infrastructure projects. However, the Issuer/GoK takes timely actions to expedite the project execution by various means which includes:

- The Issuer, being the nodal agency for infrastructure financing in the State of Kerala, as per its mandate conducts periodic monitoring of such projects including progress and quality of infrastructure developed.
- The Issuer's strong linkages with the GoK – Chief Executive Officer of the Issuer is ex-officio Secretary Finance (Infrastructure), Government of Kerala and officers of the Issuer including Joint Fund Manager, Deputy Fund Manager are officials from Government of Kerala (Finance Department), providing the Issuer with significant convening power.
- Additionally, being priority projects of GoK, these projects are periodically reviewed at member of legislative assembly member (legislative scrutiny) and department secretary levels (scrutiny by Government) to ensure timely completion.
- To provide capacity building and to equip the special purpose vehicles with new technologies and best practices, the Issuer provides necessary handholding to special purpose vehicle through Issuer's in-house Technical Resource Centre (TRC), this would in turn bring in efficiencies in execution and pre-empts any quality related issues.

## **RISKS IN RELATION TO THE DEBENTURES**

### **The secondary market for non-convertible securities may be illiquid.**

The non-convertible securities may be very illiquid and no secondary market may develop in respect thereof. Even if there is a secondary market for the non-convertible securities, it is not likely to provide significant liquidity. Potential Investors may have to hold the Debentures until redemption to realize any value.

### **Credit Risk & Rating Downgrade Risk**

The Credit Rating Agencies have assigned the credit ratings to the Debentures. In the event of deterioration in the financial health of the Issuer, there is a possibility that the Credit Rating Agencies may downgrade the rating of the Debentures. In such cases, potential Investors may incur losses on revaluation of their investment or make provisions towards sub-standard/ non- performing investment as per their usual norms. Any stated credit rating of the Issuer reflects the independent opinion of the referenced rating agency as to the creditworthiness of the rated entity but is not a guarantee of credit quality of the Issuer. Any downgrading of the credit ratings of the Issuer by the Credit Rating Agencies may lower the value of the Debentures.

### **Changes in interest rates may affect the price of Debentures**

All securities are subject to price risk. The price of such securities will vary inversely with changes in prevailing interest rates, i.e., when interest rates rise, prices of fixed income securities fall and when interest rates drop, the prices increase. The extent of fall or rise in the prices is a function of the existing coupon, days to maturity and the increase or decrease in the level of prevailing interest rates. Increased rates of interest, which frequently accompany inflation and/or a growing economy, are likely to have a negative effect on the pricing of the Debentures.

### **There is no assurance that the Debentures issued pursuant to this placement will be listed on Stock Exchange in a timely manner, or at all.**

In accordance with Indian law and practice, permissions for listing and trading of the Debentures issued pursuant to this Issue will not be granted until after the Debentures have been issued and allotted. Approval for listing and trading will require all relevant documents to be submitted and carrying out of necessary procedures with the stock exchanges. There could be a failure or delay in listing the Debentures on the stock exchange for reasons unforeseen.

### **RISKS IN RELATION TO THE SECURITY CREATED IN RELATION TO THE DEBENTURES AND ANY RISKS IN RELATION TO FULL RECOVERY OF THE SECURITY IN CASE OF ENFORCEMENT**

The Debentures are not “secured debt securities” for the purposes of the SEBI NCS Regulations and corresponding provisions of applicable law. However, the Debentures are secured by assets as described in Part 5 (*Issue Details*) of this Information Memorandum. In respect of such security interest, enforcement of security usually takes an inordinately long period of time in India and enforcement may be subject to delays and administrative requirements. The claims and remedies available under Indian law may not be as extensive as those available in other jurisdictions. While any judgment will be made under prevailing Indian laws and regulations, no assurance can be given that the Indian courts will protect the interests of Debenture Holders in the same manner or to the same extent as would courts in other countries. As a result, it may be difficult for the Investors to effect service of process, including judgments, on the Issuer or its officers and directors, or to enforce judgments obtained in non-Indian courts against the Issuer or its officers and directors in India.

### **REFUSAL OF LISTING OF ANY SECURITY OF THE ISSUER DURING LAST THREE YEARS BY ANY OF THE STOCK EXCHANGES IN INDIA OR ABROAD**

NIL

### **LIMITED OR SPORADIC TRADING OF NON-CONVERTIBLE SECURITIES OF THE ISSUER ON THE STOCK EXCHANGES**

The Debentures may be very illiquid and no secondary market may develop in respect thereof. Even if there is a secondary market for the Debentures, it is not likely to provide significant liquidity. This could limit the ability of the Investor to resell them. This leads to liquidity and price risk on the Debentures.

### **IN CASE OF OUTSTANDING DEBT INSTRUMENTS OR DEPOSITS OR BORROWINGS:**

- 1. ANY DEFAULT IN COMPLIANCE WITH THE MATERIAL COVENANTS SUCH AS CREATION OF SECURITY AS PER TERMS AGREED:**

NIL

**2. DEFAULT IN PAYMENT OF INTEREST:**

NIL

**3. DEFAULT IN REDEMPTION OR REPAYMENT:**

NIL

**4. NON-CREATION OF DEBENTURE REDEMPTION RESERVE:**

Since the Issuer is not a company existing under the Companies Act, 2013, it is not required to create or maintain a debenture redemption reserve as the Companies (Share Capital and Debentures) Rules, 2014 is not applicable to it.

**5. DEFAULT IN PAYMENT OF PENAL INTEREST WHEREVER APPLICABLE:**

NIL

**IF SECURED, ANY RISKS IN RELATION TO MAINTENANCE OF SECURITY COVER OR FULL RECOVERY OF THE SECURITY IN CASE OF ENFORCEMENT**

The Debentures are not “secured debt securities” for the purposes of the SEBI NCS Regulations and corresponding provisions of applicable law.

**(b) A brief summary of the business / activities of the Issuer and its subsidiaries with the details of the branches or units if any and its line of business.**

**(i) Overview**

The Issuer is a body corporate constituted by the State Government under the KIIF Act on 11 November 1999, to manage the Kerala Infrastructure Investment Fund (the "**Fund**"). The Kerala Infrastructure Investment Fund Act, 1999 was amended in November 2016 by the Kerala Infrastructure Investment Fund Amendment Act, 2016 in order to further streamline the process of mobilizing funds for infrastructure development in Kerala. Pursuant to this amendment, KIIFB was restructured to (i) create the Fund Trustee and Advisory Commission (the "**FTAC**") as an independent commission to ensure that all investments by KIIFB are made in accordance with the decisions of the board of members and provisions of the KIIF Act; (ii) include a provision in the Kerala Infrastructure Investment Fund Act, 1999 that all receivables due from the State Government are transferred to the Issuer on or before the last working day of December every year and that a percentage share of motor vehicles tax receipts and cess levied on petroleum products under the Kerala General Sales Tax Act, 1963 will be provided to KIIFB each year; and (iii) ensure that the Issuer's funds are used solely for the purposes of Kerala Infrastructure Investment Fund Act, 1999 and are not diverted from the intended purpose.

The Issuer was established with the main objective of providing investment for critical and large infrastructure projects in Kerala. It acts as the primary agency of the Kerala State Government to facilitate the development of both the physical and social infrastructure in Kerala and to assist the State Government and its agencies in the development of infrastructure in Kerala. The Issuer acts as the main agency of the State Government for scrutinizing, approving and funding major infrastructure projects. These infrastructure projects may be revenue generating or non-revenue generating.

The Issuer, is a corporation established under the KIIF Act (which is a state legislation) and owned by the Government of Kerala. It is a public sector company for the purposes of the Income Tax Act, 1961 (which defines the term 'public sector company' under Section 2(36A) of Income Tax Act, 1961 to mean any corporation established by or under any central, state or provincial legislation or a government company as defined in the Section 2(45) of the Act), and validly existing under the laws of India.

KIIFCON is a private limited company and is a wholly owned subsidiary of the Issuer for providing consultancy services for infrastructure projects.

The Issuer has one associate company viz., KIFML in which it holds equity shareholding of 42.69%. KIFML, an asset management company having its operations in Trivandrum was promoted by Kerala Infrastructure Investment Fund Board (KIIFB) in 2018 as a public limited company. KIFML has been appointed as the Investment Manager (IM) to Kerala Innovation Fund- a proposed Government Sponsored sector agnostic Venture Capital Fund to activate the rapid growth of small-scale enterprises and start-ups in Kerala or having significant majority of their operations in Kerala. KIFML is already managing an infrastructure fund- Kerala Infrastructure Fund (KIF) sponsored by KIIFB as a Category II AIF under SEBI's AIF Regulations. KIF is a Kerala focused Private Equity Fund which seeks to identify, create and invest into quality infrastructure opportunities in Kerala State and to benefit from the strong focus of the government on infrastructure development over the coming years.

(d) **List of Top 10 holders of non-convertible securities of the Issuer in terms of value (in cumulative basis)**

(i) **INR Bonds**

The Issuer has issued 9.723 per cent. fixed rate synthetic senior secured guaranteed notes for amounts aggregating up to INR 21,500,000,000 pursuant to a trust deed dated 19 September 2018 (“**INR Bonds**”). The INR Bonds are listed on Singapore Exchange Securities Trading Limited and London Stock Exchange's International Securities Market.

The INR Bonds are held in dematerialised form in the clearing systems (Euroclear Banking SA/NV and Clearstream Luxembourg) via a custodian who will themselves have an account with the clearing system. The beneficial interests in the INR Bonds are held by custodians. Given the INR Bonds are traded over the counter in the secondary market on a daily basis, it is not possible to verify with any certainty the holder of the INR Bonds at any given point in time. Hence, we are unable to list the 10 holders of the INR Bonds.

(ii) **Green Bonds**

The Green Bonds are held by multiple investors and as they are listed securities, there are subject to frequent transfers on a daily basis, it is not possible to verify with any certainty the holder of the Green Bonds at any given point in time. Hence, we are unable to list the 10 holders of the Green Bonds.

(e) **Details of Commercial Paper / Certificate of Deposit as at the end of the last quarter:**

Nil.

(f) **Details of rest of the borrowing (if any including hybrid debt like FCCB, Optionally Convertible Debentures / Preference Shares) of the Issuer not already covered above as at the end of last quarter:**

Nil.

19. **Details of any outstanding borrowings taken/ debt securities issued for consideration other than cash, whether (i) in whole or part, (ii) at a premium or discount, or (iii) in pursuance of an option or not:**

Nil.

20. **Details of all default/s and/or delay in payments of interest and principal of any kind of term loans, debt securities and other financial indebtedness including corporate guarantee issued by the Issuer, in the past 3 years including the current financial year:**

Nil.

21. **Any material event/ development or change having implications on the financials/credit quality (e.g. any material regulatory proceedings against the Issuer/promoters, litigations**

**resulting in material liabilities, corporate restructuring event etc.) at the time of issue which may affect the issue or the investor's decision to invest / continue to invest in the non-convertible securities:**

**(a) Enforcement Directorate Investigation**

In connection with the INR Bonds, the Directorate of Enforcement (“ED”) had issued several summons to the Issuer’s officials from February 3, 2021 onwards (“Summons”). The Summons have been issued under Section 37 of the Foreign Exchange Management Act, 1999, read with Section 131(1) of the Income Tax Act, 1961 and Section 30 of the Civil Procedure Code, 1908. The Issuer and its officials have complied with the requirements under the Summons and have provided all information requisitioned by the ED. Till date, no formal complaint has been filed by the ED against the Issuer.

In this connection, the Issuer has filed a writ petition bearing number 26228 of 2022 before the Hon’ble High Court of Kerala for quashing the Summons and to restrict the ED from undertaking any action pursuant to the Summons. The Hon’ble High Court of Kerala by way of order dated October 11, 2022, in the writ petition has restricted ED from issuing further summons and the matter is currently sub-judice. The Hon’ble High Court of Kerala vide order dated December 14, 2023, partly allowed the writ petition and set aside the summonses issued by ED to the officials of the Issuer.

**(b) Directorate General of GST Intelligence investigation**

In connection with the INR Bonds, the Directorate General of GST Intelligence has issued a show cause notice dated May 18, 2022 to the Issuer, requesting the Issuer to provide the reason for not paying service tax on the services received by it from foreign entities under Sections 73 and 50 of the Central Goods and Service Tax Act, 2017, Section 20 of the Integrated Goods and Service Tax Act, 2017 and corresponding provisions of the Kerala State Goods and Service Tax Act, 2017. The Issuer responded to the notice vide its letter dated April 29, 2023 and appeared in the personal hearing on May 2, 2023 conducted by the Additional Commissioner of Central Goods and Service Tax and Central Excise, Thiruvananthapuram (“AC GST”) stating that the concerned services were non-taxable under applicable law. The AC GST passed an order on November 23, 2023 in which the proposals made vide the show cause notice dated May 18, 2022 were confirmed without considering the Issuer’s arguments conclusively (in the Issuer’s opinion). The order of the AC GST is to be challenged by the Issuer in appeal before the Appellate Commissioner within 3 months of receipt of order from the AC GST.

22. **Any litigation or legal action pending or taken by a Government Department or a statutory body during the last three years immediately preceding the year of the issue of prospectus against the promoter of the Issuer:**

Nil.

23. **Details of default and non-payment of statutory dues:**

Nil.

24. **Debenture Trustee:**

The Debenture Trustee for the Issue of Debentures proposed to be issued under this Information Memorandum shall be Catalyst Trusteeship Limited. The Debenture Trustee has given its written consent for its appointment as debenture trustee and inclusion of its name in the form and context in which it appears in this Information Memorandum for the Issue of Debentures. The Debenture Trustee has given their consent to the Issuer to act as trustee for the Debenture Holders under the Securities and Exchange Board of India (Debenture Trustee) Regulations, 1993.

The consent letter dated September 25, 2023, from the Debenture Trustee is attached as **Annexure C** (*Consent of Debenture Trustee*) to this Information Memorandum.

25. **If the security is backed by a guarantee or letter of comfort or any other document / letter with similar intent, a copy of the same shall be disclosed. In case such document does not contain detailed payment structure (procedure of invocation of guarantee and receipt of payment by the investor along with timelines), the same shall be disclosed in the offer document**

The Debentures are guaranteed by an irrevocable and unconditional guarantee issued by the Government of Kerala. A copy of the government orders dated November 16, 2023, issued by Government of Kerala approving the extension of such unconditional and irrevocable guarantee is annexed as **Annexure F** (*Guarantee Details*) to this Information Memorandum.

26. **Disclosure of Cash flow with date of interest/dividend/ redemption payment as per day count convention:**

(a) **The day count convention for dates on which the payment in relation to non-convertible securities which need to be made:** Actual/Actual.

(b) **Procedure and time schedule for allotment and issuance of securities:**

- (g) Exercise of any rights, privileges and obligations as set out above in sub-paragraphs (a) to (f) above under this paragraph ‘*Deduction of Tax at source on interest on the Debentures*’ of Part 9 (*Issue Procedure*) from time to time by the Debenture Holders, Debenture Trustee and / or the Issuer (as may be applicable) shall at all times be subject to applicable law (including but not limited to provisions on timelines for submission of documents).

## **Transfers**

The Debentures shall be transferable freely to all classes of investors eligible to purchase these Debentures subject to applicable law and the rules and regulations governing their investments. Subject to the foregoing, the Debentures may be transferred and/or transmitted in accordance with applicable law. The Debentures held in dematerialised form shall be transferred subject to and in accordance with the rules/procedures as prescribed by depositories and the relevant depository participants of the transfer or transferee and any other applicable laws and rules notified in respect thereof. The transferee(s) should ensure that the transfer formalities are completed prior to the Record Date. In the absence of the same, coupon will be paid/redemption will be made to the person, whose name appears in the register of Debenture Holders maintained by the Depositories. In such cases, claims, if any, by the transferees would need to be settled with the transferor(s) and not with the Issuer.

Provided further that nothing in this Part 9 (*Issue Procedure*) shall prejudice any power of the Issuer to register as Debenture Holder, any person to whom the right to any Debenture has been transmitted by operation of law.

The normal procedure followed for transfer of securities held in dematerialized form shall be followed for transfer of these Debentures held in electronic form. The transferor should give delivery instructions containing details of the transferee’s depository participant account to his depository participant. The Issuer undertakes that there will be a common transfer form/procedure for transfer of debentures.

The Debentures shall be issued only in dematerialised form in compliance with the provisions of the Depositories Act, 1996 (as amended from time to time), any other applicable regulations (including of any relevant stock exchange) and these conditions. No physical certificates of the Debentures would be issued.

Notwithstanding anything contained herein, no Debenture shall be transferred to any person who is not eligible under applicable law to hold the Debentures.

## **Title**

The person for the time being appearing in the Register of Beneficial Owners maintained by the Depository shall be treated for all purposes by the Issuer, the Debenture Trustee, the Depositories and all other persons dealing with such person as the holder thereof and its absolute owner for all purposes.

### **Right of the Issuer to Purchase and Re-sell Debentures**

The Issuer may, subject to applicable laws, at any time and from time to time, purchase Debentures issued under this Information Memorandum at discount, at par or premium in the open market. Such Debentures, at the option of the Issuer, be cancelled, held or resold at such a price and on such terms and conditions as the Issuer may deem fit and as permitted by applicable laws.

### **Debenture Trustee**

The Issuer has appointed Catalyst Trusteeship Limited as the Debenture Trustee for the Issue. All the rights and remedies of the Debenture Holders shall vest in and shall be exercised by the Debenture Trustee without referring to the Debenture Holders. All Debenture Holders are deemed to have irrevocably given their authority and consent to Catalyst Trusteeship Limited to act as their Debenture Trustee and for doing such acts and signing such documents to carry out their duty in such capacity. Any payment by the Issuer to the Debenture Trustee on behalf of the Debenture Holders shall discharge the Issuer *pro tanto* to the Debenture Holders. The Debenture Trustee shall carry out its duties and shall perform its functions in accordance with all applicable laws and regulations including without limitation the SEBI NCS Regulations and the Debenture Trustee Regulations as well as the Debenture Trust Deed and this Information Memorandum, with due care, diligence and loyalty. Resignation/retirement of the Debenture Trustee shall be in accordance with terms of the Debenture Trust Deed entered into/to be entered between the Issuer and the Debenture Trustee and a notice in writing to the Debenture Holders shall be provided for the same.

The Debenture Trustee shall ensure disclosure of all material events on an ongoing basis. The Debenture Trustee will protect the interest of the Debenture Holders on the occurrence of an event of default by the Issuer in regard to timely payment of interest and repayment of principal and they will take necessary action at the Issuer's cost as provided in the Debenture Trust Deed.

### **Rights of Debenture Holders**

The Debenture Holders shall not be entitled to any right and privileges of members other than those available to them under applicable law. The Debentures shall not confer upon the holders the right to receive notice(s) or to attend and to vote at any general meeting(s) of the members of the Issuer.

### **Sharing of Information**

The Issuer may, at its option, but subject to applicable laws, use on its own, as well as exchange, share or part with any financial or other information about the Debenture Holders available with the Issuer, with its subsidiaries and affiliates and other banks, financial institutions, credit bureaus, agencies, statutory bodies, as may be required and neither the Issuer nor its subsidiaries and affiliates nor their agents shall be liable for use of the aforesaid information.

## **PART 10: DECLARATION**

### **Declaration by the Issuer**

The Issuer hereby declares that this Information Memorandum contains full disclosure in accordance with SEBI NCS Regulations and provisions of applicable law.

The Issuer also confirms that this Information Memorandum does not omit disclosure of any material fact which may make the statements made therein, in the light of the circumstances under which they are made, misleading. The Information Memorandum also does not contain any false or misleading statement. The Issuer accepts no responsibility for the statements made otherwise than in this Information Memorandum or in any other material issued by or at the instance of the Issuer and that anyone placing reliance on any other source of information would be doing so at his own risk.

## **Agenda 1 - Approval for final coupon/interest rate and arranger fee for the proposed Domestic Bond**

The 46<sup>th</sup> Board accorded approval for the issuance of unsecured, rated, redeemable, taxable non-convertible bonds in one or multiple tranches for an aggregate issue size of Rs 1500 Cr. The board vide the foregoing resolution had also approved the term sheet for the Domestic Bonds. Board further authorised the Investment Management Committee (“IMC”) to:

- Approve any changes in the transaction documents including the terms and conditions of the Domestic Bonds,
- Finalize and approve the final coupon / interest rate of the proposed Domestic Bonds,
- Approve the fees to be paid to the arrangers,
- Approve the allotment of the Green Domestic Bonds (or any part thereof); and
- Take all other actions as may be required pursuant to the foregoing and to do all such acts, deeds, matters and things as may be required in respect of the Domestic Bonds.

Basis the approval from the Board, KIIFB had engaged all the third parties and account bank. Further the RFP for the selection of Merchant Banker/ Arranger, as approved by the KIIFB Board was floated on 16/11/2023.

Last date for receipt of quotes was at 11.00 am on 24/11/2023 and was opened at 11.15 am on 24.11.2023. Within the stipulated time, three firms have submitted their quotes viz. AK Capital Service Ltd, Trust Investment Advisors Pvt Ltd and Tipsons Consultancy Services Pvt Ltd.

The Technical Evaluation committee ( Chaired by Shri. S Manoj ( JFM) , and Shri. Reji John( DFM), Shri. Ajosh Krishnakumar(DGM) & Shri. Shiju P Kumar (Accounts Officer) as members) held its meeting at 11.30 am on 24/11/2023. After having a fair and impartial evaluation strictly in compliance with the Terms and Conditions of the RFP decided all bidders have

qualified for the Financial Bid Opening. The Committee decided to open the financial bids of technically qualified bidders at 12.15 PM on 24/11/2023.

The financial bids were opened at 12.15 PM. A summary of the bids submitted by the three technically qualified bidders are as follows.

<b>Sl.No</b>	<b>Name of the firm</b>	<b>Commitment Amount</b>	<b>Coupon rate (quarterly)</b>	<b>Arranger Fee</b>	<b>IRR</b>	<b>Bid Rank</b>
1	Tipsons Consultancy Services	500.01 Cr	9.20%	0.95%	9.73%	L1
2	AK Capital Services	500.01 Cr	9.20%	0.95%	9.73%	L1
3	Trust Investment Advisors	500.01 Cr	9.20%	0.95%	9.73%	L1

Since all three firms have offered the same IRR, the committee decided to treat all three firms as L1 bidder. Later basis the orders of the CEO, KIIFB, the Technical Committee held a negotiation with all three bidders and as a result of the negotiation, all three bidders have agreed to reduce the coupon rate to 8.95 % and the arranger fee to 0.84% resulting in an IRR of 9.43 %. Accordingly, the revised bids were received on 25/11/2023.

<b>Sl.No</b>	<b>Name of the firm</b>	<b>Commitment Amount</b>	<b>Coupon rate (quarterly)</b>	<b>Arranger Fee</b>	<b>IRR</b>
1	Tipsons Consultancy Services	500.01 Cr	8.95%	0.84%	9.43%
2	AK Capital Services	500.01 Cr	8.95%	0.84%	9.43%
3	Trust Investment Advisors	500.01 Cr	8.95%	0.84%	9.43%

Accordingly, KIIFB obtained a firm commitment from all three bidders for Rs 500.01 Crore each (minimum commitment amount as per the RFP).

IMC may kindly note that basis the forgoing firm commitment from three bidders, KIIFB has firm commitment in place for Rs 1500.03 Cr (which is the aggregate issue size as approved by the 46<sup>th</sup> General Body of KIIFB) at a quarterly coupon of 8.95%. However since the board approved issue size is 1499.96 Crores, we may limit cumulative firm commitments to this level. Accordingly, the following allocation is proposed giving priority based on the league table.

Sl.No	Name of the firm	Commitment Amount	Coupon rate (quarterly)	Arranger Fee	IRR
1	Trust Investment Advisors	500.01 Cr	8.95%	0.84%	9.43%
2	AK Capital Services	500.01 Cr	8.95%	0.84%	9.43%
3	Tipsons Consultancy Services	499.94 Cr	8.95%	0.84%	9.43%

**Point for decision:**

- IMC may accord approval to the revised term sheet (enclosed) to give effect to the change in base issue size for the proposed Domestic Bonds to Rs 1499.96 Cr with no green shoe option.

- IMC may accord approval to the appointment of AK Capital Service Ltd, Trust Investment Advisors Pvt Ltd and Tipsons Consultancy Services Pvt Ltd as arrangers for the issue of Domestic Bonds at a coupon rate of 8.95%, arranger fee of 0.84% and IRR of 9.43%.

	<p>The Issuer would, starting from the 1<sup>st</sup> day of each quarterly servicing cycle remit, by way of irrevocable standing instruction to the collection bank, on every working day, an amount equivalent to 2% of the aggregate servicing requirement for such quarterly servicing cycle of the outstanding bonds to the KIIFB Bond servicing Account until the required debt servicing amount for the said quarter is fully built in the KIIFB Bond Servicing Account.</p> <p>For the period of 1<sup>st</sup> January to 31<sup>st</sup> March the issuer, by way of</p>

	<p>standing instruction, shall transfer an upfront amount on 1<sup>st</sup> January each year to the KIIFB Bond Servicing Account equivalent to the amount required towards the aggregate daily transfer amounts for the said period.</p> <p>The said irrevocable standing instruction shall be given upfront by the Issuer to the bank for the entire tenure of the bonds i.e. 10 years.</p> <p>On the first day of every quarterly payment cycle, Issuer shall also maintain a Fixed Deposit in a Scheduled Public Commercial Bank, at least to the extent of the interest obligation on immediately succeeding quarterly payout date &amp; principle redemption amount of one quarter and create/maintain charge/lien on the same in favour of the Debenture Trustee at all the times.</p> <p>Although redemption shall start from the 13th quarter, the DSRA of one quarter principle redemption amount starting from 13th Quarter along with the interest obligation of one succeeding quarter shall be created upfront only.</p> <p>The initial FD shall be created one day before the pay-in date. The Debenture Trustee would have an irrevocable authorization from the Issuer to liquidate an amount out of the said Fixed Deposit to the extent of any shortfall in the bond servicing account, 7 days prior to any quarterly servicing date i.e. T-7 day. The said Fixed Deposit shall be created by the Issuer from the receivables of the Issuer from allocation of MVT &amp; Petroleum cess.</p>
Permitted Investments	<p>The funds in the Escrow Account and DSRA till such time being utilized would be allowed to be invested in permitted investments in Fixed Deposits with Scheduled Commercial Banks and units of Debt Mutual Fund Schemes of highest possible investment grade rating as defined below:</p> <ul style="list-style-type: none"> <li>• Fixed Deposits with nationalized/ Public Sector banks featuring in the top 10 PSU banks in terms of total asset size and having either short term rating of A1+ or a long-term rating of AAA</li> <li>• Fixed Deposits with private sector banks featuring in the top 10 private sector banks in terms of total asset size and having short term rating of A1+ and a long-term rating of AAA</li> <li>• Investments in units of debt mutual funds schemes of highest possible investment grade rating.</li> </ul> <p>These investments would be made &amp; liquidated by the Debenture Trustee as per the instruction of the Issuer from time to time.</p>
Collateral Support Structure	<p>The bonds would have further collateral support by way of Unconditional &amp; Irrevocable guarantee as a continuing obligation by the Government of Kerala.</p>

<p>Structured Payment Mechanism</p>	<p>The Issuer would be required to adequately fund the KIIFB Bond Servicing account through periodic transfer of funds received by it from MVT and Petroleum cess allocation. The Issuer would, starting from the 1<sup>st</sup> day of each quarterly servicing cycle remit, by way of irrevocable standing instruction to the collection bank, on every working day an amount equivalent to 2% of the aggregate servicing requirement for such quarterly servicing cycle of the outstanding bonds to the KIIFB Bond servicing Account until the required debt servicing amount for the said quarter is fully built in the KIIFB Bond Servicing Account. The Debenture Trustee shall independently monitor the amounts required for servicing of the bonds (principal and/or interest as the case may be) in the KIIFB Bond servicing account 7 days prior to the relevant servicing date (T-7).</p> <p>The Debenture Trustee should independently monitor the adequacy of availability of such fund in the Bond Servicing Account 7 days prior to the relevant servicing date (T-7), and in case of any inadequacy, fund the same through liquidation of the Fixed Deposit to the extent of such shortfall.</p>
	<p>However, if due to any reason, it is not possible to fully fund the bond servicing account by T-5th day, the Debenture Trustee should advise the Issuer to immediately bridge the shortfall, under intimation to the State Government.</p> <p>In the event of shortfall still persisting on T-3rd day, the Debenture Trustee would transfer the requisite funds from the DSRA to bridge the gap.</p> <p>This event of DSRA impairment should be immediately notified to the Government of Kerala by the Debenture Trustee on the next day.</p>

<p>Remedial Action Consequential to Impairment of DSRA</p>	<p>In case of any event, on any payout date (T) leading to the funds available in DSRA being lower than the “Required DSRA Amount” (as defined above in DSRA section), a notice would be served to KIIFB by the Debenture Trustee on the next day (T + 1) to fully replenish the DSRA impairment through transfer of requisite amount from the corpus fund within 5 days (T + 6).</p> <p>In the event of DSRA not getting fully reinstated, the Debenture Trustee would notify the state government about its intention for invocation of the guarantee if the shortfall is not fully bridged within the next 21 days (T + 27).</p> <p>If the irregularity continues beyond the above timeline, the Debenture Trustee shall invoke the State Government Guarantee on the next day (T + 28) to the extent of such shortfall in DSRA from the stipulated level.</p> <p>The Deed of Guarantee would specifically provide obligation on the part of the State Government to fund the shortfall in DSRA when called upon by the Debenture Trustee, as per the above stipulated timeline. If the Guarantee obligations are not met by the State Government within 30 days of Guarantee invocation, it would be construed as an Event of Default.</p>
<p>Guarantor</p>	<p>Government of Kerala</p>
<p>Step Up Coupon Rate</p>	<p>In case of any rating downgrade, the Issuer shall inform the Debenture Trustee of the rating downgrade on the immediately next calendar day.</p> <p>25 basis points as step up coupon for rating downgrade (by any one of the rating agencies), from rating at the time of issuance, of every notch. For avoidance of doubt it is clarified that in case, credit rating available from each of the rating agencies are different, the lowest credit rating available shall be considered for the purpose of levying the step up coupon.</p> <p>Any rating downgrade below [AA-] (i.e., A+ or below) (a two-notch credit rating downgrade or any subsequent credit downgrade therefrom from the credit rating allotted at the time of issuance of the bonds by a rating agency) will give each bond holder the right to either exercise additional 25 bps step up coupon rate or exercise the put option for premature redemption subject to applicable laws and regulations.</p> <p>In case rating is downgraded below [AA-] (i.e. A+ or below, a two-notch credit rating downgrade (or any subsequent downgrade therefrom) from the credit rating allotted at the time of issuance of the bonds by a rating agency), each bond holder can exercise the put option within 30 days from the date the Issuer informs Debenture Trustee of the rating<sup>12</sup> downgrade.</p>

	<p>KIIFB shall repay the full outstanding amount of the bonds to such bond holders exercising the put option, including principal and interest from the said corpus fund within 7 days from the date of closure of said timelines of 30 days, failing which the same will be construed as an event of default. Further, in respect of the bond holders that do not exercise the put option as set out above, existing step-up coupon shall be enhanced by additional 25 basis points on the bonds held by such bond holders.</p> <p>It is clarified that such higher coupon rates would be effective only from the date of downgrade.</p> <p>In case post downgrade of rating, any upgrade in future will have rates reversed effective from the date of such upgrade, subject to minimum initial coupon rate.</p>
Cross Default / Acceleration	<p>In case of Cross default/Acceleration under agreements for any financial indebtedness of the issuer or its subsidiaries, issuer shall repay to the bond holders the entire amount of the outstanding bonds from the corpus fund within 7 days from the date of occurrence of such cross default/acceleration under agreements, failing which it shall constitute an Event of Default (EOD) for the bonds.</p>
Events of Default	<ul style="list-style-type: none"> <li>a. Non-payment of any bond servicing obligation on due date.</li> <li>b. ## **Agenda 2     Presentation of Investment Monitoring Report**

Investment Monitoring Report, basis the template approved by the 4th Investment Management Committee, duly capturing the following details is enclosed as Annexure II

- Bank wise Fixed Deposits maintained.
- Maturity profiles of Fixed Deposits Bank wise.
- Total exposure bank wise over total funds
- Total funds

Currently the investment monitoring report is being discussed in IMC meetings. While approving the template of investment monitoring report in 4th IMC, it was proposed to submit the report to IMC members vide e-mail on a quarterly basis. 5th meeting of IMC had a detailed discussion on the Investment Monitoring report and the general feeling of the committee was that mere sending the report to the members over e-mail does not serve any meaningful purpose. Hence it is proposed to submit the report in every IMC meetings.

For deliberation of the committee.

### **Point for decision:**

The investment monitoring report may be presented in every IMC meeting.

*Dear Sir/Madam,*

***Re: Rating Letter for NCD of Kerala Infrastructure Investment Fund Board***

India Ratings and Research (Ind-Ra) has taken the following rating actions on Kerala Infrastructure Investment Fund Board's (KIIFB) proposed non-convertible debentures (NCDs) as follows:

Instrument Type	Size of Issue (million)	Rating/Outlook	Rating Action
Proposed NCDs#	INR8,000.0	Provisional IND AA(CE)/Stable	Assigned
Proposed NCDs#	INR6,999.8	Provisional IND AA(CE)/Stable	Affirmed
NCDs	INR3,000.2	IND AA(CE)/Stable	Affirmed
Unsupported Rating\$	-	IND A-/Stable	Affirmed

# The rating on the proposed NCDs is provisional and pending execution of documents. The final rating, upon the receipt of executed documents consistent with the draft documents, shall be assigned within 90 days from the date of issuance of the instrument. The provisional rating may be extended by another 90 days, subject to Ind-Ra's policy, if the execution of the documents is pending. In the absence of the documentation considered while affirming the provisional rating, the agency would have rated the proposed NCDs at 'IND A-'.

\$ Ind-Ra has assigned an unsupported rating in compliance with the Securities Exchange Board of India's circular dated 13 June 2019, which requires credit rating agencies to disclose unsupported ratings without factoring in the explicit credit enhancement (CE) and supported rating after factoring in the explicit CE.

In issuing and maintaining its ratings, India Ratings relies on factual information it receives from issuers and underwriters and from other sources India Ratings believes to be credible. India Ratings conducts a reasonable investigation of the factual information relied upon by it in accordance with its ratings methodology, and obtains reasonable verification of that information from independent sources, to the extent such sources are available for a given security.

The manner of India Ratings factual investigation and the scope of the third-party verification it obtains will vary depending on the nature of the rated security and its issuer, the requirements and practices in India where the rated security is offered and sold, the availability and nature of relevant public information, access to the management of the issuer and its advisers, the availability of pre-existing third-party verifications such as audit reports, agreed-upon procedures letters, appraisals, actuarial reports, engineering reports, legal opinions and other reports provided by third parties, the availability of independent and competent third-party verification sources with respect to the particular security or in the particular jurisdiction of the issuer, and a variety of other factors.

Users of India Ratings ratings should understand that neither an enhanced factual investigation nor any third-party verification can ensure that all

of the information India Ratings relies on in connection with a rating will be accurate and complete. Ultimately, the issuer and its advisers are responsible for the accuracy of the information they provide to India Ratings and to the market in offering documents and other reports. In issuing its ratings India Ratings must rely on the work of experts, including independent auditors with respect to financial statements and attorneys with respect to legal and tax matters. Further, ratings are inherently forward-looking and embody assumptions and predictions about future events that by their nature cannot be verified as facts. As a result, despite any verification of current facts, ratings can be affected by future events or conditions that were not anticipated at the time a rating was issued or affirmed.

India Ratings seeks to continuously improve its ratings criteria and methodologies, and periodically updates the descriptions on its website of its criteria and methodologies for securities of a given type. The criteria and methodology used to determine a rating action are those in effect at the time the rating action is taken, which for public ratings is the date of the related rating action commentary. Each rating action commentary provides information about the criteria and methodology used to arrive at the stated rating, which may differ from the general criteria and methodology for the applicable security type posted on the website at a given time. For this reason, you should always consult the applicable rating action commentary for the most accurate information on the basis of any given public rating.

Ratings are based on established criteria and methodologies that India Ratings is continuously evaluating and updating. Therefore, ratings are the collective work product of India Ratings and no individual, or group of individuals, is solely responsible for a rating. All India Ratings reports have shared authorship. Individuals identified in an India Ratings report were involved in, but are not solely responsible for, the opinions stated therein. The individuals are named for contact purposes only.

Ratings are not a recommendation or suggestion, directly or indirectly, to you or any other person, to buy, sell, make or hold any investment, loan or security or to undertake any investment strategy with respect to any investment, loan or security or any issuer. Ratings do not comment on the adequacy of market price, the suitability of any investment, loan or security for a particular investor (including without limitation, any accounting and/or regulatory treatment), or the tax-exempt nature or taxability of payments made in respect of any investment, loan or security. India Ratings is not your advisor, nor is India Ratings providing to you or any other party any financial advice, or any legal, auditing, accounting, appraisal, valuation or actuarial services. A rating should not be viewed as a replacement for such advice or services. Investors may find India Ratings ratings to be important information, and India Ratings notes that you are responsible for communicating the contents of this letter, and any changes with respect to the rating, to investors.

It will be important that you promptly provide us with all information that may be material to the ratings so that our ratings continue to be appropriate. Ratings may be raised, lowered, withdrawn, or placed on Rating Watch due to changes in, additions to, accuracy of or the inadequacy of information or for any other reason India Ratings deems sufficient.

Nothing in this letter is intended to or should be construed as creating a fiduciary relationship between India Ratings and you or between India Ratings and any user of the ratings.

In this letter, "India Ratings" means India Ratings & Research Pvt. Ltd. and any successor in interest.

We are pleased to have had the opportunity to be of service to you. If we can be of further assistance, please email us at [infogrp@indiaratings.co.in](mailto:infogrp@indiaratings.co.in)

Sincerely,

India Ratings

<b>Total Outstanding Quantum (Rs. Cr)</b>	1800.00	-	-

**Rating Rationale**

Acuite has assigned the long term rating of **Provisional ACUITE AA (CE) (read as Provisional ACUITE double A (Credit Enhancement))** to the Rs.800 Cr. unsecured non- convertible bonds of KERALA INFRASTRUCTURE INVESTMENT FUND BOARD (KIIFB). The outlook is '**Stable**'.

Acuite has reaffirmed the long term rating of **Provisional ACUITE AA (CE) (read as Provisional ACUITE double A (Credit Enhancement))** to the Rs.699.98 Cr. unsecured non- convertible bonds of KERALA INFRASTRUCTURE INVESTMENT FUND BOARD (KIIFB). The outlook is '**Stable**'.

Acuite has reaffirmed the long term rating of **ACUITE AA (CE) (read as ACUITE double A (Credit Enhancement))** to the Rs.300.02 Cr. unsecured non- convertible bonds of KERALA INFRASTRUCTURE INVESTMENT FUND BOARD (KIIFB). The outlook is '**Stable**'.

The conversion of provisional rating of proposed bond of KIIFB to final rating is subject to:

- Appointment of a SEBI registered Debenture Trustee
- Execution of Debenture Trust Deed
- Receipt of the final term sheet and confirmation from trustee regarding the compliance with all the terms and condition of term sheet

**Rationale for the rating**

The rating factors in the strategic importance of KIIFB to the Government of Kerala (GoKe), as it acts as the nodal agency for infrastructure development in the state of Kerala. The rating also considers the complete ownership of the GoKe and the strength of the board of KIIFB with the Chief Minister as the chairperson and also include the finance minister, chief secretary, and other civil servants and experts. The rating also takes in to consideration the constitution of the Fund Trustee Advisory Commission (FTAC) which monitors the financial stability and fund utilisation of KIIFB. GoKe has to make the necessary budgetary allocations to ensure KIIFB's revenue stream. Transfers from GoKe to KIIFB are as provided for in Section 7 of KIIF Act (as amended in 2016). As per Section 7, GOKe shall make budgetary allocations equivalent to share of MVT and entire quantum of fuel cess collected in the state in the previous year. As per the KIIF Act 2016, all the borrowings made by KIIFB are guaranteed by GoKe.

The final rating derives its strength from the structure, the escrow and payment mechanisms, DSRA and FD and also the corpus fund of ~Rs.2498 Cr, all of which will be utilised only for the issue and hence assure enough liquidity till the complete redemption of the issue.

The rating is partially offset by the financial constraints and widening revenue and fiscal deficits of the Government of Kerala. Also, since KIIFB lends at the average cost of borrowings and also provides fund for the social development of the state in the form of grants, profitability will remain impacted.

### **About the company**

Kerala Infrastructure Investment Fund Board (KIIFB) was established as the principal funding arm of Government of Kerala on 11.11.1999 by the Kerala Infrastructure Investment Fund Act 1999 (Act 4 of 2000). Through various functions provided in the act, KIIFB aims to channel funds for critical and large public infrastructure projects in Kerala. Comprehensive modifications to the Act have been enacted through the Kerala Infrastructure Investment (Amendment) Act, 2016. With the expanded scope and structure provided under the amended Act, KIIFB is now mobilising and channelling funds for facilitating planned, hassle-free, and sustainable development of both physical and social infrastructure, including major land acquisition needs that are integral to development and ensure all round wellbeing and prosperity, using financial instruments approved by the Securities & Exchange Board of India (SEBI) and the Reserve Bank of India (RBI).

KIIFB was established with the main objective of providing investment for critical and large infrastructure projects in Kerala. It acts as the primary agency of the state government to facilitate the development of both the physical and social infrastructure in Kerala and to assist the state government and its agencies in the development of infrastructure in Kerala. KIIFB acts as the main agency of the state government for scrutinising, approving, and funding major infrastructure projects. These infrastructure projects may be revenue generating or non-revenue generating.

### **Unsupported Rating**

Acuite A+/Stable

Post notch up in view of the support from Government of Kerala)

### **Analytical Approach**

Acuite has considered the standalone financial and operational figures of KIIFB and further notched it up for the support from Government of Kerala and the credit enhancement and structured payment mechanisms in place for the issue.

### **Key Rating Drivers**

#### **Strength**

##### **Support from the government of kerala**

KIIFB is the nodal agency for infrastructure development for the Government of Kerala. KIIFB was established with the main objective of providing investment for critical and large infrastructure projects in Kerala. It acts as the primary agency of the state government to facilitate the development of both the physical and social infrastructure in Kerala and to assist the state government and its agencies in the development of infrastructure in Kerala. It is fully owned by GoKe. The GoKe further extends its support in the form of board representation with the Chief Minister as the chairperson, the Finance Minister, the chief secretary, key bureaucrats, and independent members. Further, all the borrowings made by KIIFB are guaranteed by GoKe as per the KIIF Act. GoKe has to make the necessary budgetary allocations to ensure KIIFB's revenue stream. Transfers from GOKe to KIIFB are as provided for in Section 7 of KIIF Act (as amended in 2016). As per Section 7, GOKe shall make budgetary allocations equivalent to the share of MVT and the entire quantum of fuel cess collected in the state in the previous year. These revenues come to KIIFB on a daily basis and fully by the month of December in every financial year, so that there are no liquidity crunches at the end of the financial year affecting the cashflows. The GoKe may also make any additional grants or loans to KIIFB so that KIIFB defrays its debt liabilities as per the KIIF Act.

##### **Close monitoring by FTAC**

The Fund Trustee and Advisory Commission (FTAC) monitors the financial stability and fund utilisation by KIIFB closely. It acts as the trustee to ensure that all investments of the fund serve the purpose and intent of the KIIF Act. The commission consists of eminent members like Shri. Vinod Rai, Chairman, Shri. R.A. Sankara Narayanan and Smt. Uma Shankar. FTAC issues a "Fidelity Certificate" every six months certifying that the application of funds and the investment of surplus funds are in conformity with the Act and KIIFB has adequate resources to meet debt obligations arising in the next 6 months.

##### **Strength of the structure of the issue**

The structure will be closely monitored by the DT and DSRA and FD mechanisms are also in place. The tenure of the bond is ten years, and the principal redemption will start in year four. The issuer would create a DSRA for an amount equivalent to the interest obligation of one succeeding quarter and the principal redemption amount of one quarter. The issuer would need to maintain the required DSRA amount on a rolling basis, and the initial DSRA amount so calculated would need to be deposited at least one day prior to the date of pay in. On the first day of every quarterly payment cycle, Issuer shall also maintain a fixed deposit in a scheduled public commercial bank, at least to the extent of the interest obligation on the immediately succeeding quarterly payout date & principal redemption amount of one quarter, and create, maintain, charge/lien on the same in favour of the Debenture Trustee at all times. The current structure provides for two quarters of interest and repayment obligations through

the DSRA and FD mechanisms upfront.

The escrow mechanism is in place for the bond servicing account, where daily credit equivalent to 2% of the upcoming servicing requirement will happen, from the daily credit of petroleum and MVT Cess share from GoKe, and the entire amount will be credited in 50 working days. For the last quarter of the financial year, the entire servicing requirement will be transferred upfront at the beginning of the quarter.

Further, there is the corpus fund amounting to Rs. 2498.42 Cr. which will only be used for the replenishment of DSRA or redemption of the issue during any windfall event. The corpus fund has to be maintained till the end of the issue period.

The DT will check the availability of funds on the T-7th day and recover any shortfalls through the liquidation of the FD. If the shortfall still remains on the T-5th day, DT will ask the issuer to bridge the shortfall immediately. If the shortfall persists on the T-3rd day, the DT will transfer the funds from the DSRA to bridge the gap. The DSRA utilisation should be notified to the GoKe by the next day. If the impairment of DSRA is not fully replenished on the payout day, on T+1th day, DT will ask the issuer to replenish the DSRA from the corpus fund by T+ 6th day. If the DSRA is not cured on that day, the DT will inform the GoKe its intention to invoke the guarantee if the DSRA is not replenished in next 21 days. If the DSRA is not replenished by T+27th day, DT will invoke the state guarantee. The GoKe has the obligation to replenish the DSRA within the next 30 days. If the DSRA is not replenished on the T+58th day, it will be considered as an event of default.

### **Weakness**

#### **State of the financial health of Government of Kerala**

Since the operations of KIIFB are supported by the GoKe and the revenue stream of KIIFB also derives from the GoKe, the high revenue and fiscal deficits of Government of Kerala can disrupt the operations of KIIFB. GoKe revenue deficit for FY23 (RE) stood at 2% of the GSDP with the fiscal deficit for FY23(RE) at 3.6% of the GSDP. The debt of the GoKe stood at 37.2% of the GSDP for FY23(RE) and interest obligations at 19.3% of the revenue receipts for FY23 (RE). Going forward, the ability of the GoKe to improve its financial stability and the central government's intervention in state borrowing limits will be key monitorables.

#### **Assessment of Adequacy of Credit Enhancement**

Acuite believes that the DSRA structure, FD and escrow mechanism in the bond servicing account along with the corpus fund and guarantee by the GoKe will help in maintaining ample liquidity and mitigating any risk in repayment of the issue.

#### **ESG Factors Relevant for Rating**

KIIFB created its ESG policy in 2021. The main objective of this policy is to address any of the ESG risks and impacts in the projects and make them ESG sustainable for KIIFB and its stakeholders and development partners. KIIFB is committed to adopting global standards and principles of responsible investing, and integrating ESG criteria into its investment approach and decision-making processes. Further, KIIFB also encourages Special Purpose Vehicles (SPVs) or Project Implementation Agencies (PIAs) to manage risks responsibly by working beyond regulatory requirements and moving towards enhanced social value creation. As part of this, KIIFB has adopted a nine step mechanism that includes due diligence, monitoring, and grievance redressal mechanisms to ensure proper ESG standards are maintained in each of its projects and the policy is updated as per the latest trends.

KIIFB has a strong internal governance system in place. KIIFB is headed by the Chief Executive Officer, who also acts as the fund manager of KIIFB. The Board is the highest decision-making body of KIIFB and comprises the Chief Minister, the Finance Minister, the Chief Executive Officer, key bureaucrats, and independent members. The board consists of 13 members, out of whom 6 are independent members.

#### **Rating Sensitivity**

- Changes in GoKe support
- Changes in financial health of GoKe
- Non adherence to the payment structure, for this particular issue
- Deterioration in DSRA, FD or corpus fund or invocation of guarantee, for this particular issue

#### **All Covenants**

KIIFB is subject to the below mentioned financial covenant among other covenants as stipulated by the KIIF Act and various term sheets.

- The Issuer shall ensure that, in respect of any Relevant Period, the Liability Service Coverage Ratio for such Relevant Period shall not be less than 1.1 times.

#### **Liquidity Position**

**Adequate**

KIIFB has maintained adequate liquidity with Rs.5925 Cr. Of Cash and cash equivalent and Rs. 600 Cr of investments in MF. Also, with the ~Rs. 2498 Cr corpus fund along with the FD and DSRA, there is adequate liquidity maintained for the issue.

**Outlook: Stable**

Acuite believes that KIIFB will maintain 'stable' outlook for the near to medium term. The outlook may be changed to 'positive' if there is considerable improvement in the revenue stream or profitability. The outlook may be changed to 'negative' if the revenue stream gets affected due to the financial constraints of GoKe or any shortfall in the liquidity buffers earmarked for the issue.

**Note on complexity levels of the rated instrument**

In order to inform the investors about complexity of instruments, Acuité has categorized such instruments in three levels: Simple, Complex and Highly Complex. Acuite' s categorisation of the instruments across the three categories is based on factors like variability of the returns to the investors, uncertainty in cash flow patterns, number of counterparties and general understanding of the instrument by the market. It has to be understood that complexity is different from credit risk and even an instrument categorized as 'Simple' can carry high levels of risk. # India Ratings Assigns Kerala Infrastructure Investment Fund Board's NCDs 'Provisional IND AA(CE)'/Stable; Affirms Existing Ratings

Nov 10, 2023 | Development Authority

India Ratings and Research (Ind-Ra) has taken the following rating actions on Kerala Infrastructure Investment Fund Board's (KIIFB) proposed non-convertible debentures (NCDs) as follows:

Instrument Type	ISIN	Date of Issuance	Coupon Rate (%)	Maturity Date	Size of Issue (million)	Rating/Outlook	Rating Action
Proposed NCDs#	-	-	-	-	INR8,000.0	Provisional IND AA(CE)/Stable	Assigned
Proposed NCDs#	-	-	-	-	INR6,999.8	Provisional IND AA(CE)/Stable	Affirmed
NCDs	-	-	-	-	INR3,000.2	IND AA(CE)/Stable	Affirmed
Unsupported Rating\$	-	-	-	-	-	IND A-/Stable	Affirmed

#The rating on the proposed NCDs is provisional and pending execution of documents as detailed in Annexure I. The final rating, upon the receipt of executed documents consistent with the draft documents, shall be assigned within 90 days from the date of issuance of the instrument. The provisional rating may be extended by another 90 days, subject to Ind-Ra's policy, if the execution of the documents is pending. In the absence of the documentation considered while affirming the provisional rating, the agency would have rated the proposed NCDs at 'IND A-'.

\$Ind-Ra has assigned an unsupported rating in compliance with the Securities Exchange Board of India's circular dated 13 June 2019, which requires credit rating agencies to disclose unsupported ratings without factoring in the explicit credit enhancement (CE) and supported rating after factoring in the explicit CE.

**ANALYTICAL APPROACH:** The NCD rating reflects the credit profile of the government of Kerala (GoKe), the nature of the pledged revenue, the strength of the structured payment mechanism based on the draft term sheet and the likely adequate debt service coverage.

Ind-Ra has factored in the strong legal and financial linkages between KIIFB and the GoKe. Ind-Ra takes comfort from the unconditional, irrevocable and continuing pre-default guarantee agreement executed between

the GoKe and KIIFB, which will remain in force and effect until the NCDs are fully redeemed. The guarantee is also available to replenish the debt service reserve account (DSRA), if it is utilised to meet debt payment obligations. Basis the pre-default guarantee, a CE suffix is assigned to the rating of the proposed NCDs and the base rating of the transaction is linked to the credit profile of GoKe.

The NCDs' rating is further notched up based on the transaction structure. The rating is based on the unrestricted pledged receivables, in the form of motor vehicle tax (MVT) and cess on petroleum receipts, allocated to KIIFB by the GoKe as per the provisions in the KIIF Act. The rating also factors in the legal and financial strengths of the transaction structure, which will be monitored and controlled by the debenture trustee (DT). The payment mechanism is backed by a bond servicing account (BSA), a pre-funded (initial DSRA to be created one day before the pay-in date) one-quarter DSRA and a fixed deposit sufficient to meet one-quarter debt payment obligations throughout the bond tenor.

Ind-Ra expects the revenue pledged to adequately provide a minimum cover of 1.2x of debt service payments under the rating case scenario without using liquidity buffers in the medium term. The NCDs will be issued at a fixed rate of interest that mitigates the interest rate risk.

**For Existing Bonds** - One-quarter DSRA and a fixed deposit sufficient to meet one-quarter debt payment obligations throughout the bond tenor was created one day before the pay-in date.

## Key Rating Drivers

**Adequacy of Pledged Revenue:** Ind-Ra expects the pledged revenue to comfortably meet the debt service obligations of the bonds throughout the tenor. Under the transaction structure, the MVT and petroleum cess received in KIIFB's collection account, on a daily basis during April to December every year, will be deposited in KIIFB's BSA. The interest servicing and repayment of the bonds will be made from the build-up of such allocated cash flows, through regular transfers, in the bond servicing escrow account.

The transfer to BSA will be done in a manner such that the amount required for servicing NCDs gets fully built up at least seven days prior to quarterly servicing date. The MVT and cess allocation by the GoKe increased at a CAGR of 11% during FY19-FY23. The GoKe is required to ensure that the funds allocated to KIIFB grow at least 10% yoy. For any shortfall in cash flow during a financial year, the structure draws support from the statutory obligation of the government to cover the shortfall under the KIIF Act 2016.

**Structured Payment Mechanism:** The terms of the structure for the proposed NCDs are similar to those of the existing NCDs except for the purpose which is to be changed to Generic Bonds from Green Bonds. Only the already issued bonds worth INR3,000.2 million will remain to be as a Green Bonds. Ind-Ra expects the structured payment mechanism overseen by the trustees to protect the interest of bond holders. Under the structured payment mechanism, from the first day of each quarterly servicing cycle, an amount equivalent to 2% of the aggregate quarterly servicing requirement of the outstanding bonds will be transferred to KIIFB BSA, by way of an irrevocable standing instruction to the collection bank, until the required debt servicing amount is fully built-up (pay-out date (T)) T-7 days before the due date of payment. This transfer will continue on each working day from April to December. For the period of 1 January to 31 March, KIIFB shall transfer an upfront amount on 1 January each year to KIIFB BSA. The upfront amount will be equivalent to the amount required towards the aggregate daily transfer amounts for the said period.

The DT would monitor the adequacy of availability of funds in the BSA, and in case of any inadequacy, fund the same through liquidation of the fixed deposit to the extent of such shortfall (T-7 days). In case of a shortfall in the BSA by T-5 day, the DT would advise KIIFB to immediately bridge the shortfall, under intimation to the state government. If the shortfall persists on T-3 day, the DT would transfer the requisite funds from the DSRA to bridge the gap.

In the event on any T, the funds available in DSRA are lower than the servicing requirement for the immediate next servicing date (T + 91), the DT would serve a notice to KIIFB on T+ 1 day to fully replenish the DSRA impairment through the transfer of requisite amount from the corpus fund within T+6 days.

**Transaction Structural Features:** The transactional structure for the proposed NCDs is same as that for the existing NCDs. The bonds are secured by an exclusive charge on KIIFB's BSA, DSRA account and fixed deposit in favour of the DT. KIIFB has extended an unconditional and irrevocable undertaking that in the event of DSRA is utilised for meeting any debt servicing requirement on the proposed NCDs, it would arrange to release requisite amount from the corpus fund to replenish DSRA. As per the undertaking, KIIFB would not impair this corpus fund in any way during the tenor of the NCDs and an amount of INR24,984.2 million (at end-March 2023) would always be maintained as the corpus to fully reinstate DSRA. There would be no charge or lien on the corpus fund in favour of the DT. However, the DT would monitor the corpus fund.

In case of cross default/acceleration under agreements (subject to relevant cure periods) for any financial indebtedness of KIIFB or its subsidiaries, KIIFB would repay to bond holders the entire amount of the outstanding bonds from the corpus fund within seven days from the date of occurrence of such cross default/acceleration, failing which it shall constitute an event of default for the bond.

### **Adequacy of Credit Enhancement**

**1) DSRA Shortfall Guarantee from GoKe:** The GoKe has extended a guarantee to fund a DSRA shortfall within the specified timeline. In the event of the DSRA not getting fully reinstated by T+6 days, the DT would notify the state government about its intention for an invocation of the guarantee if the shortfall is not fully bridged by T+27 days. The deed of guarantee would specifically provide obligation on the part of the GoKe to fund the shortfall in DSRA the when called upon by the DT, as per the above stipulated timeline. If the guarantee obligations are not met by the GoKe within 30 days of guarantee invocation, it would be construed as an event of default, as per terms of the transaction. Ind-Ra, in its analysis, has stressed the GoKe's credit profile by considering a sizeable portion of the guarantee to devolve. As per Ind-Ra's analysis, the guarantor, even in the stress scenario, is likely to meet all the guaranteed debt obligations.

**2) State Government Guarantee:** The guarantee is unconditional and irrevocable and is a continuing obligation. The guarantee will remain in force and effect until NCDs are fully redeemed.

**Liquidity Indicator - Adequate:** Liquidity is supported by daily transfers of MVT and petroleum cess, which are escrowed for debt servicing. KIIFB had surplus liquidity of INR28,000 million by way of a corpus fund at FYE23 (audited). The total liquidity available with KIIFB, including cash and bank balances, DSRA deposits for existing debt, corpus fund and investments, was INR65,000 million at FYE23. The proposed and existing NCDs benefit from the liquidity buffers by way of a one-quarter pre-funded DSRA and fixed deposit to the extent of interest obligations of one succeeding quarter and a principal redemption amount of one quarter upfront that would be maintained throughout the tenure of the NCDs. In accordance with the terms of the structure, one quarter DSRA and one quarter debt payment obligations in the form of a fixed deposit amounting to INR171.35 million each have been created for existing NCDs. This is equivalent of one-quarter debt payment obligations that is required to be maintained throughout the tenor of NCDs.

The corpus fund can be utilised for the purpose of DSRA replenishment, put option on a critical rating downgrade notice, cross default mandatory redemption and early redemption (in the event that the issuer is required to replenish any shortfall in DSRA for the third consecutive quarter). Ind-Ra expects the cash DSCR for FY24 to be comfortably above 1.3x of the debt service payments based on the rating case scenario (FY23: 3.13x; FY22: 2.49x (includes liquidity buffers such as cash & bank balances and investments)).

**Kerala's Moderate Economic Performance:** The share of agriculture and industry in the state economy is lower and the share of services is higher than their respective shares in the national economy. The share of industry in Kerala was lower at 27.6% than 31.4% at the national level in FY22. The share of services was higher at 63.3% than the sector's share in the national economy at 53% in FY22. With a CAGR growth rate of 4.0%, Kerala's economy grew slower than all India gross value-added (GVA) growth rate of 5.5% during FY12-FY22. Kerala's capital expenditure grew at a CAGR of 9.9% during FY18-FY22 (RE). The state's contribution to the national economy was 4.0% in FY22 (FY21: 3.9%).

**Moderate Fiscal Position of State:** According to the RE for FY23, the revenue balance clocked a deficit of 2% against the budget estimate (BE) of a deficit of 2.3% of GSDP. The revenue deficit was lower than the budgeted levels due to a shortfall in both revenue receipts and revenue expenditure. The fiscal deficit/GSDP ratio, however, was lower at 3.6% in FY23RE than the BE of 3.9%, due to the better-than-budgeted nominal GSDP. For FY24, the state government expects the revenue deficit to be 2.1% and the fiscal deficit to be 3.5% of the GSDP.

**Low Revenue Risk:** Ind-Ra does not rule out the possibility of a reduction of MVT due to adverse economic situation, which may pan out during the bond tenor, and a reduction in petroleum cess due to a shift to electrical vehicles. However, the liquidity buffers by way of a fixed deposit and DSRA and an unconditional, irrevocable and continuing guarantee by the GoKe toward DSRA replenishment under the transaction structure mitigate the risk from inadequate cash flows for debt payments. Ind-Ra believes the GoKe would ensure the budgetary allocation to KIIFB by way of MVT and cess is adequate to meet its debt servicing obligations and fund infrastructure development activity.

**Unsupported Rating Based on Government Ownership and Control:** Ind-Ra has classified KIIFB as a dependent public sector entity under its Rating of Public Sector Entities criteria. The unsupported rating considers the legal status of the entity, the significant control exercised by the GoKe over its policy objective; and the composition and functioning of the board. KIIFB is fully owned by the GoKe. The government has enacted the necessary legislation to enable the board to mobilise funds for the infrastructure development of Kerala. The GoKe exercises significant control over the working of KIIFB through its board, which comprises senior state government officials along with independent members. As per section 7 of Kerala Infrastructure Investment Fund (Amendment) Act, 2016 on Budgetary Allocation for repayment, the GoKe from time to time will provide in its annual budget the expenses incurred for the payment of annuity and other obligations of KIIFB in the form of MVT and petroleum cess. The GoKe may further make grants, loans and advances available to the fund as it may deem fit.

## Rating Sensitivities

### CE rating:

**Positive:** Any improvement in the credit profile of the GoKe will be positive for the ratings.

**Negative:** The following developments could, individually or collectively, lead to a negative rating action:

- deterioration in the credit profile of GoKe
- the minimum DSCR falling below 1.2x for two consecutive years during the bond tenor
- continuous dipping into liquidity buffers for two consecutive quarters
- the invocation of the GoKe guarantee

### Unsupported Rating:

**Positive:** Any improvement in the credit profile of the GoKe will be positive for the rating.

**Negative:** A negative rating action could result, individually or collectively, from

- a weakening of the linkages with the GoKe
- deterioration in the GoKe's credit profile

## ESG Issues

**ESG Factors Minimally Relevant to Rating:** Unless otherwise disclosed in this section, the ESG issues are credit neutral or have only a minimal credit impact on KIIFB, due to either their nature or the way in which they are being managed by the entity. ## Company Profile

KIIFB, a body corporate created by the Kerala Infrastructure Investment Fund Act 1999 (Act 4 of 2000), came into existence on 11 November 1999 as the principal funding arm of the GoKe. The main objective of KIIFB is to provide investments for critical and large infrastructure projects in the state of Kerala. Later, comprehensive modifications to the Act have been made through the Kerala Infrastructure Investment Fund (Amendment) Act, 2016. With the expanded scope and structure, KIIFB dynamically mobilises funds for the infrastructure development of Kerala. This also includes major land acquisition needs for infrastructure development. KIIFB resorts to the advanced financial instruments approved by the Securities and Exchange Board of India and the Reserve Bank of India to ensure the development of sustainable infrastructure in Kerala.

## INDEPENDENT AUDITOR'S REPORT

To  
The Members of Kerala Infrastructure Investment Fund Board,  
Thiruvananthapuram

### Opinion

We have audited the financial statements of Kerala Infrastructure Investment Fund Board (hereinafter referred to as the 'Board'), which comprise the Balance Sheet as at March 31st 2021, the Profit and Loss account and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the state of affairs of the Board as at March 31, 2021, and of its Nil loss and its cash flows for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Board in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### Emphasis of Matter

We draw attention to the following matters described in the Notes to accounts of the financial statements:

- (i) As stated in Note No.4.2 to the accounts, crediting of interest received of Rs. 142,80,41,956 attributable to funds invested out of corpus/statutory contribution received from GoK directly to the corpus fund - revolving account based on resolution of the board taken in the preceding year is in line with the provisions of KIIFB Act, which stipulates that corpus fund (including interest thereon) has to be used exclusively for meeting the objectives of the Act. The above amounts has been worked out pro rata in the proportion of cash inflow from statutory contribution from GoK received during the year and additional loans received from various sources as per the cash flow statement.

- (ii) As stated in Note No 27 to the accounts,
- (a) Interest income amounting to Rs.85,76,20,484 is recognised at an estimated rate (being at a rate applicable for other comparable cases or based on the interest rates agreed upon at the time of sanction of loan) on loans given for revenue generating projects for which agreements are pending to be entered into fixing the rate of interest.
  - (b) Interest rate would be fixed on entering into loan agreement only upon reaching 40% stage of disbursement as per the terms of the tripartite agreement. On facts of the case, many of the projects financed with long gestation period are yet to be completed as at the year end. As per the terms of the loan sanctioned, the repayment of principal and interest commences on completion of moratorium period. There have been certain significant time overrun on some of the projects due to the impact of covid 19. The interest is payable by the borrower regardless of completion of project and is also not contingent on the project earning any revenue.
- (iii) As stated in Note No 8.2 to the accounts, balances under Sundry creditors for expense include an amount of Rs. 4,68,35,097 which are subject to confirmation/reconciliation and adjustment, if any, required which will be done in succeeding year on reconciliation. As stated in Note No 16.2 to the accounts, balance in advances and receivable includes an amount of Rs.1,40,61,748 due from vendors for goods/services subject to reconciliation which includes an amount of Rs.1,40,19,729/- outstanding for more than one year.
- (iv) As stated in Note No 25 to the accounts, C&AG in their report under Section 14 of C&AG Act for the period from 1.1.2016 to 31.3.2020 has taken a view that cost incurred on development of Software for KSFE Pravasi Chity cannot be accounted under intangible asset due to control of software being vested with KSFE. According to the management, on facts of the case the ownership and control is vested with KIIFB only and entire economic benefits of the scheme is shared by KIIFB. Hence the aggregate cost of development of software amounting to Rs 18,47,51,211 (including Rs.1,49,61,625 incurred during the year) is treated as intangible asset based on consideration of proposal by the Board at its 31st meeting held on 30.11.2017. It was explained that the agreement with KSFE would be entered into fixing other terms and conditions as stipulated in Memorandum of Agreement (MoA) in due course.

Our opinion is not modified in respect of these matters.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

<b>Key Audit Matters</b>	<b>How addressed in Audit</b>
The Board did not have a formal internal audit system in force during the year for conducting verification of transactions to ensure adherence to laid down procedures and also to ensure the effectiveness of internal control/checks with regard to various segment of activities/ operations. There was also no standard operating procedures in force during the year.	We have obtained an understanding of the Board's internal control system. We tested the design, implementation and operating effectiveness and also carried out substantive audit procedures on a sample basis of the Board's significant internal controls which are critical to financial reporting.  We also tested key automated and manual internal controls relevant to the audit that would materially impact the financial statements and no material deficiencies have been noted on such verification.  Further, as stated in Note No 35 to the financial statements, the Board has considered the need of internal audit and tendering process for appointment of Internal auditor is initiated during the year on the basis of risk based internal audit framework got prepared by a firm of chartered accountants. Standard operating procedures for carrying out transactional activities have also been prepared and duly approved by the board, which will be implemented in the year 2021-22.
As stated in Note no 4.2 to the accounts, Interest income received of Rs. 142,80,41,956 in respect of investment out of surplus funds of Corpus fund/statutory contribution has been credited to corpus fund – revolving as per resolution of the Board taken during the preceding year.	Since interest earned out of investment of corpus funds/statutory contribution is to be exclusively used for meeting the objectives of the Act, it partakes the same nature as the fund and is therefore to be credited to fund account only. Such interest has been arrived on pro rata basis by identifying the source of funds from cash flow.

As stated in Note No. 27 to the financial statements,

(i) Interest income amounting to Rs.85,76,20,484 is recognised on loans given for revenue generating projects at an estimated rate (applicable to comparable loans or based on the interest rates agreed upon at the time of sanction of loan) in respect of which agreements are pending to be entered into.

(ii) As per tripartite agreement entered into between KIIFB, SPV and respective Administrative Department, the loan agreement fixing the rate of interest is to be executed only upon completion of 40% of the project disbursement. On facts of the case, many of the projects financed with long gestation period are yet to be completed as at the year end. As per the terms of the loan sanctioned, the repayment of principal and interest commences on completion of moratorium period. There has been certain significant time overrun on some of the projects due to the impact of covid 19. Interest is payable by the borrower as per terms of agreement as above regardless of completion of project and is also not contingent on the project earning any revenue.

The estimated rate of 9% (applicable in most of the cases) or rate agreed in the terms is applied based on assessment of management with reference to rate applicable for comparable loans for which loan agreement has been entered. Actual rate on entering into agreement could vary. At this stage, on accrual concepts income has been taken credit for as stated in Note (i) above.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs, results of operations and cash flows of the Board in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.

## Chartered Accountants

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on Other Legal & Regulatory Requirements

- I. We report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by the Board so far as it appears from our examination of those books.
  - (c) The Balance Sheet, Profit and Loss account and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.

- (d) The rupee denominated borrowings shown under Liabilities in the said Balance sheet represent external borrowings under Masala Bonds availed by KIIFB, in the year 2018-2019 and outstanding on 31st March 2021, which are fully secured by the sovereign guarantee issued by the Government of Kerala and have the required approval of the Reserve Bank of India under the Foreign Exchange Management Act 1999. As explained to us by the management of KIIFB, on other legal issues relating to the said borrowings, as per the legal opinion received from a renowned jurist and legal expert, the issue of Masala bonds made for the borrowings by KIIFB as above, is neither illegal nor is in violation of any law, which, being a legal matter, no opinion is expressed thereon.
- (e) In our opinion, the aforesaid financial statements comply with the Accounting Standards issued by the Institute of Chartered Accountants of India.

**Kerala Infrastructure Investment Fund Board**  
2nd Floor, Felicity Square, MG Road, Statue, Trivandrum 695 001  
Notes To Financial Statements for the year ended 31st March, 2021

All amounts in Rs. except for specifically stated

**NOTE-I**

**GENERAL INFORMATION**

Kerala Infrastructure Investment Fund Board (KIIFB referred to as the Board ) was established on 11.11.1999 under the Kerala Infrastructure Investment Fund Act 1999 (Act 4 of 2000) with the main objective of financing the investment in critical and large infrastructure projects in the State of Kerala. Comprehensive modification of the Act and Scheme has been made through an amendment Ordinance in August 2016. With new strategy and structure, the Board aims to dynamically mobilise funds for the infrastructure development of Kerala including major land acquisition needs of the State. The Board has recourse to the advanced financial instruments approved by SEBI / RBI and is expected to promote substantial development of sustainable infrastructure in the State.

The Board is a body corporate established under an Act of Government of Kerala (KIIFB ACT 1999 ) exclusively for undertaking sub-sovereign functions of financing the key infrastructure projects in the State of Kerala and all activities are done in pursuance of the above objective only.

The rupee denominated Masala Bond of the Board backed by the Guarantee of Govt of Kerala is listed in the London Stock Exchange and Singapore Stock Exchange.

**NOTE-II**

**SIGNIFICANT ACCOUNTING POLICIES**

**A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

- a. The Financial Statements have been prepared under the historical cost convention, in accordance with the generally accepted accounting principles and Accounting Standard issued by Institute of Chartered Accountants of India.
- b. The Board follows Mercantile System of Accounting and recognizes significant items of income and expenditure on accrual basis, except to the extent otherwise stated in the notes.

**B. USE OF ESTIMATES**

The preparation of financial statements in conformity with Indian GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period.

**C. PROPERTY, PLANT AND EQUIPMENT**

(a) **Tangible Assets:** The Gross carrying amount of Property, Plant & Equipment have been accounted on cost model, and cost comprises of purchase price, duties, levies and any direct attributable costs of bringing the assets to its working condition for the intended use.

**Depreciation:** Depreciation has been provided on Written down Value Method at the rates prescribed in appendix to the Income Tax Rules.

(b) **Intangible Asset**

Intangible Assets are recorded at the cost of acquisition of such assets and are carried at cost less accumulated amortisation and impairment, if any.

**Amortisation:** Amortisation has been provided for on Written down Value Method on assets (other than masala bond expenses and issue expense for KSFE) at the rates prescribed in appendix to the Income Tax Rules. In respect of expenditure incurred towards issuance of Masala Bond and expenditure towards issue for KSFE Bond, the same is amortised over a period 5 years being the period during which the benefits are expected to materialise.

**D. PRIOR PERIOD ADJUSTMENTS**

As per AS 5 "Net profit or Loss for the period, Prior Period Items and Changes in Accounting Policies",

- (i) Prior period adjustments represent entries for correction of errors or omissions and as such are shown separately in the Notes annexed to and forming part of Accounts.
- (ii) Extra-ordinary items are those material adjustments necessitated by circumstances which though related to prior periods are determined in the current period and as such are shown separately in the Notes annexed to and forming part of Accounts.

## **E. REVENUE RECOGNITION**

In line with the prescriptions in AS 9 "Revenue Recognition", revenue is recognised only when it can be reliably measured and it is reasonable to expect ultimate collection as per the assessment of the management.

Interest income on fixed deposits is recognised proportionately based on periods for which amounts are outstanding and the interest rate applicable.

Interest generated from the investments made out of the corpus funds received are credited to the corpus fund as such interest is to be mandatorily used for the objectives of the Act and hence forms a part of statutory contribution accounted under Corpus Fund.

Interest income on loans granted for revenue generating projects is recognised on accrual basis as per the terms of the loan agreement, wherever such agreements have been entered into. In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at rates as per comparable loan agreements entered into with other parties as per the estimate of the management or at the interest rates agreed upon at the time of sanction of loan as the case may be.

## **F. CORPUS FUND- Revenue Recognition and Accounting of Utilisation**

The initial corpus fund representing capital investment of State Government in the Board comprises initial corpus received vide Government order.

The revolving/ corpus funds represents the funds received every year from Government of Kerala as part of statutory contribution provided for in the State budget under financial support for infrastructure development as stated in Section 3(1A) i-w & Section 7 of KIFB Act, 2016 towards the objectives based on resolution of the general body (the Board). The amounts utilised towards direct cost of projects are recouped from the revolving/ corpus Fund for the year and amount so utilised are shown as contra item in the P&L a/c to reflect the activities undertaken to meet the objectives as per the Act.

## **G. INVESTMENTS**

As per AS 13 "Accounting for Investments", Current Investments are carried at the lower of cost or quoted / fair value, computed category-wise. Long-term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such decline is other than temporary. Investments that are readily realisable and intended to be held for not more than 12 months from the date of acquisition are classified as current investment. All other investments are classified as non-current investments.

## **H. BORROWING COST**

As per AS 16 "Borrowing Costs", Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

## **I. INCOME RECOGNITION AND ASSET CLASSIFICATION NORMS**

Amounts shown under long term loans represents finance assistance to revenue generating projects. Loans are classified as performing and non-performing and provision for non-performing assets is made in accordance with the Income Recognition and Asset Classification (IRAC) norms applicable to financial institutions as a matter of prudence. Interest Income on non performing assets is recognised on cash basis only. Loan assets are classified as non performing in cases where instalments of loan and interest is overdue for more than 90 days. Being entity engaged in long term financing of infrastructural projects, adhoc provision is not made on standard assets.

## **J. ACCOUNTING FOR TAXES ON INCOM**

Income Tax is accounted in accordance with Accounting Standard on Accounting for Taxes on Income (AS-22), which include Current Taxes and Deferred Taxes. Provision for Current Tax is made in accordance with the provisions of The Income Tax Act, 1961. Deferred Tax assets/ liabilities representing timing differences between accounting income and taxable income are recognized to the extent considered capable of being reversed in subsequent years by applying tax rate substantively enacted as at the end of the year. Deferred tax assets are recognised only to the extent there is reasonable certainty that sufficient future taxable income will be available, except that Deferred Tax Assets arising due to unabsorbed depreciation and losses are recognised if there is a virtual certainty that sufficient future taxable income will be available to realise the same.

## K. CASH FLOW STATEMENT

Cash flows from operating activities are prepared using the indirect method, whereby net profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

## L. PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

As per AS 29 "Provisions, Contingent Liabilities and Contingent Assets", Provisions are recognised when the Board has a present obligation as a result of a past event, for which it is probable that a cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the correct management estimates. Contingent Liabilities are not recognised but are disclosed in notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

## M. EMPLOYEE BENEFITS

Provision of AS 15 "Employee Benefits", has been considered while Preparation of Financial Statements

- (i) Short Term Employee Benefits - All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and recognized in the period in which the employee renders the related service.
- (ii) Defined contribution plan and Defined benefit plan - The Board does not have any defined contribution plan and defined benefit plan as detailed in Note No 21.1 to the financial statements.

Note - 25

During the year, KIIFB had incurred an expenditure of Rs. 1,49,61,625 for development of software and Rs. 8,28,18,829 for maintenance, hosting and value adding charges. In accordance with the Memorandum of Agreement (MoA) entered into between KIIFB and KSFE, the parties shall enter into a separate agreement covering the terms of repayment of the expenses incurred by KIIFB towards development of the Pravasi Chitry software and incidental charges. According to the management, though the software is being used by KSFE, the ownership is vested with KIIFB and entire economic benefits of the scheme are shared by KIIFB also, as envisaged in MoA. Due to the on going development activity, the separate agreement for recovery is pending to be executed. At this stage, the cost for development of software is treated as intangible asset based on consideration of proposal by the Board and other maintenance, hosting and value adding charges are charged to P&L. The management of KIIFB did not agree with the audit observation of C&AG that the control of the software is with KSFE only, on a detailed consideration of the facts of the case.

Note - 26

The Board has put in place a system/process of computation of Asset Liability Management which is currently undergoing Beta Version test and is in the process of being further improved upon, tested and stabilised.

Note -27

Interest income on loans granted for revenue generating projects is recognised on accrual basis as per the terms of the loan agreement, wherever such agreements have been entered into. Such loan agreement are entered upon reaching 40% stage of disbursement as per the terms of the tripartite agreement between KIIFB, The SPV and the concerned Govt department. In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at interest rates as per comparable loan agreements entered into with other parties or at the interest rates agreed upon at the time of sanction of loan, as the case may be, as per the estimate of the management. Such interest income recognised as per the management estimate is Rs. 85,76,20,484. On facts of the case, many of the projects financed with long gestation period are yet to commence as at the year end. As per the terms of the loan sanctioned the repayment of principal and interest commences on completion of moratorium period and it is not contingent on the project earning any revenue. There have been certain significant time overrun on some of the projects due to the impact of covid 19 but interest is payable on completion of moratorium period regardless of project completion or whether project is earning revenue or not.

**Note - 28**

Claims not acknowledged as Debt : M/s RITES, the consultant engaged during the year for independent quality review, design review and providing assistance in empanelment of supervision consultants has raised a total claim of Rs. 5,02,44,798 which is pending to be approved/accepted by the Board as on date and hence represent claims not acknowledged as debt by the board.

**Note -29**

Commitments - KIIFB sponsored the Kerala Infrastructure Fund (KIF) as AIF (Alternate Investment Fund) registered with SEBI in April 2019. As per SEBI regulations, the sponsor of the fund must commit a minimum of 2.5% or Rs. 5 crores of the fund size and maintain the said minimum amount as continuing interest of the sponsor towards sponsor's commitment, as required under Regulation 10(d) of the AIF regulations, during the term of the Fund. As per the draft PPM submitted to SEBI, the Fund size of KIF is indicated as Rs 3000 Cr (Rs. 1500 crore with green shoe option of Rs. 1500 crore). The 38<sup>th</sup> the General Body has decided the capital commitment as 10% of the fund size subject to a maximum of 300 crores.

**Note -30**

Reconciliation of Form 26 AS (as per Income Tax Act,1961) and Book of accounts - Reconciliation of Income and TDS credit as per Form 26AS with books of accounts is pending to be done since Form 26AS in the Income tax webportal is yet to be updated with the entries for the quarter ended 31.3.2021.

**Note - 31**

Income tax demand of Rs 1,12,57,446 was raised for AY 2018-19 under limited scrutiny assessment against which appeal has been filed. The demand amount of Rs 32,24,636 is on account of erroneous computation in the assessment order for which rectification has been filed and has not been paid or provided for in positive anticipation of a favourable order. The balance demand of Rs 80,32,810 has been paid and written off to Profit & Loss account though the matter has been contested on appeals before higher authorities on a due consideration of the grounds of appeal raised.

**Note - 33****Segment Reporting**

The Board is operating only in one segment in providing funds for investment for critical and large infrastructure projects in the State of Kerala and hence there are no other separate reportable business and geographical segment.

**Note - 34**

Impact of Covid - 19 on the Accounts - Serious disruptions to trade, business and industry have been caused by the adverse impact of Covid-19 pandemic from March 2020 onward and this is still continuing. Though there could be certain consequential delays in the financing and implementation of major infrastructure projects, being financed by the Board, on account of the above, this does have any material impact in the financial position i.e. on the assets and liabilities position as at 31.03.2021, as per assessment of the management.

**Note - 35**

Internal Audit System / standard operating procedures - During the year 2020-21, there was no system of internal audit of transactions in the Board. However internal checks and inbuilt controls have been in force to effectively monitor and safeguard the best interests of the Board, including from a propriety angle. The Board has considered the need of internal audit and tendering process for appointment of Internal auditor is initiated during the year on the basis of risk based internal audit framework got prepared by a firm of chartered accountants. Standard operating procedures for carrying out transactional activities have also been prepared and duly approved by the board, which will be implemented in the year 2021-22.

**Note -36**

Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

Note

9.1 The management estimates that the future economic benefits from the expenditure towards issue of Muzila Bond and issue of KSFE Bond will accrue to the Board over the period of the Bond being 5 years. Accordingly, such expenditure are treated as Intangible Asset and amortised over 5 years.

9.2 The property, plant and equipments and the intangible assets are purchased using the corpus fund and loan received. However, the amount is not deducted from the gross value of assets or to separate deferred income is recognised for an amount equivalent to the cost of asset in accordance with AS-12 Accounting for Government Grants, since the break up details of items acquired out of corpus fund/loans have not been maintained.

9.3 The system of maintenance of a formal Fixed Asset register showing full particulars of assets in various locations and physical verification of fixed assets is in the process of implementation. Physical verification of fixed assets and reconciliation of values with asset register is pending to be done and adjustments if any required on such verification would be made in the succeeding year on completion of this process. Based on the management assessment of the internal controls in place over physical possession and available records regarding details of fixed assets, no material discrepancies are expected to arise on physical verification of fixed assets.

**NOTE-I**

**GENERAL INFORMATION**

Kerala Infrastructure Investment Fund Board (referred to as KIIFB) was established on 11.11.1999 under the Kerala Infrastructure Investment Fund Act 1999 (Act 4 of 2000) with the main objective of financing the investment in critical and large infrastructure projects in the State of Kerala. Comprehensive modification of the Act and Scheme has been made through an amendment Ordinance in August 2016. With new strategy and structure, KIIFB aims to dynamically mobilise funds for the infrastructure development of Kerala including major land acquisition needs of the State. KIIFB has recourse to the advanced financial instruments approved by SEBI / RBI and is expected to promote substantial development of sustainable infrastructure in the State.

KIIFB is a body corporate established under an Act of Government of Kerala (KIIFB ACT 1999) exclusively for undertaking sub-sovereign functions of financing the key infrastructure projects in the State of Kerala and all activities are done in pursuance of the above objective only.

The rupee denominated Masala Bond of KIIFB backed by the Guarantee of Govt of Kerala is listed in the London Stock Exchange and Singapore Stock Exchange.

**NOTE-II**

**SIGNIFICANT ACCOUNTING POLICIES**

**A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

- a. The Financial Statements have been prepared under the historical cost convention, in accordance with the generally accepted accounting principles and Accounting Standard issued by Institute of Chartered Accountants of India.
- b. KIIFB follows Mercantile System of Accounting and recognizes significant items of income and expenditure on accrual basis, except to the extent otherwise stated in the notes.

**B. USE OF ESTIMATES**

The preparation of financial statements in conformity with Indian GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period.

**C. PROPERTY, PLANT AND EQUIPMENT**

(a) **Tangible Assets:** The Gross carrying amount of Property, Plant & Equipment have been accounted on cost model, and cost comprises of purchase price, duties, levies and any direct attributable costs of bringing the assets to its working condition for the intended use.

**Depreciation:** Depreciation has been provided on Written down Value Method at the rates prescribed in appendix to the Income Tax Rules.

**(b) Intangible Asset**

Intangible Assets are recorded at the cost of acquisition of such assets and are carried at cost less accumulated amortisation and impairment, if any.

**Amortisation:** Amortisation has been provided for on Written down Value Method on assets (other than masala bond expenses and issue expense for KSFE) at the rates prescribed in appendix to the Income Tax Rules. In respect of expenditure incurred towards issuance of Masala Bond and expenditure towards issue for KSFE Bond, the same is amortised over a period 5 years being the period during which the benefits are expected to materialise.

**D. PRIOR PERIOD ADJUSTMENTS**

As per AS 5 "Net profit or Loss for the period, Prior Period Items and Changes in Accounting Policies",

- (i) Prior period adjustments represent entries for correction of errors or omissions in the preparation of financial statements of one or more prior periods and as such are shown separately in the Notes annexed to and forming part of Accounts.
- (ii) Extra-ordinary items are those material adjustments that arise from events or transactions that are clearly distinct from the ordinary activity of KIIFB and are not expected to occur frequently or regularly and therefore are shown separately in the Notes annexed to and forming part of Accounts.

**E. REVENUE RECOGNITION**

In line with the prescriptions in AS 9 on "Revenue Recognition", revenue is recognised only when it can be reliably measured and it is reasonable to expect ultimate collection as per the assessment of the management.

Interest income on fixed deposits is recognised time proportionately based on periods for which amounts are outstanding and the interest rate applicable.

Interest generated from the investments made out of the corpus funds received are credited to the corpus fund as such interest is to be mandatorily used for the objectives of the Act and hence forms a part of statutory contribution accounted under Corpus Fund.

Interest income on loans granted for revenue generating projects is recognised on accrual basis as per the terms of the loan agreement, wherever such agreements have been entered into except to the extent otherwise disclosed in the notes to accounts. In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at rates and methodology as per comparable loan agreements entered into with other parties as per the estimate of the management or at the interest rates agreed upon at the time of sanction of loan in certain cases where ever applicable. Late payment charges, prepayment charges are recognised on a point in time basis, and are recorded when realized since the probability of collecting such monies is established when the borrower pays.

## F. CORPUS FUND- Revenue Recognition and Accounting of Utilisation

The corpus fund-revolving represents the funds received every year from Government of Kerala as part of statutory contribution provided for in the State budget under financial support for infrastructure development as stated in Section 3(1A) r.w.s Section 7 of KIIFB Act, 2016 towards the objectives based on resolution of the general body and also any amounts received additionally from Government of Kerala to meet additional fund requirements as per relative government order. The amounts utilised towards direct cost of projects are recouped from the revolving/ corpus Fund for the year and amount so utilised are shown as contra item in the P&L a/c to reflect the activities undertaken to meet the objectives as per the Act. The corpus fund-revolving also includes funds received under LAC/ADS scheme and PTA/CSR Fund as per Govt.Order.

## G. INVESTMENTS

As per AS 13 "Accounting for Investments", Current Investments are carried at the lower of cost or quoted / fair value, computed category-wise. Long-term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such decline is other than temporary. Investments that are readily realisable and intended to be held for not more than 12 months from the date of acquisition are classified as current investment. All other investments are classified as non-current investments.

## H. BORROWING COST

As per AS 16 "Borrowing Costs", Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

## I. INCOME RECOGNITION AND ASSET CLASSIFICATION NORMS

Amounts shown under long term loans represents finance assistance to revenue generating projects.

The Income Recognition and Asset Classification (IRAC) norms issued by RBI and applicable to Banks/ NBFCs which fact has been disclosed in significant accounting policies of the previous year. However, since KIIFB is engaged in financing infrastructure projects with long gestation period and the revenue generation is contingent on factors beyond the control of the entity, strict adoption of the IRAC norms is considered to be impracticable and not feasible. Hence the above decision taken by the General Body has been reversed at the meeting held on 07.07.2022 to discontinue the implementation of the IRAC Norms with effect from 01.04.2021. The financial impact on the accounts on account of the above is nil. Steps are being taken for defining and implementing suitable norms for classification of loans, provisioning and recognition of income appropriate and relevant to the unique nature of activities being undertaken, for financing of infrastructure projects with long gestation period, with focused social commitment to meet the objectives in the KIIF Act 1999( as amended by Act of 2016).

## J. ACCOUNTING FOR TAXES ON INCOME

Income Tax is accounted in accordance with Accounting Standard on Accounting for Taxes on Income (AS-22), which include Current Taxes and Deferred Taxes. Provision for Current Tax is made in accordance with the provisions of The Income Tax Act, 1961. Deferred Tax assets/liabilities representing timing differences between accounting income and taxable income are recognized to the extent considered capable of being reversed in subsequent years by applying tax rate substantively enacted as at the end of the year. Deferred tax assets are recognised only to the extent there is reasonable certainty that sufficient future taxable income will be available, except that Deferred Tax Assets arising due to unabsorbed depreciation and losses are recognised if there is a virtual certainty that sufficient future taxable income will be available to realise the same.

## K. CASH FLOW STATEMENT

Cash flows from operating activities are prepared using the indirect method, whereby net profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

## L. PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

As per AS 29 "Provisions, Contingent Liabilities and Contingent Assets", Provisions are recognised when KIIFB has a present obligation as a result of a past event, for which it is probable that a cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the correct management estimates. Contingent Liabilities are not recognised but are disclosed in notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

## M. EMPLOYEE BENEFITS

Provision of AS 15 "Employee Benefits", has been considered while Preparation of Financial Statements

- (i) Short Term Employee Benefits - All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and recognized in the period in which the employee renders the related service.
- (ii) Defined contribution plan and Defined benefit plan - KIIFB does not have any defined contribution plan and defined benefit plan as detailed in Note No 20.1 to the financial statements.

**Note** 7.1 The management estimates that the future economic benefit from the expenditure towards issue of Masalia Bond and issue of KSFE Bond will accrue to the Board over the period of the Bond being 5 years. Accordingly, such expenditure are treated as Intangible Asset and amortised over 5 years.

7.2 The property, plant and equipment and the intangible assets are purchased using the corpus fund received. However, the amount is not deducted from the gross value of assets or no separate deferred income is recognised for an amount equivalent to the cost of asset in accordance with AS-12 Accounting for Government Grants, since the break up details of assets acquired out of corpus fund/loans have not been maintained.

7.3 The system of maintenance of a formal Fixed Asset register showing full particulars of assets in various locations and physical verification of fixed assets is in the process of implementation. Physical verification of fixed assets and reconciliation of values with asset register is pending to be done and adjustments if any required on such verification would be made in the succeeding year on completion of this process. Based on the management assessment of the internal controls in place over physical possession and available records regarding details of fixed assets, no material discrepancies are expected to arise on physical verification of fixed assets.

7.4 The Net carrying value of intangible asset towards software for KSFE pravasi Chitty and expense on issue of KSFE bond amounts to Rs. 12,42,01,517/- and expenses towards software maintenance charges during the year amounting to Rs. 9,86,16,057/-. The actual borrowing infused is Rs. 646.80 crores only and is perpetually growing. The management estimates no impairment in the value of the asset considering the benefits out of the borrowing by issue of bonds to KSFE at reasonable rate of interest and further towards recovery of cost as per terms of MoA between KIIIFB and KSFE. Accordingly the value in use as per management is sufficient to cover the net carrying value of asset.

17.1 Interest income on loans granted for revenue generating projects is recognised on accrual basis as per the terms of the loan agreement, wherever such agreements have been entered into. Such loan agreement are entered into upon reaching 40% stage of disbursement as per the terms of the tripartite agreement between KIIFB, the SPV and the concerned Govt department. In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at interest rates as per comparable loan agreements entered into with other parties or at the interest rates agreed upon at the time of sanction of loan, as the case may be, as per the estimate of the management on simple interest basis till previous year. During the year, KIIFB has decided to charge interest income at the rate of Average Cost of Domestic Borrowing (ACDB) of KIIFB reset every six months in a calendar year with monthly compounding for entire revenue generating projects (other than loan given to KSFDC Rs.9,94,29,168/-) which was earlier accounted at a fixed rate under simple interest method. Terms of loan agreement (loan amount aggregating to Rs.19,30,28,21,727) executed in prior years with fixed interest rate are pending to be amended by changing interest rate to floating method at ACDB rate as above due to procedural formalities to be completed.

17.2 On facts of the case, many of the projects financed with long gestation period are yet to be completed as at the year end. As per the terms of the loan sanctioned the repayment of principal and interest commences on completion of moratorium period and it is not contingent on the project earning any revenue. There have been certain significant time overrun on some of the projects due to the impact of covid 19 but interest is payable on completion of moratorium period regardless of project completion or whether project is earning revenue or not.

17.3 As at the end of the year, loan agreements are pending to be executed with four parties for loan outstanding aggregating to Rs.22,56,54,47,448/- although more than 40% stage of disbursement as per the terms of the tripartite agreement between KIIFB, the SPV and the concerned Govt department has been completed.

17.4 The interest income recognised includes an amount of Rs.1,71,99,06,910/- for which original loan agreement is not executed and the revenue recognition is based on comparable loan agreements with other borrowers or at the interest rates agreed upon at the time of sanction of loan. Due to the change in the method of charging of interest income for projects where loan agreement is entered into, such similar changes in the revenue recognition of projects for which no agreement is entered constitutes a revision in the method of making estimate by the management. As a result, the income recognised during the year is higher by Rs.19,38,56,268/- compared to previous year where interest income was recognised at a fixed rate with simple interest.

17.5 The Balance in the loan account of KSIDC Ltd as at 31/03/22 amounting to Rs.3,93,84,83,787/- (including interest of Rs.92,67,79,726/- taken credit for upto 31.03.2021) for the Project Bio 360 Life science Park-Phase II land acquisition Trivandrum is subject to confirmation. At the Board meeting held on 07.07.2022, decision was taken to work out a resolution plan for facilitating recovery of the loan and interest charged by restructuring the project implementation suitably. Due to complexities involved and consequential delay anticipated in the implementation of the resolution plan, interest income for the year amounting to Rs.65,24,79,378/- has not been taken credit for as matter of prudence.

**Note - 24**

24.1 During the year, KIIFB had incurred an expenditure of Rs.9,86,16,057/- for maintenance, hosting and value adding charges of KSFE Pravasi chitty software. In accordance with the Memorandum of Agreement (MoA) entered into between KIIFB and KSFE, the parties shall enter into a separate agreement covering the terms of repayment of the expenses incurred by KIIFB towards development of the Pravasi Chitty software and incidental charges. According to the management, though the software is being used by KSFE, the ownership is vested with KIIFB and entire economic benefits of the scheme are shared by KIIFB also, as envisaged in MoA. Due to the on going development activity, the separate agreement for recovery is pending to be executed. At this stage, the cost for development of software is treated as intangible asset based on consideration and approval of proposal by KIIFB and other maintenance, hosting and value adding charges are charged to P&L. The effective control of the above software vests with KIIFB. The management does not expect any impairment loss in the value of software considering the pendency of execution of agreement with KSFE for recovery of cost. Management intends to take up the matter regarding recovery of capital cost and operating/maintenance cost of software incurred from inception with KSFE at the time of finalisation and entering into agreement as noted above.

24.2 Other expenses includes an amount of Rs.19,41,52,291/- being payment towards KSIE Ltd (an intermediary agency engaged by KIIFB for procuring multiple supply of goods and services from third parties ) which comprises of payment towards KSFE software maintenance charges, technical support charges, promotional expenses etc. Further an amount of Rs. 4,37,01,734/- incurred towards technical support charges and paid to KSIE Ltd has been charged to direct project cost. Above expenses are incurred as per the terms of work order issued by KIIFB from time to time based on prices quoted by KSIE Ltd on competitive basis for such goods and services. The payments for services/supplies from the third parties through KSIE have been settled on the basis of invoices submitted by KSIE relating to the above services arranged by KSIE Ltd from third party service providers.

**Note - 25**

KIIFB has put in place a system/process of computation of Asset Liability Management, the beta version of which has been released and is in the process of being further reviewed, tested and stabilised to be sound and fully effective. During the year, a detailed external review of the ALM system was conducted by independent IT consultants to assess the functionality and management of financial risk of KIIFB and to conduct a comprehensive scenario-based testing of the ALM System to ensure its robustness. The observations of the reviewers was duly considered by the management of KIIFB at the meeting held on 15th February 2022 and the status of ALM was taken note of by the General Body.

**Note - 26**

Commitments - KIIFB sponsored the Kerala Infrastructure Fund (KIF) as AIF (Alternate Investment Fund) registered with SEBI in April 2019. As per SEBI regulations, the sponsor of the fund must commit a minimum of 2.5% or Rs. 5 crores of the fund size and maintain the said minimum amount as continuing interest of the sponsor towards sponsor's commitment, as required under Regulation 10(d) of the AIF regulations, during the term of the Fund. As per the draft PPM submitted to SEBI, the Fund size of KIF is indicated as Rs 3000 Cr (Rs. 1500 crore with green shoe option of Rs. 1500 crore).

The General Body has decided the capital commitment as 10% of the fund size subject to a maximum of Rs 300 crores.

**Note - 27**

27.1 Reconciliation of Form 26 AS (as per Income Tax Act,1961) and Book of accounts - Reconciliation of Income for the year F.Y. 21-22 and TDS credit as per Form 26AS with books of accounts is pending to be conducted since Form 26AS in the Income tax web portal is yet to be updated with the entries for the quarter ended 31.3.2022. During the year 2020-21, interest income relating to that year amounting to Rs 3,22,43,045 was detected on such reconciliation and this has been credited to prior period income as detailed in Note 23 to the accounts.

27.2 The TDS Credit in books of account amounting to Rs.3,75,77,143 relating to interest income from a bank for the FY 2019-20 is yet to be credited in Form 26AS and necessary steps to obtain credit will be taken in succeeding year by carrying out a detailed reconciliation of entries in books of accounts with the entries in 26AS. Due to non credit of the amount in 26AS, the same could not be claimed in the return of income filed for AY 2020-21 relevant to FY 19-20.

**Note - 28****Contingent Liability**

28.1 During the previous year Income tax demand of Rs 1,12,57,446 was raised for AY 2018-19 under limited scrutiny assessment against which appeal has been filed with higher authorities and is pending disposal. The demand amount of Rs 32,24,636 is on account of erroneous computation in the assessment order for which rectification has been filed and has not been paid or provided for in positive anticipation of a favourable order. The balance demand of Rs 80,32,810 has been paid and written off to Profit & Loss account in the previous year though the matter has been contested on appeals before higher authorities as stated above on a due consideration of the grounds of appeal.

Income Tax Department has adjusted the said demand amount (Rs.1,12,57,446/-) against the Refund due for AY 2019-20 which has resulted in double payment to the extent of Rs 80,32,810 already remitted as stated as above. KIIFB is in the process of taking steps for recovery of said refund amount by filing a refund reissue application with the department. The entire amount has been carried forward under Refund due from the department in Note 11.

28.2 Income tax demand of Rs.1,90,30,459/- ( including interest for delayed payment ) has been raised by the DCIT -TDS u/s.201 of the Act on KIIFB by treating it as an assessee in default for non-deduction /delay in the remittance of TDS on works bills raised by contractors on SPVs/Advance payments to SPVs on the above account. The management is of the firm view that there is no liability for tax deduction in the hands of board as the privy of contract under Section 194C is between the awardee of the work (SPV) and contractor and hence TDS provisions under Chapter XVIIIIB are not applicable to KIIFB on such payments. The person responsible for such payment including TDS thereon is the SPV u/s 204 of the Income Tax Act is only the SPV who has awarded the work to the contractor and in whose name the work bill has been raised by contractors. KIIFB has obtained legal opinion from Senior advocate of repute on the above matter. KIIFB has also obtained stay order from Hon'ble High Court of Kerala on a writ petition filed for an interim period of six months and steps are under way to further extend the stay. The balance amount of demand has not been provided for in the accounts in positive anticipation of a favourable order on disposal of the writ petition on merits.

28.3 Invoices raised by the Vendor pending approval by the management : M/s RITES, the consultant engaged during the year for independent quality review, design review, consultancy and providing assistance in empanelment of supervision consultants has raised a total claim of Rs.10,30,27,859/- which is pending to be approved/accepted by KIIFB as on date and hence represent claims not acknowledged as debt by KIIFB and hence not provided for . The amount is reckoned as contingent liability at this stage and would be accounted for as and when approved /accepted by KIIFB.

**Segment Reporting**

KIIFB is operating only in one segment in providing funds for investment for critical and large infrastructure projects in the State of Kerala and hence there are no other separate reportable business and geographical segment.

**Note - 31**

Impact of Covid - 19 on the Accounts - Serious disruptions to trade, business and industry have been caused by the adverse impact of Covid-19 pandemic from March 2020 onward and this is still continuing. There are several projects which are now time over run as at the year end . Though this could result in consequential delays in the financing and implementation of major infrastructure projects being financed by KIIFB, this does not have any material impact in the financial position i.e., on the assets and liabilities position as at 31.03.2022, as per assessment of the management.

**Note - 32**

Internal Audit System / standard operating procedures - During the year 2021-22, an internal audit wing and an Internal audit management committee(IAMC) as approved by the general body was constituted. Concurrent Audit and Risk based Internal Audit (RBIA) was conducted by an independent chartered accountant firm. The Concurrent and RBIA has commenced from 01.08.2021. The concurrent audit and RBIA for the FY 2021-22 has been successfully completed. The concurrent audit reports till Q3 and RBIA of 9 out of 15 areas has been approved by the IAMC and the report for the quarter ended March 2022 is pending to be approved. This has been duly considered for making required/necessary adjustments in the books of accounts and also for preparation of financial statements.

**Note - 33**

Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

**INDEPENDENT AUDITOR'S REPORT**

To

The Members of Kerala Infrastructure Investment Fund Board,  
Thiruvananthapuram

**Opinion**

We have audited the financial statements of Kerala Infrastructure Investment Fund Board (hereinafter referred to as 'KIIFB'), which comprise the Balance Sheet as at March 31st 2022, the Profit and Loss account and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying financial statements give a true and fair view of the state of affairs of the KIIFB as at March 31, 2022, and of its Nil profit/loss and its cash flows for the year then ended in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of KIIFB in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the said Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to the following matters described in the Notes to accounts of the financial statements:

The interest income recognised during the year includes such income recognised based on the following facts and circumstances:

- (i) During the year Kerala Infrastructure Investment Fund Board (KIIFB) has revised the method of charging interest to the rate of Average Cost of Domestic Borrowings (ACDB) reset every 6 months in a calendar year with monthly compounding of interest for entire revenue generating projects from the procedure followed in the preceding year of fixed rate under simple interest method except for loans given to Kerala State Film Development Corporation (KSFDC) aggregating to Rs.9,94,29,168/- which is charged at original agreement rate . The agreements already entered in to in respect of loans aggregating to Rs.1930,28,21,727/-, stipulating interest at fixed rate are pending to be amended to incorporate the revised method adopted in the current year as stated above for reasons stated in Note no.17.1 to the financial statements.

- (ii) Interest income recognised includes an amount of Rs.171,99,06,910/- for which original loan agreements are pending to be executed (including cases which have exceeded 40% stage of disbursement noted in (iv) below) and the revenue recognised is based on rates charged on comparable loan agreements with other borrowers (whose rate has been revised during the year to floating ACDB rates) or at rates agreed at the time of sanction of the loan. Change in method of estimating interest income for projects as noted above constitutes a revision in the method of making estimate by the management and as a result, the income recognised during the year is higher by Rs.19,38,56,268/- as compared to previous year as detailed in Note no.17.4 to the financial statements.
- (iii) Interest income has been recognised on revenue generating projects also in cases where there has been significant time over run on implementation of the projects financed by such loans due to impact of Covid, as detailed in Note no.17.2 to the financial statements since it is not contingent on the project earning any revenue.
- (iv) Loan agreements are pending to be executed with four SPVs to whom loans have been disbursed and have outstanding loans aggregating to Rs.2256,54,47,448/-, although more than 40% stage of disbursement as per the terms of Tripartite Agreement between KIIFB, SPV and the concerned Government department has been exceeded requiring execution of such loan agreement, as stated in Note no.17.3 to the financial statements.
- (v) As stated in Note No 17.5, the balance in the loan account of KSIDC Ltd as at 31.03.22 amounting to Rs 3,93,84,83,787/- (including interest of Rs.92,67,79,726/- taken credit for upto 31.03.2021) for the Project Bio 360 Life science Park-Phase II land acquisition Trivandrum is subject to confirmation. At the General body meeting held on 07.07.2022, decision was taken to work out a resolution plan for facilitating recovery of the loan and interest charged by restructuring the project implementation suitably. Due to complexities involved and consequential delay anticipated in the implementation of the resolution plan, interest income for the year amounting to Rs.65,24,79,378/- has not been taken credit for as matter of prudence.
- (vi) As stated in Note 27.2 to the financial statements, the TDS taken Credit in the books of account amounting to Rs.3,75,77,143 relate to TDS deducted on interest income by banks in the financial year 2019-20 which is not reflected in Form 26AS and is pending reconciliation.
- (vii) As stated in Note 24.2 to the financial statements, payments made to KSIE Ltd ( an intermediary agency engaged by KIIFB for procuring multiple supply of goods and services from third parties ) during the year amounts to Rs 23,78,54,025 based on the terms of agreed work order issued on KSIE Ltd explained to be on competitive basis and the invoices submitted by the said company.

- (viii) As stated in Note No. II(I), the meeting of the General Body of KIIFB held on 7.7.2022 has decided to reverse wef 01-04-2021 the decision taken by it in prior years to voluntarily adopt the Income Recognition and Asset Classification (IRAC) norms issued by RBI applicable to banks and NBFCs. As stated in the above note, steps are being taken by KIIFB for defining and implementing suitable norms for classification of loans, provisioning and recognition of income appropriate and relevant to the unique nature of activities being undertaken, for financing of infrastructure projects with long gestation period, with focused social commitment to meet the objectives in the KIIF Act 1999( as amended by Act of 2016).

Our opinion is not modified in respect of these matters.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

<b>Key Audit Matters</b>	<b>How addressed in Audit</b>
<p>During the year, KIIFB has decided to change the method of fixing the rate of interest and charge at the Average Cost of Domestic Borrowing (ACDB) of KIIFB reset every six months in a calendar year with monthly compounding for entire revenue generating projects (other than loan given to KSFDC) which was earlier accounted at a fixed rate under simple interest method.</p> <p>However, terms of loan agreement executed in prior years with fixed interest rate are pending to be revised by amending the interest rate to floating method at ACDB rate as stated above.</p>	<p>Revenue has been recognized at the interest rate of ACDB for entire revenue generating projects for which agreement was executed (other than loan given to KSFDC) on accrual basis.</p> <p>According to the management, in respect of projects for which loan agreement is already executed, the revision in rate of interest is to be incorporated through amendment agreements which will be done in due course. Such changes in rate of interest used for revenue recognition have been duly disclosed in Note 17 to the financial statements.</p>
<p>(i) In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at interest rates as per comparable loan agreements entered into with other parties or at the interest rates agreed upon at the time of sanction of loan, as the case may be, as per the estimate of the management.</p>	<p>As per the principles defined in AS 9 Revenue recognition, KIIFB has recognized interest income on accrual basis during the year at the rates charged to other comparable borrowers pending execution of the loan agreements. This is considered reasonable and is duly disclosed in Note no.17 to the financial statements.</p>

(ii) The interest income recognised includes an amount of Rs.1,71,99,06,910 for which original loan agreement is pending to be executed as stated in the preceding para (including four cases aggregating to Rs 22,56,54,47,448 where 40% disbursement has been exceeded as per note (iii) below). During the year, in respect of the above cases, there is a change in method of estimating interest income from fixed rate-simple interest to floating rate of ACDB compounded, as stated in Note no 17.1 to the accounts, consequent to such change agreed upon in cases where loan agreements have been already entered in to. The amendments are however pending to be effected in such loan agreements for the change in rate as above. Consequent to such change of income recognised in the above cases is higher by Rs.19,38,56,268/-.

(iii) As per tripartite agreement entered into between KIIFB, SPV and respective Administrative Department, the loan agreement fixing the rate of interest is to be executed only upon completion of 40% of the project disbursement. Loan agreements are pending to be executed with four parties for loan outstanding aggregating to Rs.2256,54,47,448 which has disbursements exceeding 40% stage.

On facts of the case, many of the projects financed with long gestation period are yet to be completed as at the year end. As per the terms of the loan sanctioned, the repayment of principal and interest commences on completion of moratorium period. There has been certain significant time overrun on some of the projects due to the impact of covid 19. Interest is payable by the borrower as per terms of agreement as above regardless of completion of project and is also not contingent on the project earning any revenue.

Recognition of interest revenue for projects for which original loan agreement is not yet executed is based on the consistent management practice of recognising revenue by using the rates of comparable projects for which original loan agreement is already executed. (for which interest rate is pending revision as stated in Note 17.1 to accounts)

According to the management, in respect of projects for which agreement is not entered yet, any change in the rate of interest on revision which is not expected to be material shall be accounted for in the year in which such agreement is entered into.

The management has given a representation that active steps are underway in entering into loan agreement with the parties to whom disbursement has exceeded 40% stage and that there will be no material impact on the income or asset recognised due to this delay.

Income has been recognized based on the terms of the loan sanctioned and there is no significant doubt as to realization at this stage. Facts have been duly disclosed in the financial statements.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the state of affairs, results of operations and cash flows of KIIFB in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing KIIFBs ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate KIIFB or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing KIIFBs financial reporting process.

**Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KIIFBs internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on KIIFB's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause KIIFB to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

#### **Report on Other Legal & Regulatory Requirements**

1. We report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by KIIFB so far as it appears from our examination of those books.
  - (c) The Balance Sheet, Profit and Loss account and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.

- (d) The rupee denominated borrowings shown under Liabilities in the said Balance sheet represent external borrowings under Masala Bonds availed by KIIFB, in the year 2018-2019 and outstanding on 31st March 2022, which are fully secured by the sovereign guarantee issued by the Government of Kerala and have the required approval of the Reserve Bank of India under the Foreign Exchange Management Act 1999. As explained to us by the management of KIIFB, on other legal issues relating to the said borrowings, as per the legal opinion received from a renowned jurist and legal expert, the issue of Masala bonds made for the borrowings by KIIFB as above, is neither illegal nor is in violation of any law, which, being a legal matter, no opinion is expressed thereon.
- (e) In our opinion, the aforesaid financial statements comply with the Accounting Standards issued by the Institute of Chartered Accountants of India in all material aspects.

**NOTE-I**

**GENERAL INFORMATION**

Kerala Infrastructure Investment Fund Board (referred to as KIIFB) was established on 11.11.1999 under the Kerala Infrastructure Investment Fund Act 1999 (Act 4 of 2000) with the main objective of financing the investment in critical and large infrastructure projects in the State of Kerala. Comprehensive modification of the Act and Scheme has been made through an amendment Ordinance in August 2016. With new strategy and structure, KIIFB aims to dynamically mobilise funds for the infrastructure development of Kerala including major land acquisition needs of the State. KIIFB has recourse to the advanced financial instruments approved by SEBI / RBI and is expected to promote substantial development of sustainable infrastructure in the State.

KIIFB is a body corporate established under an Act of Government of Kerala (KIIF ACT 1999) exclusively for undertaking sub-sovereign functions of financing the key infrastructure projects in the State of Kerala and all activities are done in pursuance of the above objective only.

The rupee denominated Masala Bond of KIIFB backed by the Guarantee of Govt of Kerala is listed in the London Stock Exchange and Singapore Stock Exchange.

**NOTE-II**

**SIGNIFICANT ACCOUNTING POLICIES**

**A. BASIS OF PREPARATION OF FINANCIAL STATEMENTS**

- a. The Standalone Financial Statements have been prepared under the historical cost convention, in accordance with the generally accepted accounting principles and Accounting Standard issued by Institute of Chartered Accountants of India.
- b. KIIFB follows Mercantile System of Accounting and recognizes significant items of income and expenditure on accrual basis, except to the extent otherwise stated in the notes.
- c. The Financial Statements are presented in INR, which is the functional currency and all values are rounded to the nearest lakhs

(INR 1,00,000), except when otherwise indicated. Due to rounding, numbers presented may not add up precisely to totals provided

**B. USE OF ESTIMATES**

The preparation of financial statements in conformity with Indian GAAP requires judgements, estimates and assumptions to be made that affect the reported amount of assets and liabilities, disclosure of contingent liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period.

**C. PROPERTY, PLANT AND EQUIPMENT**

**(a) Tangible Assets:** The Gross carrying amount of Property, Plant & Equipment have been accounted on cost model, and cost comprises of purchase price, duties, levies and any direct attributable costs of bringing the assets to its working condition for the intended use.

**Depreciation:** Depreciation has been provided on Written down Value Method at the rates prescribed in appendix to the Income Tax Rules.

**(b) Intangible Asset**

Intangible Assets are recorded at the cost of acquisition of such assets and are carried at cost less accumulated amortisation and impairment, if any.

**Amortisation:** Amortisation has been provided for on Written down Value Method on assets (other than masala bond expenses and issue expense for KSFE) at the rates prescribed in appendix to the Income Tax Rules. In respect of expenditure incurred towards issuance of Masala Bond and expenditure towards issue for KSFE Bond, the same is amortised over a period 5 years being the period during which the benefits are expected to materialise.

**D. PRIOR PERIOD ADJUSTMENTS**

As per AS 5 "Net profit or Loss for the period, Prior Period Items and Changes in Accounting Policies",

- (i) Prior period adjustments represent entries for correction of errors or omissions in the preparation of financial statements of one or more prior periods and as such are shown separately in the Notes annexed to and forming part of Accounts.
- (ii) Extra-ordinary items are those material adjustments that arise from events or transactions that are clearly distinct from the ordinary activity of KIIFB and are not expected to occur frequently or regularly and therefore are shown separately in the Notes annexed to and forming part of Accounts.

## **E. REVENUE RECOGNITION**

In line with the prescriptions in AS 9 on "Revenue Recognition", revenue is recognised only when it can be reliably measured and it is reasonable to expect ultimate collection as per the assessment of the management.

Interest income on fixed deposits is recognised time proportionately based on periods for which amounts are outstanding and the interest rate applicable.

Interest generated from the investments made out of the corpus funds received are credited to the corpus fund as such interest is to be

mandatorily used for the objectives of the Act and hence forms a part of statutory contribution accounted under Corpus Fund.

Interest income on loans granted for revenue generating projects is recognised on accrual basis as per the terms of the loan agreement, wherever such agreements have been entered into except to the extent otherwise disclosed in the notes to accounts. In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at rates and methodology as per comparable loan agreements entered into with other parties as per the estimate of the management or at the interest rates agreed upon at the time of sanction of loan in certain cases where ever applicable. Late payment charges, prepayment charges are recognised on a point in time basis, and are recorded when realized since the probability of collecting such monies is established when the borrower pays.

## **F. CORPUS FUND- Revenue Recognition and Accounting of Utilisation**

The corpus fund-revolving represents the funds received every year from Government of Kerala as part of statutory contribution provided for in the State budget under financial support for infrastructure development as stated in Section 3(1A) r.w.s Section 7 of KIIF Act, 2016 towards the objectives based on resolution of the general body and also any amounts received additionally from Government of Kerala to meet additional fund requirements as per relative government order. The amounts utilised towards direct cost of projects are recouped from the revolving/ corpus Fund for the year and amount so utilised are shown as contra item in the P&L a/c to reflect the activities undertaken to meet the objectives as per the Act. The corpus fund-revolving also includes funds received under LAC/ADS scheme and PTA/CSR Fund as per Govt.Order.

## **G. INVESTMENTS**

As per AS 13 "Accounting for Investments", Current Investments are carried at the lower of cost or quoted / fair value, computed category-wise. Long-term investments are stated at cost. Provision for diminution in the value of long-term investments is made only if such decline is other than temporary. Investments that are readily realisable and intended to be held for not more than 12 months from the date of acquisition are classified as current investment. All other investments are classified as non-current investments.

## **H. BORROWING COST**

As per AS 16 "Borrowing Costs", Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that takes necessarily substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss.

## **I. INCOME RECOGNITION AND ASSET CLASSIFICATION NORMS**

Income recognition and asset classification norms prepared by an external agency relevant and applicable for long term infrastructure projects would be introduced w.e.f 01.04.2023 as per the decision of general body through circular resolution dated on 13.04.2023.

## **J. ACCOUNTING FOR TAXES ON INCOME**

Income Tax is accounted in accordance with Accounting Standard on Accounting for Taxes on Income (AS-22), which include Current Taxes and Deferred Taxes. Provision for Current Tax is made in accordance with the provisions of The Income Tax Act, 1961. Deferred Tax assets/ liabilities representing timing differences between accounting income and taxable income are recognized to the extent considered capable of being reversed in subsequent years by applying tax rate substantively enacted as at the end of the year. Deferred tax assets are recognised only to the extent there is reasonable certainty that sufficient future taxable income will be available, except that Deferred Tax Assets arising due to unabsorbed depreciation and losses are recognised if there is a virtual certainty that sufficient future taxable income will be available to realise the same.

## **K. CASH FLOW STATEMENT**

Cash flows from operating activities are prepared using the indirect method, whereby net profit or loss is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments, and items of income or expense associated with investing or financing cash flows.

## **L. PROVISION, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

As per AS 29 "Provisions, Contingent Liabilities and Contingent Assets", Provisions are recognised when KIIFB has a present obligation as a result of a past event, for which it is probable that a cash outflow will be required and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the correct management estimates. Contingent Liabilities are not recognised but are disclosed in notes. Contingent Assets are neither recognised nor disclosed in the financial statements.

## M. EMPLOYEE BENEFITS

Provision of AS 15 "Employee Benefits", has been considered while Preparation of Financial Statements

- (i) Short Term Employee Benefits - All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits and recognized in the period in which the employee renders the related service.
- (ii) Defined contribution plan and Defined benefit plan - KIIFB does not have any defined contribution plan and defined benefit plan as detailed in Note No 20.1 to the financial statements.

10.1 The meeting of the General Body of KIIFB held on 27.02.2023 has directed to take steps to frame and develop IRAC norms relevant and applicable for long term infrastructure projects based on study conducted by an external agency. Such norms prepared have been approved by the General Body at its meeting held on 27.02.2023 and amended by way of circular resolution dated 13.04.2023 thereafter. The General Body has decided to reinstate the norms w.e.f 1st April 2023 with modifications suggested to the norms which were in force upto 31.03.2021.

10.2 On facts of the case, in respect of many of the revenue generating projects financed, there have been certain inherent delays during implementation which according to the management does not have adverse effect on the recovery of finance granted considering the operational model of KIIFB. Moreover, since the borrowers are government owned or controlled agencies, the loans are considered by the management as good and recoverable based on confirmations from the borrowers including for land acquisition projects aggregating to Rs. 2,92,019.44 Lakhs

10.3 Out of the financial assistance to revenue generating projects an amount of Rs.44,679.68 Lakhs is secured by way of mortgage by deposit of title deed.

17.1 Interest income on loans granted for revenue generating projects is recognised on accrual basis as per the terms of the loan agreement, wherever such agreements have been entered into. Such loan agreement are entered into upon reaching 40% stage of disbursement as per the terms of the tripartite agreement between KIIFB, the SPV and the concerned Govt department. In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at interest rates as per comparable loan agreements entered into with other parties or at the interest rates agreed upon at the time of sanction of loan, as the case may be, as per the estimate of the management. Based on the above terms, KIIFB charges interest income at the rate of Average Cost of Domestic Borrowing (ACDB) of KIIFB reset every six months in a calendar year with monthly compounding for entire revenue generating projects (other than loan given to KSFDC of Rs. 1,551.59 Lakhs ,KSRTC of Rs.3,697.59 Lakhs and KTDC of Rs.800.24 Lakhs).

- 17.2 On facts of the case, many of the projects financed with long gestation period are yet to be completed as at the year end. As per the terms of the loan sanctioned the repayment of principal and interest commences on completion of moratorium period and it is not contingent on the project earning any revenue. There have been certain significant time overrun on some of the projects due to the impact of covid 19 but interest is payable on completion of moratorium period regardless of project completion or whether project is earning revenue or not.
- 17.3 Loan agreements are pending to be executed with one SPV as at 31.03.2023 for loan outstanding aggregating to Rs.1,47,366.90 Lakhs(which includes loan amount more than one year of Rs.1,18,211.37 Lakhs) although more than 40% stage of disbursement as per the terms of the tripartite agreement between KIIFB, the SPV and the concerned Govt department has been exceeded. Steps are under process for execution of loan agreements which is pending the requisite clearance from the concerned departments of the Govt of Kerala .
- 17.4 The interest income recognised includes an amount of Rs. 18,837.23 Lakhs (which represents cases dealt with in Para 17.3 above and loans with progress/ disbursements which is below 40%) for which original loan agreement is pending to be executed as at 31.03.2023. This includes interest amounting to Rs. 13,812.97 Lakhs which have exceeded 40% stage of disbursement.

19.1 Centage/ additional centage charges to SPVs are accounted based on claims received. The centage charges are paid as a percentage of project cost to SPVs as per Government order. The liability for centage is recognized based on claims submitted through invoices after proper verification and authentications/approval of claim by the management. Centage are allocated to project cost based on Government Order and General body approval.

19.2 Expenses towards Projects includes expenses directly attributable to projects such as Technical Resource Centre expenditure, Detailed Project Report support services, Independent quality audit & design review charges, Land Acquisition unit expenses, Testing equipment's and Centage /additional centage charges which are allocated to cost of projects. However, the same are pending to be allocated to individual projects as at 31.03.2023 from the inception.

19.3 Government of Kerala has entrusted KIIFB the work of providing the entire cost of infrastructure facility to the programmes in connection with the first anniversary celebrations of the Government 'Ente Keralam' being arranged by The Information & Public Relations Department vide GO No.4/2022/I&PRD dated 18.02.2022.

Allocation of Expenses towards Projects includes cost incurred towards 'Ente Keralam' program during the period is Rs.5,203.37 Lakhs , which consists of payments made to Indian Institute of Infrastructure & Construction (IIIC) of Rs.2,572.09 Lakhs ( which is government owned institution as per GO ), Kerala State Industrial Enterprise Ltd of Rs.1,380.74 Lakhs, Global Kerala Initiative of Rs.1,030.29 Lakhs and Other Parties Rs.220.25 Lakhs which are direct expenses to be capitalised.

The above agencies (including IIC which is a government owned institute as per GO 95/2019/LBR dt.24.10.2019) have been appointed on nomination basis by the CEO pending to be ratified by the general body. Payments for each activity has been preapproved by the media cell and such payments are duly authenticated by media cell based on requisite documentation authenticating supply / service received. Due to practical difficulties arising out of urgency of works, issue of work orders to the nominated agencies has been done after completion of work and receipt of invoices in many cases. The expenditure incurred aggregating to Rs.5,203.37 Lakhs is therefore proposed to be approved by the board in ensuing meeting, being not covered by the budget.

19.4 Loan converted to project cost referred to an amount of Rs.4,055.64 Lakhs as per approval of GoK vide Order no.8/2023/ID dated 09.02.2023 which relates to loan given to State Government controlled entity - M/s Kerala Industrial Infrastructure Development Corporation.

19.5 At the meeting of CEO, Principal Secretary of Industries department and KSIDC officials held on 24.06.2023 it was decided to place before the general body of KIIFB, in respect of the cost incurred on project Bio 360 life science park-Phase I of Rs. 30,117.04 Lakhs and accrued interest Rs.9,267.80 Lakhs related to the said loan upto 31.03.2021, a proposal for conversion of this project which was hitherto treated as revenue generating, into non -revenue generating project. Consequent to this the cost incurred as above would turn out to be irrecoverable. The total cost of Rs.39,384.84 Lakhs has been fully provided for and transferred to project cost in the accounts in anticipation and subject to approval of the general body of KIIFB and GoK Order. No interest has been recognised on the project subsequent to 31.03.2021 pending implementation of a resolution plan. As per the minutes of the said meeting, if any commercial consideration is received on disposal of land, such sums shall be remitted to KIIFB towards the above loan and on receipt basis such sum shall be treated as revenue.

During the year, KIIFB had incurred an expenditure of Rs.1,289.24 Lakhs for operating, hosting and value adding charges of KSFE Pravasi chitty software which includes mostly payments made to outsourced agency which are supported by invoices of intermediaries and invoices of end service providers have been furnished to KIIFB on sample basis. The aggregate maintenance expenditure for a period of 3 years from 2020-21 to 2022-23 amounts to Rs.3,103.59 Lakhs against the original cost of Rs.3,037.94 Lakhs(Gross carrying value). In accordance with the Memorandum of Agreement (MoA) entered into between KIIFB and KSFE, the parties shall enter into a separate agreement covering the terms of repayment of the expenses incurred by KIIFB towards development of the Pravasi Chitty software and incidental charges. According to the management, though the software is being used by KSFE, the ownership is vested with KIIFB and entire economic benefits of the scheme are shared by KIIFB also, as envisaged in MoA. Due to the on going development activity, the separate agreement for recovery is pending to be executed. At this stage, the cost for development of software is treated as intangible asset based on consideration and approval of proposal by KIIFB and other operating, hosting and value adding charges are charged to P&L. The effective control of the above software vests with KIIFB. The management does not expect any impairment loss in the value of software considering the pendency of execution of agreement with KSFE for recovery of cost. Management intends to take up the matter regarding recovery of capital cost and operating cost of software incurred from inception with KSFE at the time of finalisation and entering into agreement as noted above.

**Note - 25**

KIIFB has put in place a system/process of computation of Asset Liability Management. A detailed external review of the ALM system was conducted by independent IT consultants to assess the functionality and management of financial risk of KIIFB and to conduct a comprehensive scenario-based testing of the ALM System to ensure its robustness on 15.02.2022. The observations of the reviewers was duly considered by the management of KIIFB at the meeting held on 15th February 2022 and the status of ALM was taken note of by the General Body. The ALM model is placed for overseeing and monitoring at the periodical meetings of the Fund Trustee and Advisory Committee (FTAC) of KIIFB which comprises of eminent financial experts of the country having rich and wide experience in the field of financial management. The committee reviews the sound functioning of the ALM Model and it has found to be properly in place to safeguard the best interest of KIIFB.

**Note - 26**

Commitments - KIIFB sponsored the Kerala Infrastructure Fund (KIF) as AIF (Alternate Investment Fund) registered with SEBI in April 2019. As per SEBI regulations, the sponsor of the fund must commit a minimum of 2.5% or Rs. 5 crores of the fund size and maintain the said minimum amount as continuing interest of the sponsor towards sponsor's commitment, as required under Regulation 10(d) of the AIF regulations, during the term of the Fund. As per the draft PPM submitted to SEBI, the Fund size of KIF is indicated as Rs 3000 Cr (Rs. 1500 crore with green shoe option of Rs. 1500 crore).

The General Body has decided the capital commitment as 10% of the fund size subject to a maximum of Rs 300 crores.

**Note - 27**

27.1 Reconciliation of Form 26 AS (as per Income Tax Act,1961) and Book of accounts - Interest income as per Form 26 AS is higher by Rs.277.32 Lakhs with respect to a particular bank which is prima facie noted to be duplication of entry in Form 26 AS which is subject to reconciliation. TDS portion of the same was also not taken credit for in books of accounts due to above mismatch.

**Note - 28****Contingent Liability**

28.1 During the previous year Income tax demand of Rs 112.57 Lakhs was raised for AY 2018-19 under limited scrutiny assessment disallowing the carried forward business loss of Rs.203.46 Lakhs for the A.Y.2014-15 against which appeal has been filed with higher authorities and is pending disposal. The demand amount of Rs 32.25 Lakhs is on account of erroneous computation in the assessment order for which rectification has been filed and has not been paid or provided for in positive anticipation of a favourable order. The balance demand of Rs 80.33 Lakhs has been paid and written off to Profit & Loss account in the previous year though the matter has been contested on appeals before higher authorities as stated above on a due consideration of the grounds of appeal.

Income Tax Department has adjusted the said demand amount (Rs.112.57 Lakhs) against the Refund due for AY 2019-20 which has resulted in double payment to the extent of Rs 80.33 Lakhs already remitted as stated as above. KIIFB is in the process of taking steps for recovery of said refund amount by filing a refund reissue application with the department. The entire amount has been carried forward under Refund due from the department in Note 11.

28.2 Income tax demand of Rs.190.30 Lakhs ( including interest for delayed payment ) has been raised by the DCIT -TDS u/s.201 of the Act on KIIFB by treating it as an assessee in default for non-deduction /delay in the remittance of TDS on works bills raised by contractors on SPVs/Advance payments to SPVs on the above account. The management is of the firm view that there is no liability for tax deduction in the hands of board as the privity of contract under Section 194C is between the awardee of the work (SPV) and contractor and hence TDS provisions under Chapter XVIIIB are not applicable to KIIFB on such payments. The person responsible for such payment including TDS thereon is the SPV u/s 204 of the Income Tax Act is only the SPV who has awarded the work to the contractor and in whose name the work bill has been raised by contractors. KIIFB has obtained legal opinion from Senior advocate of repute on the above matter. KIIFB has also obtained stay order from Hon'ble High Court of Kerala on a writ petition filed for an interim period of six months and steps are under way to further extend the stay .The balance amount of demand has not been provided for in the accounts in positive anticipation of a favourable order on disposal of the writ petition on merits.

28.3 Demands raised for the AY 2020-21 vide order u/s.143(3) dt.27.9.22 and AY 2021-22 vide order u/s.143(3) dt.20.12.22 on completion of scrutiny assessment aggregating to Rs.1,292.01 Lakhs (Rs.79.59 Lakhs for AY 20-21 {considering the rectification order u/s.154 of the Act dt 15.03.23} and Rs.1,212.42 Lakhs 21-22) has been contested on appeals filed with appellate authorities. Since the demands have arisen on account of wrong interpretation/invocation of the provisions of Section 69C of the Income Tax Act, 1961 the amount is not considered payable by the management and not provided for quite hopeful of favourable outcome of the appeal filed.

28.4 Invoices raised by the Vendor pending approval by the management : M/s RITES, the consultant engaged during the year for independent quality review, design review, consultancy and providing assistance in empanelment of supervision consultants has raised a total claim of Rs.1,060.69 Lakhs which is pending to be approved/accepted by KIIFB as on date and hence represent claims not acknowledged as debt by KIIFB and hence not provided for. The amount is reckoned as contingent liability at this stage and would be accounted for as and when approved /accepted by KIIFB. In addition to the above, an amount of Rs 211.17 Lakhs for which claims were not accepted by KIIFB in respect of which credit note is not raised by the party. Out of the above an amount of Rs.135.30 Lakhs is more than one year for which credit note is pending to be raised by the party.

**Note** 7.1 The management estimates that the future economic benefit from the expenditure towards issue of Masala Bond and issue of KSFE Bond will accrue to the Board over the period of the Bond being 5 years. Accordingly, such expenditure are treated as Intangible Asset and amortised over 5 years.

7.2 The property, plant and equipment and the intangible assets are purchased using the corpus fund received. However, the amount is not deducted from the gross value of assets or no separate deferred income is recognised for an amount equivalent to the cost of asset in accordance with AS-12 Accounting for Government Grants, since the break up details of assets acquired out of corpus fund/loans have not been maintained.

7.3 The system of maintenance of a formal Fixed Asset register showing full particulars of assets in various locations and physical verification of fixed assets is in the process of implementation. Physical verification of fixed assets and reconciliation of values with asset register is pending to be done and adjustments if any required on such verification would be made in the succeeding year on completion of this process. Based on the management assessment of the internal controls in place over physical possession and available records regarding details of fixed assets, no material discrepancies are expected to arise on physical verification of fixed assets.

7.4 The Gross carrying value and net carrying value of intangible asset towards software for KSFE pravasi Chhity and issue expenses amounts to Rs. 3,037.94 Lakhs and Rs. 803.34 Lakhs respectively. Revenue expenses incurred towards software maintenance charges during the reporting period amounts to Rs. 1,289.24 Lakhs (cumulatively over the period amounts to Rs.3,103.59 Lakhs). The actual borrowing infused is Rs. 91,113 Lakhs only and is perpetually growing. The management estimates no impairment in the value of the asset considering the benefits out of the borrowing by issue of bonds to KSFE at reasonable rate of interest and further towards recovery of cost as per terms of MoA between KIIFB and KSFE. Accordingly the value in use as per management is sufficient to cover the net carrying value of asset. The higher expenditure on maintenance is explained by the management to be on account of substantially higher utilisation capacity of the software, as compared to its actual use/exploitation.

**INDEPENDENT AUDITOR'S REPORT ON STANDALONE FINANCIAL STATEMENTS**

To

The Members of Kerala Infrastructure Investment Fund Board,  
Thiruvananthapuram

**Report on the Audit of Standalone Financial Statements**

**Opinion**

We have audited the accompanying standalone financial statements of Kerala Infrastructure Investment Fund Board (hereinafter referred to as 'KIIFB'), which comprise the standalone Balance Sheet as at March 31st 2023, the standalone Profit and Loss account and the standalone Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the accompanying standalone financial statements give a true and fair view of the state of affairs of the KIIFB as at March 31, 2023, and of its Nil profit/loss and its cash flows for the year ended on the above said date in accordance with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

**Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) issued by ICAI. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of KIIFB in accordance with the Code of Ethics issued by ICAI and we have fulfilled our other ethical responsibilities in accordance with the said Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

**Emphasis of Matter**

We draw attention to the following matters described in the Notes to accounts of the standalone financial statements:

- (i) Interest income recognised during the year includes an amount of Rs.18,837.23 Lakhs for which original loan agreements are pending to be executed (including cases which have exceeded 40% stage of disbursement noted in (iii) below, interest on such borrowing for the year being Rs. 13,812.97 Lakhs and the revenue recognised is based on rates charged on comparable loan agreements with other borrowers ( at rates of Average Cost of Domestic Borrowings) or at rates agreed upon at the time of sanction of the loan as mentioned in Note No 17.4 to the standalone financial statements.

- (ii) Interest income has been recognised on revenue generating projects in cases where there has been certain delays on implementation of the projects financed by such loans, as detailed in Note no.17.2 to the standalone financial statements since according to the management it is not contingent on the project earning any revenue. According to the management, certain inherent delays which have occurred during implementation stage of infrastructure does not have adverse effect on the recovery of finance granted considering the operational model of KIIFB as detailed in Note no 10.2 and these loans are expected to be recovered from SPVs which are all government owned or controlled agencies and hence considered by the management as good and recoverable. Confirmation of balances have been obtained from loanees as at 31.03.2023
- (iii) Loan agreements are pending to be executed as on date with one SPV for loan outstanding aggregating to Rs.1,47,366.90 Lakhs although more than 40% stage of disbursement (as per the terms of Tripartite Agreement between KIIFB, SPV and the concerned Government department) has been exceeded requiring execution of such loan agreement, as stated in Note no.17.3 to the standalone financial statements. As explained by the management, steps for execution of loan agreements is under process, which is pending the requisite clearance from the concerned departments of the Govt of Kerala. Such cases pending for more than one year amounts to Rs.1,18,211.37 Lakhs.
- (iv) As stated in Note No.19.5, based on decision at the meeting of CEO, Principal secretary, Industries department and KSIDC officials held on 24.06.2023 it was decided to place before the general body of KIIFB, the proposal for conversion of the cost incurred on project Bio 360 life science park-Phase I of Rs. 30,117.04 Lakhs and accrued interest Rs.9,267.80 Lakhs related to the said loan upto 31.03.2021, hitherto treated as revenue generating, into non -revenue generating. The total cost of Rs.39,384.84 Lakhs has been fully provided for and transferred to project cost in the accounts for the year in anticipation and subject to approval of the General Body of KIIFB and Govt of Kerala.
- (v) As stated in Note No 10.1, the meeting of the General Body of KIIFB held on 27.02.2023 has directed to take steps to frame and develop IRAC norms relevant and applicable for long term infrastructure projects based on study conducted by an external agency. Such norms prepared have been approved by the General Body at its meeting held on 27.02.2023 and amended by way of circular resolution dated 13.04.2023 thereafter. The General Body has decided to reinstate the norms w.e.f 1st April 2023 with modifications suggested to the norms which were in force upto 31.03.2021.
- (vi) As stated in Note No.24, during the year KIIFB had incurred an expenditure of Rs.1,289.24 Lakhs for operating, hosting and value adding charges of KSFE Pravasi chitty software which includes mostly payments supported by invoices of intermediary agencies only to whom the services have been outsourced on a nomination basis and

invoices of end service providers have been furnished to KIIFB on a sample basis. The aggregate operating expenditure for a period of 3 years from 2020-21 to 2022-23 amounts to Rs.3,103.59 Lakhs against the original cost of Rs.3,037.94 Lakhs (Gross carrying value). We have relied on the management submission that such heavy operating cost is essentially required considering the huge capacity of the software developed. As per the MoA between KIIFB and KSFE the parties shall enter into a separate agreement covering the terms of repayment of the expenses incurred by KIIFB towards development of the Pravasi Chitty software and incidental charges which is pending at this stage. Management intends to take up the matter regarding recovery of capital cost and operating cost of software incurred from inception with KSFE at the time of finalisation and entering into agreement as noted above. There is a need to finalise the agreement on this without further delay.

- (vii) As stated in Note No.2.7.1 to the standalone financial statements, the balances under statutory contribution receivable from GoK of Rs.7,78,006.59 Lakhs upto 31.03.2023 is considered good and recoverable by the management. According to the management there is no uncertainty with regard to ultimate recovery, based on financial operational model of KIIFB as per the KIIF Act, 1999 (amended by act of 2016) as such amounts are expected to be recouped from the statutory contribution receivable in future.
- (viii) As per details of expenditure furnished in Note No 19.3 to the standalone financial statements, the allocation of expenses towards Projects includes cost incurred towards 'Ente Keralam' program of Rs.5,203.37 Lakhs being payment made to external agencies (as per furnished in note 19.3) to whom certain advertisements/ publicity functions have been outsourced, which in the opinion of the management, are direct expenses to be capitalised. Hence no specific provision is explained to be required for this in the budget approved by the General Body for the above expenditure which has been authorised by GoK vide GO No.4/2022/I&PRD dated 18.02.2022. This order stipulates that KIIFB shall meet the entire infrastructure facility as part of Ente Keralam program being an activity undertaken in connection with the first anniversary celebration of the Government. The above agencies including IIC which is a Government owned institute as per GO issued have been appointed on nomination basis by the CEO subject to ratification by the general body in the ensuing meeting. Payments for each activity has been preapproved by the management and such payments are duly authenticated by management based on certain documentation authenticating supply / service received. However, invoices from end service providers have not been furnished to KIIFB. Due to practical difficulties arising out of urgency of works issue of work orders to the nominated agencies, in many cases have been done after completion of work and receipt of invoice

- (ix) As stated in Note No. 22.3, Receivable written off includes an amount of Rs.140.96 Lakhs related to C-DIT ( GoK Body) which was pending reconciliation for long period. As stated in Note 22.4 TDS amount on the Interest income from bankers of Rs.375.77 Lakhs being difference noted in prior years between the books of accounts and Form 26AS (being higher amount in books) has been provided for since efforts put in for such reconciliation did not yield any positive results.

Our opinion is not modified in respect of these matters.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current year. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key Audit Matters	How addressed in Audit
<p>(i) In case of loans granted for which the loan agreement is pending to be executed, interest is recognised on accrual basis at interest rates as per comparable loan agreements entered into with other parties or at the interest rates agreed upon at the time of sanction of loan, as the case may be, as per the estimate of the management.</p> <p>The interest income recognised as per method mentioned in para (i) above is Rs. 18,837.23 Lakhs for which original loan agreement is pending to be executed (including one SPV aggregating to Rs. 13,812.97 Lakhs where 40% disbursement has been exceeded as per note (ii) below).</p> <p>Such costs includes amounts outstanding for more than one year Rs.1,18,211.37 Lakhs where 40% disbursement has exceeded.</p>	<p>As per the principles laid down in AS 9 Revenue recognition, KIIFB has recognized interest income on accrual basis for loans given for which loan agreements are pending to be executed, at the rates charged to other comparable borrowers. This is done as per confirmation given by the management as to recoverability of the amount and is duly disclosed in Note No.17 to the standalone financial statements.</p> <p>Recognition of interest revenue for projects for which original loan agreement is not yet executed is based on the consistent management practice of recognising revenue by using the rates of comparable projects for which original loan agreement is already executed.</p> <p>According to the management, in respect of projects for which agreement is not entered yet, any change in the rate of interest on revision which is not expected to be material shall be accounted for in the year in which such agreement is entered into.</p>

Key Audit Matters	How addressed in Audit
<p>(ii) As per tripartite agreement entered into between KIIFB, SPV and respective Administrative Department, the loan agreement fixing the rate of interest is to be executed upon completion of 40% of the project disbursement. Loan agreements are pending to be executed as on date with one SPV for loan outstanding aggregating to Rs.1,47,366.90 Lakhs which has disbursements exceeding 40% stage.</p> <p>On facts of the case, there have been certain inherent delays in respect of many of the projects financed with long gestation periods. As per the terms of the loan sanctioned, the repayment of principal and interest commences on completion of moratorium period. Interest is payable by the borrower as per terms of agreement as above regardless of completion of project and is also not contingent on the project earning any revenue. According to the management such delays in project implementation is not likely to have any adverse impact on recovery of finance granted for revenue generating projects.</p>	<p>The management has given a representation that active steps are underway in entering into loan agreement with the parties to whom disbursement has exceeded 40% stage and that there will be no material impact on the income or asset recognised due to this delay.</p> <p>Income has been recognized based on the terms of the loan sanctioned and there is no significant doubt as to realization at this stage. Facts have been duly disclosed in the standalone financial statements.</p>
<p>As stated in Note No. II.I under significant accounting policies and note 10 to the standalone financials, the meeting of the General Body of KIIFB held on 27.02.2023 has directed to take steps to frame and develop IRAC norms relevant and applicable for long term infrastructure projects based on study conducted by an external agency.</p>	<p>The IRAC norms prepared have been approved by the General Body at its meeting held on 27.02.2023 and amended by way of circular resolution dated 13.04.2023 thereafter. The General Body has decided to reinstate the norms w.e.f 1st April 2023 with modifications suggested to the norms which were in force upto 31.03.2021.</p> <p>Facts have been duly disclosed in the standalone financial statements.</p>

Key Audit Matters	How addressed in Audit
<p>At the meeting of CEO, principal secretary, Industries department and KSIDC officials held on 24.06.2023 it was decided to place before the general body of KIIFB, the proposal for conversion of the the cost incurred on project Bio 360 life science park-Phase I of Rs. 30,117.04 Lakhs and accrued interest Rs.9,267.80 Lakhs related to the said loan upto 31.03.2021, hitherto treated as revenue generating into non -revenue generating project. Consequent to this the cost incurred as above has been fully provided for in the accounts of the year in anticipation of the approval of the General body and Govt of Kerala.</p>	<p>The total cost of Rs.39,384.84 Lakhs has been fully provided for and transferred to project cost in the accounts in anticipation and subject to approval of the General Body of KIIFB and GoK Order.</p> <p>No interest has been recognised on the project subsequent to 31.03.2021 pending implementation of a resolution plan.</p> <p>As per the minutes of the said meeting, if any commercial consideration is received on disposal of land, such sums shall be remitted to KIIFB towards the above loan and on receipt basis such sum shall be treated as revenue.</p> <p>The fact duly disclosed in note 19.5 to the standalone financial statement.</p> <p>During the special audit conducted for the period ended 31.12.2022, for SEBI listing purposes the loan was treated as good and recoverable on the basis of confirmation received from the party. The above treatment is based on decision in the meeting held on 24.06.23 referred to.</p>
<p>The corpus fund-revolving represents the funds received every year from Government of Kerala as part of statutory contribution provided for in the State budget under financial support for infrastructure development as stated in Section 3(1A) r.w.s Section 7 of KIIFB Act, 2016 towards the objectives based on resolution of the general body and also any amounts received additionally from Government of Kerala to meet additional fund requirements as per relative government order. The amounts utilised towards direct cost of projects are recouped from the revolving/ corpus Fund for the year and amount so utilised are shown as contra item in the P&amp;L a/c to reflect the activities undertaken to meet the objectives as per the Act.</p>	<p>The balances under statutory contribution receivable from GoK as at 31.03.2023 of Rs. 7,78,006.59 Lakhs is considered good and recoverable by the management.</p> <p>The recoverability is based on financial operational model of KIIFB as per the KIIF Act, 1999 as such amounts are expected to be recouped from the statutory contribution receivable in future as per the operational model implemented by KIIFB as envisaged in the KIIF Act.</p> <p>Therefore, as per recovery model as above, which is built in to Asset Liability Management (ALM) , there is no uncertainty with regard to ultimate recovery of the above amount due from GoK as per management representation in this regard.</p>

Key Audit Matters	How addressed in Audit
<p>The revolving corpus fund is received on an annual basis towards financial support for Infrastructure Development by way of statutory contribution being share of KIIFB from Cess on petrol and share of KIIFB from Motor Vehicle Tax as per KIIFB Act.</p> <p>The balances under statutory contribution receivable from GoK as at 31.03.2023 is Rs. 7,78,006.59 Lakhs considered good and recoverable as the same would be recouped from statutory contribution receivable every year as per operational model of KIIFB.</p>	<p>The ALM model is placed for overseeing and monitoring at the periodical meetings of the Fund Trustee and Advisory Committee (FTAC) of KIIFB which comprises of eminent financial experts of the country having rich and wide experience in the field of financial management to safeguard the best interest of KIIFB. We have placed reliance on the surveillance being exercised utilising the technical expert knowledge of the FTAC committee in respect of sound functioning of the ALM Model.</p>

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of these standalone financial statements that give a true and fair view of the state of affairs, results of operations and cash flows of KIIFB in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing KIIFBs ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate KIIFB or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing KIIFBs financial reporting process.

**Auditor’s Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KIIFBs internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on KIIFBs ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause KIIFB to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Report on Other Legal & Regulatory Requirements**

1. We report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - (b) In our opinion, proper books of account as required by law have been kept by KIIFB so far as it appears from our examination of those books.
  - (c) The standalone Balance Sheet, standalone Profit and Loss account and the standalone Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
  - (d) The rupee denominated borrowings shown under Liabilities in the said Balance sheet represent external borrowings under Masala Bonds availed by KIIFB, in the year 2018-2019 and outstanding on 31st March 2023, which are fully secured by the sovereign guarantee issued by the Government of Kerala and have the required approval of the Reserve Bank of India under the Foreign Exchange Management Act 1999. As explained to us by the management of KIIFB, on other legal issues relating to the said borrowings, as per the legal opinion received from a renowned jurist and legal expert, the issue of Masala bonds made for the borrowings by KIIFB as above, is neither illegal nor is in violation of any law, which, being a legal matter, no opinion is expressed thereon.
  - (e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards issued by the Institute of Chartered Accountants of India in all material aspects.

Date: 13.11.2023

**Notes forming Part of Financial results for the period ended 30.09.2023**

- 1 The above unaudited financial results of Statement of profit & loss, Balance sheet and Cash Flow Statement have been approved and taken on record by the members of the General Body of KIIFB vide circular resolution dated November 13, 2023.
- 2 Kerala Infrastructure Investment Fund Board ( referred to as KIIFB) was established on 11.11.1999 under the Kerala Infrastructure Investment Fund Act 1999 (Act 4 of 2000) with the main objective of financing the investment in critical and large infrastructure projects in the State of Kerala. Comprehensive modification of the Act and Scheme has been made through an amendment Ordinance in August 2016. The unaudited financial results of KIIFB have been prepared under the historical cost convention, in accordance with the generally accepted accounting principles and Accounting Standard-25 Interim Financial Reporting issued by Institute of Chartered Accountants of India and as per Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations 2015 ('Listing Regulations'). KIIFB follows Mercantile System of Accounting and recognizes significant items of income and expenditure on accrual basis, except to the extent otherwise stated. KIIFB, being a body corporate and not a company as defined under Companies Act, 2013 do not adopt the Ind AS prescribed under Companies (Indian Accounting Standard) Rules, 2015.
- 3 The figures for financial results of Statement of profit & loss, Balance sheet and Cash Flow Statement for the quarter ended and year to date for September 30, 2022 were prepared by the management and have not been subjected to limited review since the requirement of submission of quarterly financial results is applicable only from quarter ended June 30, 2023. Management has reclassified the figure for the quarter ended/ year to date of September 30 2022 to make it consistent with quarter ended / year to date of September 30, 2023.
- 4 Payments towards direct project cost are accounted on actual payment basis. Centage/ additional centage charges to SPVs are accounted based on claims received. The centage charges are paid as a percentage of project cost to SPVs as per Government order. The liability for centage is recognized based on claims submitted through invoices after proper verification and authentications/approval of claim by the management. Centage are allocated to project cost based on Government Order and General body approval.  
  
Various expenses incurred which are directly attributable to projects such as Technical Resource Centre expenditure, Detailed Project Report support services, Independent quality audit & design review charges, Land Acquisition unit expenses, Testing equipments and Centage /additional centage charges which are allocated to cost of projects. However, the same are pending to be allocated to individual projects as at quarter end from the inception.
- 5 Interest income recognised during the quarter includes an amount of Rs.1,100.01 Lakhs (year to date of Rs.2,103.37 lakhs) on which 40% stage of disbursement has not been exceeded as per the terms of tripartite agreement for the project. In the absence of separate loan agreement interest on such borrowings are recognised based on rates charged on comparable loan agreements with other borrowers ( at rates of Average Cost of Domestic Borrowings) or at rates agreed upon at the time of sanction of the loan which is lower than average cost of domestic borrowings.
- 6 Interest income has been recognised on revenue generating projects in cases where there has been certain delays on implementation of the projects financed by such loans to SPVs and according to the management payment of interest is not contingent on the project earning any revenue. And also that certain inherent delays which have occurred during implementation stage of infrastructure projects does not have adverse effect on the recovery of loans granted considering the operational model of KIIFB and these loans are expected to be recovered from SPVs which are all government owned or controlled agencies and hence considered by the management as good and recoverable.
- 7 KIIFB has introduced revised prudential norms on Income recognition, asset classification and provisioning relevant and applicable for long term infrastructure projects w.e.f 01-04-2023 as per the decision of general body through circular resolution dated on 13.04.2023. As per the said norms provisions for standard assets (for all revenue generating projects) at 0.4% on the outstanding loan balance and accrued interest amounting to Rs.2,450.32 Lakhs has been provided in the books of accounts. As per the said norms, an asset is recognised as Non performing when there is arrears of principal or interest overdue for more than twelve months only. Once an asset is recognised as non performing (Substandard or lower), entire unrealised interest is reversed and income is accounted for on cash basis only. Provisioning of non performing assets is done as per norms as under :
  - a) The assets are classified as follows :
    - (i) Standard Assets - up to 12 months overdue
    - (ii) Substandard Assets – Beyond 12 months but less than 24 months overdue
    - (iii) Doubtful Assets – Beyond 24 months overdue
    - (iv) Loss Assets – fully to be written off subject to security value realisation
    - (v) In case of revenue generating projects (RGP) for which repayment agreements are pending to be entered, and disbursement is more than 40%:- such RGP will be considered as substandard asset after 24 months from when 40% payment milestone has been reached or from the date of identification of the project as RGP in books of accounts, whichever is later.

8) Provisioning Norms

Type of Asset	Provision Required (%)- Expected Credit loss
Standard Asset	0.40%
Substandard Asset	
Beyond 12 months and up to 18 months overdue for repayment agreements executed and beyond 24 months and up to 30 months overdue for not executed.	10%
Beyond 18 months and up to 24 months overdue for repayment agreements executed and beyond 30 months and up to 36	25%
(iii) Doubtful Assets	
Up to One year	50%
One to three years	75%
More than three years	100%
(iv) Loss Assets	100%

8 As per the terms of repayment agreement, there are overdues in two projects (less than 12 months overdue). Amount of principal and interest overdue on the said loan amounts to Rs. 12,855.78 lakhs and 2,789.21 lakhs respectively for the quarter ended 30-09-2023 and year to date amounting to Rs.13,722.06 lakhs (principal amount) and Rs.3181.09 lakhs (interest amount).

9 Prudential norms on Income recognition, asset classification and provisioning for long term infrastructure projects adopted by KIIFB w.e.f 01-04-2023, vide circular resolution stated above and the same has been revised in the 46th General Body Meeting of KIIFB. KIIFB has classified projects into four categories based on the viability of projects. The categorisation of loans is as follows.

Category	Type of Category	No. of Projects	Loan (Rs. in lakhs)	Interest Accrued (Rs. in Lakhs)	Total (Rs. in Lakhs)
I	Projects which have high commercial viability	7	4,93,874.66	1,11,377.64	6,05,252.30
II	Projects which have medium commercial viability	6	7,007.65	319.74	7,327.39
III	Projects which have low commercial viability	3	47,854.49	11,808.15	59,662.64
IV	Projects which have no commercial viability	0	-	-	-

Total

**5,48,736.80      1,23,505.53      6,72,242.33**

9.1 Based on the agenda matters for 46th General body meeting held on 02th September 2023 and based on observations of FTAC Committee, three projects were classified as projects with lower commercial viability and are not able to commence commercial operations immediately post implementation on account of the inherent nature of such projects. As per guidelines on the revised IRAC Norms approved at the meeting of general body and Fund Trustee Advisory Commission (FTAC), a total project cost of Rs. 17,737.45 Lakhs and interest accrued amounting to Rs. 2,540.36 Lakhs has been provided for and debited to P&L account in the books of account in half year period as Provision for conversion of Loan to non income generating project. This is in addition to the project referred to in note no.9.2 below. The above decision is approved/ratified by the General Body meeting held on 02-09-2023, however signed copy of the minutes is pending to be received. On the basis of the above decision, accounting adjustment has been carried out for writing off the cost to P&L account and formal approval of Government of Kerala is also pending to be obtained on the above matter.

9.2 During the FY 2022-23 cost incurred on the Project Bio 360 life science park-Phase I of Rs. 30,117.04 Lakhs and accrued interest Rs.9,267.80 Lakhs related to the said loan up to 31.03.2021 has been fully provided for conversion to Non-revenue generating project. Approval from Govt of Kerala is pending to be received in this regard.

10 The balances under statutory contribution receivable from GoK of Rs.9,43,625.48 lakhs is considered good and recoverable by the management. According to the management there is no uncertainty with regard to ultimate recovery, based on financial operational model of KIIFB as per the KIIF Act, 1999 (amended by act of 2016) as such amounts are expected to be recouped from the statutory contribution receivable in future. Current portion of statutory contribution receivable has been ascertained on the basis of Budgetary allotment of statutory contribution as per annual Finance Act 2023 of GoK and balance amount has been shown under Non Current Asset.

- 11 Government of Kerala vide G.O 2/2023/I&PRD dated 09.03.2023 has entrusted KIIFB to incur infrastructure and media publicity cost of 'Ente Keralam' activities. The "Ente Keralam" program expenses amounting to Rs.6,738.56 lakhs (including estimated provision of Rs.338.17 lakhs) was incurred in quarter ended 30.06.2023 through external agencies (Kerala State Industrial Enterprises Limited, Global Kerala Initiative - GKI, Indian Institute of Infrastructure & Construction referred to as IIIC), all of which are government owned or controlled entities to whom the activities/functions were outsourced by KIIFB. The invoices of end service providers were available only to the extent of Rs.4,538.86 lakhs w.r.t IIIC and KSIE Ltd out of Rs. 6,400.39 lakhs (excluding provision). M/s IIIC has provided with an administrative and facilitation charges 20% which amounts to Rs.506.81 Lakhs and KSIE has raised invoice at 4% higher on procurement cost which amounts to Rs.55.96 lakhs and with respect to other agencies such charges is not correctly ascertainable. Management has taken necessary steps to obtain invoices of other end service providers. The above expenses have been treated as a part of project cost debited to P&L account of quarter ended 30.06.2023 and year to date figures of quarter ended 30.09.2023, on account of which no specific budget provision is required. The above agencies have been appointed on nomination basis (single quote) by the CEO which is subject to ratification by the General body.
- 12 During the quarter KIIFB had incurred an expenditure of Rs.218.45 Lakhs (year to date of Rs.457.65 lakhs) towards KSFE Software expenses which includes an amount of Rs.205.31 lakhs (year to date of Rs.435.17 lakhs) incurred through external agency (a Government PSU - KSIE Limited) to whom the activities for server hosting and licence renewal charges of KSFE Pravasi software have been outsourced by KIIFB on nomination basis (single quote) which are supported by invoices of two level intermediary agencies and invoice of end service provider is not available. KSIE Limited has raised invoice on KIIFB at amounts higher by 10% on procurement cost. The aggregate operating expenditure for the period beginning from 2020-21 to 30-09-2023 amounts to Rs.3,561.24 Lakhs against the original cost of Rs.3,037.94 Lakhs (Gross carrying value). As per the MoA between KIIFB and KSFE dt.01.06.2019 the parties shall enter into a separate agreement for recoupment/reimbursement of total cost of the software incurred by KIIFB which is pending to be done at this stage.
- 13 Claims pending for acknowledgement: M/s RITES, the consultant engaged for independent quality review, design review, consultancy and providing assistance in empanelment of supervision consultants has issued invoices amounting to Rs.916.48 Lakhs up to 30-09-2023 as per GSTR-2B. However, such invoices has not been received by KIIFB as on date of reporting and represent claims not acknowledged as debt and hence not provided for. These amount would be accounted for as and when the invoices are received by KIIFB and approved. In addition to the above, provision has been made on estimated basis based on assessment of the management of the actual liability as at the half year ended 30-09-2023 amounting to Rs.1,056.28 lakhs against invoices received pending to be processed fully shown under Other current liabilities and claims through invoice received amounting to Rs.264.07 Lakhs has not been provided for in books of accounts in anticipation that the final claim processed shall be less than invoiced value to that extent. Hence, the aggregate of claims not acknowledged by KIIFB at this stage amounts to Rs 1,180.55 lakhs as at 30-09-2023.
- 14 Reconciliation of Form 26 AS (as per Income Tax Act,1961) and Book of accounts - Reconciliation of Income for the current reporting period and TDS credit as per Form 26AS with books of accounts could not be done since Form 26AS in income tax web portal is yet to be updated with the entries up to the end of the quarter. 26 AS for the financial year 2022-23 is also pending for reconciliation. Any adjustment found required shall be made in succeeding period/year upon such reconciliation.
- 15 KIIFB has put in place a system/process of computation of Asset Liability Management. A detailed external review of the ALM system was conducted by independent IT consultants to assess the functionality and management of financial risk of KIIFB and to conduct a comprehensive scenario-based testing of the ALM System to ensure its robustness on 15.02.2022. The observations of the reviewers was duly considered by the management of KIIFB at the meeting held on 15th February 2022 and the status of ALM was taken note of by the General Body. The ALM model is placed for overseeing and monitoring at the periodical meetings of the Fund Trustee and Advisory Committee (FTAC) of KIIFB which comprises of eminent financial experts of the country having rich and wide experience in the field of financial management. The committee reviews the sound functioning of the ALM Model and it has found to be properly in place to safeguard the best interest of KIIFB.
- 16 The total income tax demands raised against KIIFB of Rs.1,594.88 Lakhs which is unpaid pertains to AY 2018-19 of Rs.112.57 Lakhs, AY 2020-21 of Rs.79.59 lakhs and AY 2021-22 of Rs.1,212.42 Lakhs for which appeal is pending disposal with Commissioner of Income Tax (Appeals). Income Tax demands of Rs.190.30 Lakhs towards TDS for FY 2017-18 to 2020-21 is pending disposal of writ petition with Hon'ble High Court of Kerala. The above amounts are not provided for pending disposal of appeals.
- 17 KIIFB had raised an amount of Rs. 2,150 crore through overseas Rupee denominated Bond offering (Masala Bond) with the due approval of Reserve Bank of India as required under Foreign exchange management Act 1999 in the year 2018-19. KIIFB has also ensured compliance with approvals or permissions, if any required from other regulatory authority or Government under other relevant laws /regulations as stated in the letter of RBI in due consultation with eminent jurist and legal expert. These 5 year tenure bonds were issued at a coupon rate of 9.723% p.a .The interest has to be serviced on semi-annual basis and the principal amount at the end of the Bond period. This bond offering is also backed by guarantee given by Government of Kerala for the repayment of its interest and principal amount.

**Items included in numerator and denominator for computing the above mentioned ratios:**

**a) Debt-Equity Ratio**

Debt-Equity ratio compares a Company's total debt to shareholders equity

Debt-Equity Ratio = Total Debt / Shareholder's Equity

Shareholder's Equity = Equity Share Capital + Reserves and Surplus

**b) Debt Service Coverage Ratio (DSCR)**

Debt Service coverage ratio is used to analyse the firm's ability to pay off current interest and instalments

Earning for Debt Service = Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + Debt service = Interest + Principal Repayments+ Lease payments

**c) Interest Service Coverage Ratio (DSCR)**

Interest Service Coverage Ratio (DSCR)= Earnings available for Interest Service/ Gross Interest

Earning for Interest Service= Net Profit before taxes + Non-cash operating expenses like depreciation and other amortizations + Interest + other adjustments like loss on sale of Fixed assets etc.

**d) Networth**

Networth is used to measure the value of an entity

Networth = Total Asset - Total Liabilities

**f) Current Ratio**

Current Ratio = Current Assets/ Current Liabilities

Current Assets include - Current investments, Trade receivables, cash and bank balances (including interest accrued thereon) and short term loans and advances

Current Liabilities include - Trade Payables, Accrued liabilities, statutory liabilities, income tax liabilities and other short term provisions

**g) Long Term Debt To Working Capital**

Long Term Debt To Working Capital shows the financial leverage of a firm.

Long Term Debt = Non current borrowing + Current maturity of long term debt

Net working capital = Current Asset - Current liability excluding current borrowing

### h) Current Liability Ratio

Current Liability Ratio =  $\frac{\text{Current liability excluding current borrowing}}{\text{Total Liabilities}}$

**LIMITED REVIEW REPORT**

To the General Body of Kerala Infrastructure Investment Fund Board

1. We have reviewed the accompanying unaudited balance sheet of Kerala Infrastructure Investment Fund Board (hereinafter referred to as 'KIIFB') as at September 30, 2023 and the related unaudited Statement of Profit & Loss for the three month period then ended, year to date cash flow statement and notes to accounts (hereinafter referred to as 'interim financial information') being submitted by KIIFB pursuant to the requirement of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended.
2. Management is responsible for the preparation and fair presentation of this interim financial information in accordance with AS 25 – Interim Financial Reporting issued by the Institute of Chartered Accountants of India. Our responsibility is to issue a report on this interim financial information based on our review.

**Scope of Review**

3. We conducted our review of the interim financial information in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial information are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

**Basis for Qualified Conclusion**

4.
  - (i) As stated in Note No.11 to the accounts, the Government of Kerala vide G.O 2/2023/I&PRD dated 09.03.2023 has entrusted KIIFB to incur infrastructure and media publicity cost of "Ente Keralam" activities. The "Ente Keralam" program expenses amounting to Rs.6,738.56 lakhs (including estimated provision of Rs.338.17 lakhs) was incurred in quarter ended 30.06.2023 through external agencies (Kerala State Industrial Enterprises Limited, Global Kerala Initiative - GKI, Indian Institute of Infrastructure & Construction referred to as IIIC all of which are government owned or controlled entities, as explained to us) to whom the activities/functions were outsourced by KIIFB. The invoices of end service providers were available only to the extent of Rs.4538.86 lakhs out of Rs. 6400.39 lakhs (excluding provision) w.r.t IIIC and KSIE and the management has explained that steps are taken to obtain invoices of other end service providers. On verification of records, administration and facilitation charges paid to the external agency -IIIC is noted to be 20% which amounts to Rs. 506.81 lakhs and KSIE has raised invoice at 4% higher on procurement cost which amounts to Rs.55.96 lakhs and with respect to other agency such charges is not correctly ascertainable from the invoices furnished. Moreover, such outsourced agencies have been engaged by the CEO on nomination basis (single quote) which is pending to be ratified by the General Body. The above expenses have been treated as a part of project cost debited to P&L account of quarter ended

## Chartered Accountants

30.06.2023 and year to date figures of quarter ended 30.09.2023 on account of which in the opinion of management, no specific budget provision is required.

- (ii) As stated in Note No.12 to the accounts, the invoices of end service providers in respect of expenditure for Rs.205.31 lakhs (year to date of Rs.435.17 lakhs) incurred through external agencies (a Government PSU - KSIE Limited) to whom the activities for server hosting and licence renewal charges of KSFE Pravasi software have been outsourced by KIIFB on nomination basis (single quote) were not available for verification. KSIE is seen raised invoice on KIIFB at amounts higher by 10% on procurement cost invoiced by first level service provider. The aggregate expenditure on operating cost incurred as above through KSIE Ltd from the year 2020-2021 to 30.09.2023 amounts to Rs.3,561.24 lakhs against the gross cost of acquisition/development of software of Rs.3,037.94 lakhs. In terms of the MoA between KIIFB and KSFE dt.01.06.2019, a separate agreement is to be entered into between the parties for recoupment/reimbursement of the total cost on the software by KSFE to KIIFB which is pending to be executed and this matter needs urgent attention.

In view of the facts and circumstances mentioned above, we are not able to express our opinion on the veracity of expenses incurred during the period dealt with in Para (i) and (ii) above.

### Qualified Conclusion

5. Based on our review conducted and procedures performed as stated in paragraph 3 above, with the exception of the matter described in the preceding paragraph 4, nothing has come to our attention that causes us to believe that the accompanying interim financial information, prepared in accordance with applicable accounting standards and other recognized accounting practices and policies generally accepted in India has not disclosed the information required to be disclosed in terms of Regulation 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, including the manner in which it is to be disclosed, or that it contains any material misstatement.

### Emphasis of Matter

6. We draw attention to the following matters stated in notes to accounts :
- (i) Note No 3 to the accounts that the figures for financial results of Statement of profit & loss, Balance sheet and Cash Flow Statement for the quarter ended and year to date September 30, 2022 were prepared by the management and have not been subjected to limited review since the requirement of submission of quarterly financial results is applicable only from quarter ended June 30, 2023.
- (ii) Note No 5 to the accounts that Interest income recognised during the quarter includes an amount of Rs.1,100.01 Lakhs (year to date of Rs 2103.37 Lakhs) on which 40% stage of disbursement has not been exceeded as per the terms of tripartite agreement for the project. In the absence of separate loan agreement interest on such borrowing has been recognised based on rates charged on comparable loan agreements with other borrowers ( at rates of Average Cost of Domestic Borrowings) or at rates agreed upon at the time of sanction of the loan which is lower than average cost of domestic borrowings.

- (iii) Note No 6 to the accounts that Interest income has been recognised on revenue generating projects in cases where there has been certain delays on implementation of the projects financed by such loans to SPVs and according to the management payment of interest is not contingent on the project earning any revenue. And also that certain inherent delays which have occurred during implementation stage of infrastructure projects does not have adverse effect on the recovery of loans granted considering the operational model of KIIFB and these loans are expected to be recovered from SPVs which are all government owned or controlled agencies and hence considered by the management as good and recoverable.
- (iv) Note No. 9.1 to the accounts, wherein based on the projects having lower commercial viability, certain project costs of Rs. 17,737.45 Lakhs and interest accrued amounting to Rs. 2,540.36 Lakhs has been provided for and debited to P&L account in the books of account in half year period as Provision for conversion of Loan to non income generating project. The above decision is approved/ratified by the General Body meeting held on 02-09-2023, however signed copy of the minutes is pending to be received and formal approval of Government of Kerala is also pending to be obtained on the above matter.
- (v) Note No 10 to the accounts stating that the balances shown under statutory contribution receivable from GoK of Rs.9,43,625.48 lakhs is considered good and recoverable by the management. According to the management there is no uncertainty with regard to ultimate recovery, based on financial operational model of KIIFB as per the KIIF Act, 1999 (amended by act of 2016) as such amounts are expected to be recouped from the statutory contribution receivable in future.

Our conclusion is not modified in respect of the above matters.

### Report on Other Legal and Regulatory Requirements

Note No 17 to the accounts on the rupee denominated borrowings shown under Liabilities in the said Balance sheet which represent external borrowings under Masala Bonds availed by KIIFB, in the year 2018-2019 and outstanding on 30<sup>th</sup> September 2023, which are fully secured by the sovereign guarantee issued by the Government of Kerala and have the required approval of the Reserve Bank of India under the Foreign Exchange Management Act 1999. As explained to us by the management of KIIFB, on other legal issues relating to the said borrowings, as per the legal opinion received from a renowned jurist and legal expert, the issue of Masala bonds made for the borrowings by KIIFB as above, is neither illegal nor is in violation of any law, which, being a legal matter, no conclusion is expressed thereon.

Kerala Infrastructure Investment Fund (Amendment) Act, 2016.

2 Minutes of 46th General Board of KIIFB

### ORDER

Vide Minutes referred as 2nd paper above, with the objective to raise funds for infrastructure projects in the state of Kerala the Kerala Infrastructure Investment Fund Board (KIIFB) has resolved to issue Government Guaranteed Domestic Bond amounting to INR 1499,96,00,000 (Including green shoe option of Rs. 499.94 Cr)

Section 8 of the Kerala Infrastructure Investment Fund Act, 1999 (“Act”) read as the 1 st paper above, provides that “the Board may, from time to time, with the previous sanction of the Government and subject to such conditions as the Government may by general or special order determine, borrow any sum required for the purposes of this Act ”.

Section 9 of the Act provides that “the Government shall guarantee the payment of the principal and interest of any fund proposed to be raised by the Board, provided that the total guarantee issued by the

Government under this Act shall not exceed the limits set by the Kerala Ceiling on Government Guarantees Act 2003 (30 of 2003) in force” (which is currently 100% of the total revenue receipts as per the annual financial statement of the State in the preceding year or at 10% of the Gross State Domestic product (GSDP), whichever is lower).

The Government have examined the matter in detail and hereby grants the unconditional and irrevocable Government Guarantee (without any conditions) for the due and punctual payment of all sums from time to time due and payable in respect of the bonds issued and are pleased to accord unconditional and irrevocable Government Guarantee for the issuance of Domestic Bond for an amount of INR 1499,96,00,000 (Including green shoe option of Rs. 499.94) subject to the following general conditions which do not have any impact on the above guarantee:

- i) Kerala Infrastructure Investment Fund Board shall remit the Guarantee Commission dues (if any) to Government (as on date).
- ii) Guarantee Commission @0.75% shall be remitted as per orders in G.O. (Ms) No.487/04/Fin dated 16.10.2004 and the Guarantee Act.
- iii) Simple interest @12% will be charged for delayed payments as specified in clause (5) of Government Order dated 16.10.2004.
- iv) Half yearly report shall be sent to Government in Finance Department with attested copies of challans remitting Guarantee Commission and penal interest, if any, indicating details of guarantee amount and outstanding Guarantee Commission payable (with details of calculation).
- v) The details regarding the Guarantee given by Government should be uploaded by KIIFB in the Guarantee Information Monitoring System (GIMS) portal of the website of Finance Department up to date.
