Impersonation

As a matter of abundant caution, attention of the Investors is specifically drawn to the provisions of sub-section (1) of Section 38 of the Companies Act, 2013 which is reproduced below:

“Any person who - (a) makes or abets making of an application in a fictitious name to a company for acquiring, or subscribing for, its securities; or (b) makes or abets making of multiple applications to a company in different names or in different combinations of his name or surname for acquiring or subscribing for its securities; or (c) otherwise induces directly or indirectly a company to allot, or register any transfer of, securities to him, or to any other person in a fictitious name, shall be liable for action under section 447 of the Companies Act, 2013”.

Minimum Subscription

In terms of the SEBI Debt Regulations, for an issuer undertaking a public issue of debt securities the minimum subscription for public issue of debt securities shall be 75% of the Base Issue Size. If our Company does not receive the minimum subscription of 75 % of the Base Issue Size, prior to the Issue Closing Date the entire subscription amount shall be refunded to the Applicants within 12 days from the date of closure of the Issue. The refunded subscription amount shall be credited only to the account from which the relevant subscription amount was remitted. In the event, there is a delay, by our Company in making the aforesaid refund, our Company will pay interest at the rate of 15% per annum for the delayed period.

Under Section 39(3) of the Companies Act, 2013 read with Rule 11(2) of the Companies (Prospectus and Allotment of Securities) Rules, 2014 if the stated minimum subscription amount is not received within the specified period, the application money received is to be credited only to the bank account from which the subscription was remitted. To the extent possible, where the required information for making such refunds is available with our Company and/or Registrar, refunds will be made to the account prescribed. However, where our Company and/or Registrar does not have the necessary information for making such refunds, our Company and/or Registrar will follow the guidelines prescribed by SEBI in this regard including its Debt Application Circular.

Credit Rating and Rationale

The NCDs proposed to be issued under this Issue have been rated “IND AAA’/ Outlook Stable” for an amount of ₹ 2,000,000 lakhs, by India Ratings and “BWR AAA, Outlook: Stable” for an amount of ₹ 2,00,000 lakhs, by BWR. The rating of NCDs by India Ratings indicate that instruments with this rating are considered to have highest degree of safety regarding timely servicing of financial obligations and carry lowest credit risk. This rating is not a recommendation to buy, sell or hold securities and investors should take their own decision. This rating is subject to revision or withdrawal at any time by the assigning rating agencies and should be evaluated independently of any other ratings.

Comfortable Liquidity and Resource Profile: *Asset liability tenors are well matched, although this has to be seen in the light of a significant part of loan portfolio being in overdue buckets. The company’s borrowings are well-diversified among capital markets and banks, and it maintains reasonable amount of unutilised bank lines.*

Asset Quality Under Pressure: *The current delinquencies, although marginally improved continues to remain under pressure, partly on account of two consecutive droughts in FY15 and FY16. Loan portfolio grew 16% in FY17 higher than the growth exhibited in the past two years; however, the complete recovery in the environment is yet to be seen. Lack of economic revival in few states may continue to exert pressure on MMFSL’s asset quality. The demonetisation event in 3QFY17 had an impact on cash collections. In 4QFY17, gross non-performing assets (120+ days past due) stood at 9.9% (FY16: 8.9%), credit cost remained at elevated levels of 3.3% (3.0%) and operating profit buffers were subdued at 1.4x (1.9x). With a focus on growing its used assets portfolio, yields are expected to improve; however, the ability to control credit cost would determine the profitability.*

Although, an improvement in the cash levels and expected revival in rural economic activities, both on account of normal monsoon and increased government spend on rural activities (government has budgeted 24% increase in rural spending for FY18), should help in containing incremental delinquencies in FY18. However, the headline number is likely to remain elevated on account of a buildup of a large stock of stressed assets over the past few years, which will resolve gradually. In addition, the migration to 90 days past due non-performing asset recognition norms could add in about 300bp.

Weakened Capitalisation: *MMFSL’s capitalisation has weakened, as net non-performing loan-to-equity stood at 28% at end-March 2017 from 22% at end-March 2016 (Tier 1: 13.2% at end-March 2017). With a targeted growth of around 1215% in FY18, capital infusion would be required to maintain the current level of cushion above the regulatory capital requirement.*

Rating sensitivities

A negative rating action could result from any substantial decline in the proportion of M&M’s revenue from MMFSL due to M&M’s fast expansion in urban products and highend products and/or with sharply increased participation from other financiers in M&M’s sales, making it less dependent on MMFSL. The ratings would also be affected if MMFSL’s operational linkages with M&M dilute significantly. Any weakening of M&M’s credit profile or its ability to support MMFSL’s increasing debt levels will also be negative for MMFSL’s ratings.

The rationale for the aforementioned rating issued by BWR is as follows:

BWR has principally relied upon the audited financial results of the Company upto FY17, projections, publicly available information, and information / clarifications provided by the Company’s management.

The rating has factored, inter alia, the strength and support of MMFSL’s parent Mahindra & Mahindra (M&M) Limited to the company, its experienced & professional management, growing business profile, comfortable capital adequacy with diversified source of funding and adequate provision coverage for assets. The rating is however, constraint by the stressed asset quality, cyclical nature of the sectors catered to by MMFSL and the competitive landscape for NBFCs.

Rating outlook: Stable

BWR believes MMFSL’s business risk profile will be maintained over the medium term. The “Stable” outlook indicates a low likelihood of rating change over the medium term. Any major volatility in profitability or further deterioration in assets quality with impact on capitalization may lead to revision in the rating or the outlook.

security issued by a company, where such security is in dematerialized form and is listed on a recognized stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 and the rules made thereunder. Accordingly, no tax will be deducted at source from the interest on listed NCDs held in the dematerialized form.

Payment of interest would be subject to the deduction as prescribed in the I.T. Act or any statutory modification or re-enactment thereof for the time being in force.

Subject to the terms and conditions in connection with computation of applicable interest on the Record Date as stated on page 5 of this Tranche 1 Prospectus, please note that in case the NCDs are transferred and/or transmitted in accordance with the provisions of this Tranche 1 Prospectus read with the provisions of the Articles of Association of our Company, the transferee of such NCDs or the deceased holder of NCDs, as the case may be, shall be entitled to any interest which may have accrued on the NCDs.

This would be subject to availability of complete bank account details including Magnetic Ink Character Recognition (MICR) code wherever applicable from the depository. The payment of refund through NACH is mandatory for Applicants having a bank account at any of the centres where NACH facility has been made available by the RBI (subject to availability of all information for crediting the refund through NACH including the MICR code as appearing on a cheque leaf, from the depositories), except where applicant is otherwise disclosed as eligible to get refunds through NEFT or Direct Credit or RTGS.

Wherever the Applicants have registered their nine digit MICR number and their bank account number while opening and operating the de-mat account, the same will be duly mapped with the IFSC Code of that particular bank branch and the payment of interest/refund/redemption will be made to the Applicants through this method.

For Applicants who receive refunds through ECS, direct credit, RTGS or NEFT, the refund instructions will be issued to the clearing system within 12 Working Days of the Issue Closing Date. A suitable communication will be dispatched to the Applicants receiving refunds through these modes, giving details of the amount and expected date of electronic credit of refund. Such communication will be mailed to the addresses (in India) of Applicants, as per Demographic Details received from the Depositories. The Demographic Details would be used for mailing of the physical refund orders. Investors who have applied for NCDs in electronic form, are advised to immediately update their bank account details as appearing on the records of their Depository Participant. Failure to do so could result in delays in credit of refund to the investors at their sole risk and neither the Lead Managers nor our Company shall have any responsibility and undertake any liability for such delays on part of the investors.

Printing of Bank Particulars on Interest Warrants

Procedure for Redemption by NCD Holders

The procedure for redemption is set out below:

NCDs held in physical form:

No action would ordinarily be required on the part of the NCD Holder at the time of redemption and the redemption proceeds would be paid to those NCD Holders whose names stand in the register of NCD Holders maintained by us on the Record Date fixed for the purpose of Redemption. However, our Company may require that the NCD certificate(s), duly discharged by the sole holder/all the joint-holders (signed on the reverse of the NCD certificate(s)) be surrendered for redemption on maturity and should be sent by the NCD Holder(s) by Registered Post with acknowledgment due or by hand delivery to our office or to such persons at such addresses as may be notified by us from time to time. Grouping of Applications and Allocation Ratio

For the purpose of the Basis of Allotment of NCDs

- B. *Applications received from Category II Applicants:* Applications received from Applicants belonging to Category II, shall be grouped together (“**Corporate Portion**”);

For removal of doubt, the terms “**QIB Portion**”, “**Corporate Portion**”, “**High Net Worth Individual Portion**” and “**Retail Individual Investor Portion**” are individually referred to as a “**Portion**” and collectively referred to as “**Portions**”.

For the purposes of determining the number of NCDs available for allocation to each of the abovementioned Portions, our Company shall have the discretion of determining the number of NCDs to be allotted over and above the Base Issue Size, in case our Company opts to retain any oversubscription in the Tranche 1 Issue upto the Shelf Limit i.e. aggregating upto ₹ 2,00,000 lakhs for NCDs. The aggregate value of NCDs decided to be allotted over and above the Base Issue Size (in case our Company opts to retain any oversubscription in the Tranche 1 Issue), and/or the aggregate value of NCDs upto the Base Issue Size shall be collectively termed as the “**Overall Issue Size**”.

- (g) Proportionate Allotments: For each Portion, on the date of oversubscription:
 - (i) Allotments to the Applicants shall be made in proportion to their respective Application size, rounded off to the nearest integer,
 - (ii) If the process of rounding off to the nearest integer results in the actual allocation of NCDs being higher than the Tranche 1 Issue size, not all Applicants will be allotted the number of NCDs arrived at after such rounding off. Rather, each Applicant whose allotment size, prior to rounding off, had the highest decimal point would be given preference,

STATEMENT OF POSSIBLE TAX BENEFITS AVAILABLE TO THE DEBENTURE HOLDERS

Under the current tax laws, the following tax benefits, inter-alia, will be available to the Debenture Holders. The tax benefits are given as per the prevailing tax laws applicable to Financial Year 2017-18 (Assessment Year 2018-19) and may vary from time to time in accordance with amendments to the law or enactments thereto. The Debenture Holder is advised to consider in his own case the tax implications in respect of subscription to the Debentures after consulting his tax advisor as alternate views are possible. We are not liable to the Debenture Holder in any manner for placing reliance upon the contents of this statement of tax benefits.

A. IMPLICATIONS UNDER THE INCOME-TAX ACT, 1961 ('I.T. ACT')

The implications have been prepared in the context of proposed issue of Non-Convertible Debentures ('NCDs' or 'securities') by Mahindra & Mahindra Financial Services Limited ('the Company' or 'MMFSL')

I. To the Resident Debenture Holder

1. Interest on NCD received by resident Debenture Holders would be subject to tax at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act and such tax would need to be withheld at the time of credit/payment as per the provisions of Section 193 of the I.T. Act. However, no income tax is deductible at source in respect of the following:

- a. In case the payment of interest on debentures to a resident individual or a Hindu Undivided Family ('HUF') Debenture Holder does not or is not likely to exceed Rs. 5,000 in the aggregate during the financial year and the interest is paid by an account payee cheque.
- b. In case of payment of interest on any security issued by a company in a dematerialized form and is listed on recognized stock exchange in India in accordance with the Securities Contracts (Regulation) Act, 1956 and the rules made thereunder.
- c. When the Assessing Officer issues a certificate on an application by a Debenture Holder on satisfaction that the total income of the Debenture Holder justifies no/lower deduction of tax at source as per the provisions of Section 197(1) of the I.T. Act and that certificate is filed with the Company before the prescribed date of closure of books for payment of debenture interest, then the income-tax is deductible as per Assessment Officer's directions per the Certificate (supra).
- d. (i) When the resident Debenture Holder with Permanent Account Number ('PAN') (not being a company or a firm) submits a declaration as per the provisions of section 197A(1A) of the I.T. Act in the prescribed Form 15G verified in the prescribed manner to the effect that the tax on his estimated total income of the financial year in which such income is to be included in computing his total income will be NIL. However under section 197A(1B) of the I.T. Act, Form 15G cannot be submitted nor considered for exemption from tax deduction at source if the incomes credited or paid or likely to be credited or paid during the previous year in which such income is to be included exceeds the maximum amount which is not chargeable to income-tax.

To illustrate, the maximum amount of income not chargeable to tax in case of individuals (other than senior citizens and super senior citizens) and HUFs is Rs. 2,50,000; in the case of every individual being a resident in India, who is of the age of 60 years or more but less than 80 years at any time during the Financial year (Senior Citizen) is Rs. 3,00,000; and in the case of every individual being a resident in India, who is of the age of 80 years or more at any time during the Financial year (Super Senior Citizen) is Rs. 5,00,000 for Financial Year 2017-18. Further, section 87A provides a rebate of 100 percent of income-tax or an amount of Rs. 5,000 whichever is less to a resident individual whose total income does not exceed Rs. 500,000.

- (ii) Senior citizens, who are 60 or more years of age at any time during the financial year, enjoy the special privilege to submit a self-declaration in the prescribed Form 15H for non-deduction of tax at source in accordance with the provisions of section 197A(1C) of the I.T. Act even if the aggregate income credited or paid or likely to be credited or paid exceeds the maximum amount not chargeable to tax, provided that the tax due on total income of the person is NIL.

(iii) In all other situations, tax would be deducted at source as per prevailing provisions of the I.T. Act. Form No.15G with PAN / Form No.15H with PAN / Certificate issued u/s 197(1) has to be filed with the Company before the prescribed date of closure of books for payment of debenture interest without any/lower tax withholding.

2. In case where tax has to be deducted at source while paying debenture interest, the Company is not required to deduct surcharge, education cess and secondary and higher education cess.
3. Under section 2(29A) of the IT Act, read with section 2(42A) of the I.T. Act, a listed debenture is treated as a long term capital asset if the same is held for more than 12 months immediately preceding the date of its transfer.

Under section 112 of the I.T. Act, capital gains arising on the transfer of long term capital assets being listed securities are subject to tax at the rate of 20% of capital gains calculated after reducing indexed cost of acquisition or 10% of capital gains without indexation of the cost of acquisition. The capital gains will be computed by deducting expenditure incurred in connection with such transfer and cost of acquisition of the debentures from the sale consideration. However as per the third proviso to section 48 of I.T. Act, benefit of indexation of cost of acquisition under second proviso of section 48 of I.T. Act, is not available in case of bonds and debenture, except capital indexed bonds. Thus, long term capital gains arising on transfer of listed debentures would be subject to tax at the rate of 10 % computed without indexation.

In case of an individual or HUF, being a resident, where the total income as reduced by such long-term capital gains is below the maximum amount which is not chargeable to income-tax, then, such long-term capital gains shall be reduced by the amount by which the total income as so reduced falls short of the maximum amount which is not chargeable to income-tax and the tax on the balance of such long-term capital gains shall be computed at the rate mentioned above.

4. Short-term capital gains on the transfer of listed debentures, where debentures are held for a period of not more than 12 months, would be taxed at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act. The provisions relating to maximum amount not chargeable to tax described at para 3 above would also apply to such short term capital gains.
5. In case the debentures are held as stock in trade, the income on transfer of debentures would be taxed as business income or loss in accordance with and subject to the provisions of the I.T. Act. Further, where the debentures are sold by the Debenture Holder(s) before maturity, the gains arising therefrom are generally treated as capital gains or business income as the case may be. However, there is an exposure that the Indian Revenue Authorities (especially at assessment level) may seek to challenge the said characterization as business income and hold such income as interest income in the hands of such Debenture Holder(s).

II. *To the Non Resident Debenture Holder*

1. A non-resident Indian has an option to be governed by Chapter XII-A of the I.T. Act, subject to the provisions contained therein which are given in brief as under:
 - a. Under section 115E of the I.T. Act, interest income from debentures acquired or purchased with or subscribed to in convertible foreign exchange will be taxable at 20%, whereas, long term capital gains on transfer of such Debentures will be taxable at 10% of such capital gains without indexation of cost of acquisition. Short-term capital gains will be taxable at the normal rates of tax in accordance with and subject to the provisions contained therein.
 - b. Under section 115F of the I.T. Act, if long term capital gains arise to a non-resident Indian from transfer of debentures acquired or purchased with or subscribed to in convertible foreign exchange and if the net consideration from such transfer is invested within six months after the date of transfer of the debentures in any specified asset or in any saving certificates referred to in section 10(4B) of the I.T. Act, then the long-term capital gains arising from transfer of such debentures will be exempt from capital gain tax in accordance with and subject to the provisions contained therein.

However, if the new assets are transferred or converted into money within a period of three years from their date of acquisition, the amount of capital gains exempted earlier would become chargeable to tax as long term capital gains in the year in which the new assets are transferred or

converted into money.

- c. Under section 115G of the I.T. Act, it shall not be necessary for a non-resident Indian to file a return of income under section 139(1) of the I.T. Act, if his/her total income consists only of investment income as defined under section 115C and/or long term capital gains earned on transfer of such investment acquired out of convertible foreign exchange, and the tax has been deducted at source from such income under the provisions of Chapter XVII-B of the I.T. Act in accordance with and subject to the provisions contained therein.
 - d. Under section 115H of the I.T. Act, where a non-resident Indian becomes a resident in India in any subsequent year, he may furnish to the Assessing Officer a declaration in writing along with return of income under section 139 for the assessment year for which he is assessable as a resident, to the effect that the provisions of Chapter XII-A shall continue to apply to him in relation to the investment income derived from specified foreign exchange assets (other than on shares in an Indian Company) in accordance with and subject to the provisions contained therein. On doing so, the provisions of Chapter XII-A shall continue to apply to him in relation to such income for that assessment year and for every subsequent assessment year until the transfer or conversion (otherwise than by transfer) into money of such assets.
2. In accordance with and subject to the provisions of section 115I of the I.T. Act, a Non-Resident Indian may opt not to be governed by the provisions of Chapter XII-A of the I.T. Act and if he does so, the provisions of Chapter XII-A shall not apply to him for that assessment year. In that case -
 - a. Long term capital gains on transfer of listed debentures would be subject to tax at the rate of 10% computed without indexation; and
 - b. Investment income and Short-term capital gains on the transfer of listed debentures, where debentures are held for a period of not more than 12 months preceding the date of transfer, would be taxed at the normal rates of tax in accordance with and subject to the provisions of the I.T. Act
 3. Under Section 195 of the I.T. Act, the applicable rate of tax deduction at source for non-resident Indians is 20% on investment income and 10% on any long-term capital gains as per section 115E, and at 30% for Short Term Capital Gains if the payee Debenture Holder is a Non Resident in India.
 4. The income-tax deducted shall be increased by a surcharge as under:
 - (i) In the case of non- resident Indians surcharge at the rate of 10% of such tax where the income or the aggregate of such income paid or likely to be paid and subject to the deduction exceeds Rs.50,00,000/- but does not exceed Rs. 1,00,00,000/-; 15% in other cases.
 - (ii) In the case of non-domestic companies, at the rate of 2% of such income tax where the income or the aggregate of such income paid or likely to be paid and subject to deduction exceeds Rs.1,00,00,000/- but does not exceed Rs.10,00,00,000/-; 5% in other cases.2% education cess and 1% secondary & higher education cess on the total income tax (including surcharge) is also required to be deducted at source under section 195 of the I.T. Act (as above).
 5. As per section 90(2) of the I.T. Act read with the Circular no. 728 dated October 30, 1995 issued by the Central Board of Direct Taxes, in the case of a remittance to a country with which a Double Tax Avoidance Agreement (DTAA) is in force, the tax should be deducted at the rate provided in the Finance Act of the relevant year or at the rate provided in the DTAA, whichever is more beneficial to the assessee. However, submission of tax residency certificate, is a mandatory condition for availing benefits under any DTAA. Particulars per Rule 37BC may be provided. If the tax residency certificate does not contain the prescribed particulars, a self-declaration in Form 10F would need to be provided by the assessee.
 6. Alternatively, to ensure non deduction or lower deduction of tax at source, as the case may be, the Debenture Holder should furnish a certificate under section 197(1) of the I.T. Act, from the Assessing Officer before the prescribed date of closure of books for payment of debenture interest. However, an application for the issuance of such certificate would not be entertained in the absence of PAN as per the provisions of section 206AA.

Where, debentures are held as stock in trade, the income on transfer of debentures would be taxed as business income or loss in accordance with and subject to the provisions of the I.T. Act. Further, where the debentures are sold by the Debenture Holder(s) before maturity, the gains arising therefrom are generally treated as capital gains or business income as the case may be. However, there is an exposure that the Indian Revenue Authorities (especially at assessment level) may seek to challenge the said characterization as business income and hold such income as interest income in the hands of such Debenture Holder(s)

III. *To the Foreign Institutional Investors (FIIs)*

1. In accordance with and subject to the provisions of section 115AD of the I.T. Act, long term capital gains on transfer of debentures by FIIs are taxable at 10% (plus applicable surcharge and education and secondary and higher education cess) and short-term capital gains are taxable at 30% (plus applicable surcharge and education and secondary and higher education cess). The benefit of cost indexation will not be available. Further, benefit of provisions of the first proviso of section 48 of the I.T. Act will not apply.
2. Income other than capital gains arising out of debentures is taxable at 20% in accordance with and subject to the provisions of Section 115AD.
3. In accordance with and subject to the provisions of section 196D(2) of the I.T. Act, no deduction of tax at source is applicable in respect of capital gains arising on the transfer of debentures by FIIs.
4. The provisions at para II (4 and 5) above would also apply to FIIs.

IV. *To the Other Eligible Institutions*

All mutual funds registered under Securities and Exchange Board of India or set up by public sector banks or public financial institutions or authorised by the RBI are exempt from tax on all their income, including income from investment in Debentures under the provisions of Section 10(23D) of the I.T. Act, subject to and in accordance with the provisions contained therein.

V. *Exemption under Sections 54EC and 54F of the I.T. Act*

1. Under section 54EC of the I.T. Act, long term capital gains arising to the resident debenture holders on transfer of their debentures in the company shall not be chargeable to tax to the extent such capital gains are invested in certain notified bonds within six months after the date of transfer. If only part of the capital gain is so invested, the exemption shall be proportionately reduced. However, if the said notified bonds are transferred or converted into money within a period of three years from their date of acquisition, the amount of capital gains exempted earlier would become chargeable to tax as long term capital gains in the year in which the bonds are transferred or converted into money. However, the exemption is subject to a limit of investment of Rs 50 Lakhs during any financial year in the notified bonds. Where the benefit of section 54EC of the Act has been availed of on investments in the notified bonds, a deduction from the income with reference to such cost shall not be allowed under section 80C of the Act.
2. As per the provisions of section 54F of the I.T. Act, any long-term capital gains on transfer of a long term capital asset (not being residential house) arising to a Debenture Holder who is an individual or Hindu Undivided Family, is exempt from tax if the entire net sales consideration is utilized, within a period of one year before, or two years after the date of transfer, in purchase of a new residential house, or for construction of residential house within three years from the date of transfer. If part of such net sales consideration is invested within the prescribed period in a residential house, then such gains would be chargeable to tax on a proportionate basis.

This exemption is available, subject to the condition that the Debenture Holder does not own more than one residential house (other than the new residential house) at the time of such transfer. If the residential house in which the investment has been made is transferred within a period of three years from the date of its purchase or construction, the amount of capital gains tax exempted earlier would become chargeable to tax as long term capital gains in the year in which such residential house is transferred. Similarly, if the Debenture Holder purchases within a period of two years or constructs within a period of three years after the date of transfer of capital asset, another residential house (other than the new residential house referred above), then the original exemption will be taxed as capital gains in the year in which the additional

residential house is acquired.
